has done for me. I am twenty-nire years old; had been out of health for about five years. I had employed three or four different doctors, and trick various medicines, without receiving any permanent banefit, but continued rather to grow worse, until last fall, when I had become so bad as to be until last fall, when I had become so ban as to be unable to do an hour's work at a time. Had severe soreness and pain under the shoulder blades and through the shoulders, with very lame back, and a feeling in my right lung as though there was a weight bearing it down, with continual dropping in the throat and down upon the lungs. Such was my condition when I commenced to take your & a tarth Remedy, one bottle of which eased my pains and gave me an improved appetite, and after take tarrh Remedy, one bottle of which eased my pains and gave me an improved appetite, and after taking four bottles I was restored to lead the so as to be able to endure hard and centinued labor, such as chopping and clearing land, at which I have been engaged the past season. My recovery I attribute sofely, with God's blessing, to the use of your Catarrh Remedy.

At one of these meetings away up Kes-e-way where this "Lie Tea" was served it resulted in two law suits for slander, four black eyes, the expulsion of the minister, the abrupt emoval from the top of the sextons head of all the capillary adorement.
