MANHOOD:

How Lost, How Restored Just published, a new edition of Dr. Culverwell's Celebrated Essay on the radical cure (without medicine) of Spermeterrhes or Seminal Weakness, Involuntary Seminal Losses, Impotency, Mental and Physical Incapacity, Impediments to Marriage, etc.; also, Consumption, Epilepsy and Fits, induced by sel. indulgence or sexual extravagance,

The Celebrated author, in this admirable Essay, clearly demonstrates, from a thirty years' successful practice, that the alarming consequences of self-abuse may be radically cured without the dangerous use of internal medicine, or the application of the knife: pointing out a mode of cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be. may cure himself cheaply, priwately and radically.
