ST. ARMAND, P. Q., Sept. 12, 1876. MR.T. J. B HARDING

Dear Sir.—Being desirens that others may know semething of the merits of your Constitutional Catarell Remery, I wish to inform you what it has done for me. I am twenty-nine years old; had been out of health for about five years. I had been out of health for about five years. I had employed three or four different doctors, and tried various medicines, without receiving any perma nent banefit, but continued rather to grow worse, until last fall, when I had become so bad as to be unable to do an hom's work at a time. Had severe soreness and pain under the shoulder blades and through the shoulders, with very lame back, and a feeling in my right lung as though there was a weight bearing it down, with cortinual dropping in the throat and down upon the lungs. Such was my condition when I commenced to take your Catarih Remedy, one bottle of which eased my pains and gave ma an improved appetite, and after taking four bottles I was res'ored to I eath so as to be able to endure hard and continued labor, such as chopping and clearing land, at which I have been engaged the past season. My recovery I attribute solely, with God's blessing, to the use of your Catarih Remedy.

Yours truly HENRY SNIDER.
