ST. ARMAND, P. Q. Sept. 12, 1876. MR.T. J. B HARDING Dear Sir:—Being desirous that others may know something of the merits of your Constitutional Catarell Remedy, I wish to inform you what it has done for me. I am twenty-nine years old; had been out of health for about five years. I had employed three or four different doctors, and tried various medicines, without receiving any permanent banefit, but continued rather to grow worse until last fall, when I had become so had as to be unable to do an hour's work at a time. Had severe soreness and pain under the shoulder blades and through the shoulders, with very lame back, and a feeling in my right lung as though there was a weight bearing it down, with continual dropping in the throat and down upon the lungs. Such was my condition when I commenced to take your 6a tarch Remedy, one bottle of which eased my pains and gave me an in proved appetite, and after taking four bottles I was restored to lealth so as to be able to endure hard and continued labor, such as chopping and clearing land, at which I have been engaged the past season. My recovery I attribute solely, with God's blessing, to the use of your Catarch Remedy. Dear Sir:-Being desirons that others may know
