**DR. HALLOCK'S  
 LUCINA CORDIAL,**  
 Or the EXIL IR of LIFE.  
 This justly celebrated Cordial is the only  
 efficacious remedy for those and dangerous  
 effects of the body and mind caused by early improper  
 habits of youth or indulgence of the passions, the  
 effects of such are prostration, dyspepsia, pain  
 in the head and dizziness or vision, weakness of  
 the brain, lower extremities, weakness of  
 memory and power for mental application;  
 depression, nervous debility, faintness and self-  
 dereliction. Young and middle-aged men may  
 discern and appreciate their own health, why  
 here learn why they are dissatisfied with their  
 health, why they are dissatisfied with their  
 vigor, why they are dissatisfied with their  
 success in their business, and why they are  
 dissatisfied with their condition of life.  
 The Lucina Cordial has restored thousands of  
 the young and middle-aged to health and vigor.  
 You can use it without expense or hindrance to  
 you, at home or abroad, and be restored to  
 your former health and vigor.  
 One or two bottles, because the treatise has been  
 so long out of the market, in opposition to the  
 cheap and worthless "Cordial" which is  
 often sold, but the fact is, it cannot be afforded  
 cheaply, but the fact is, it cannot be afforded  
 for less, an attempt to be made, among the  
 100,000 of the world's population, who are the  
 victims of this disease, would be to sell  
 others at a side up of a "cheap drug" with  
 little in more and less in "drugs".
