AA AA EEEEEE Every Tea-pot throughout this great country of ours is singing the

praises of this young Hyson and Olong Tea. Imported expressly for the people by

Ely Perkins, Who feeling an interest in the good and welfare of all his customers everyon the benefits derived from the use of good Tea, also the evils of the bad. Thion,

1200 years ago

Tea:—"If tempers the spirits; harmonizes the mind; dispels lassitude, and relieves fatigue; awakens thought and prevents drewsiness, lightens and refreshes the body and clears the preceptive faculties." From testimony of Rev. T. DeWitt Talmage:

His experience is that there is nothing that so loosens the hings of the tongue, soothes the temper, extongue, soothes the the temper, exhilerates the diaphragm, kindles sociability, and makes the future look promising. like Tea. His great aunt who used to come from town with the pockets of her Bombazine dress standing way out with nice things for the children. She would come in looking like a thunder cloud come in looking like a thunder cloud until she had got through with the first cup of Tea, when she would empty the right pocket; after finishing the second she would empty the

second pocket, and an extra third cup as she felt so very chilly, it then took all the sitting room, parlour, kitchen, and part of the woodshed to contain her exhilaration. Gunpowder Tea

LIE TEA The effect of Lie Tea as seen by Lucy Ann Stretchilong who was there herself, a woman of good parts, fine open gait, good knee action, head erect, could walk faster, step higher, talk louder than any boss on a river drive; she always wore oversocks so she could make good time and rot be last when she attended the Dorcas Sewing Circle. At one of these meetings away up Kese-eway where this "Lie Tea" was served it resulted in two law suits for slander, four black eyes, the expulsion of the minister, the abrupt removal from the top of the sextons head of all the capillary adorement. So I'm told and I've no reason to doubt it, for Maryann's sister heard Jemima's oldest boy say Eb Stone heard,—well, Jemima's oldest boy say Eb Stone heard,—well, I ain't agoin to say; it will only make trouble in the neighborhood.
