Appleton's Journal. PANE PICTURES.

Translated by one sunny breath-

And this to me the picture saith.

A wonder-worker all night long Has wrought his task for me; Now, by the cold and distant dawn, His miracles I see;

His gravings on the window pane,

Of magic tracery. Here lifts an Alpine summit, steep As is the heavenly stair, A way-side cross below the path,

But not a pilgrim there; Nesad face of humanity, No agony of prayer. And here, before a lonely lake, A fringe of reed and fern; Across the water's crystal chill

No dying sunsets burn. You hear not on that rushy shore The call of drake or tern. Here lies a crowd of broken boughs. A windfall in the woods: Some wild and wandering hurricane Hath wrecked these solitudes; But on that tangled dreariness

No living step intrudes. And here is Arctic waste and woe: A glacier's mighty face, Majestic in its awful march, Slow seaward from its place. Beneath that frown of solemn death

There lives no human trace. But slowly from the joyful East Ascends the dawning sun; Before his look of light and life The magic is undone;

The graceful pictures on the pine All vanish, one by one. Alas! must all the songs I sing;

The traceries of my brain,-The little stories sad and glad,-Be uttered all in vain? And vanish when the Master comes, Like pictures on the pane?

A person complained to Dr. Franklin of having been insulted by one who called him a scoundrel. "Ah!" replied the doctor, "and what did you call him?"; Furuiture "Why," said he, "I called him a scoun. drel, too." "Well," resumed Franklin "I presume you both spoke the truth."

Perfection Means Success.

Immense Bargains for everybody. We want and must have room.

THE perfection and great simplicity of the Williams Singer Sewing Machines, have placed them ahead of all other makers, and notwithstanding that, all other sewing machine companies find their trade constantly reduced being now not one-half of what it was in former veare, and give as a reason hard times. The C. W. Williams Manufacturing Company find their trade rapidly increasing. Their sales in the month of May, 1877, were one-third more than they ever made in one month since the Company had an existence. What does this mean? Simply this, that the Williams Singer is the best Sewing Machine made. The ladies find it out, tell their friends and neighbors, and so sales are increased. Head Office, 347 Notre Dame St., Montreal. Five Years' Sickness Cured by Four Bottles of Constitutions' Catarra Remedy. Pain in Shoulders, Back and Lungs, and Droptings in Threat Disappear.

St. Armand, P. Q., Sept. 13, 1876.

Mr. T. J. B. HARDING.

Dran Sir.—Being desirous that others may know something of the merits of your Constitutional. Catarra Remeans, Iwish to inform you what it has done for me. I am years old; had been out of health for about five years. I had employed three or four different doctors, and tried various medicines, without receiving any permanent benefit, but continued rather to grow worse, until last fall, when I had become so had as to be unable to do an hour's work at a time. Had severe scoreness and pain under the shoulder blades and through the shoulders, with very lame back, and a feeling in my right lung as though there was a weight bearing it down, with continual dropping in the threat and down upon the lungs. Such was my condition when I commenced to take your Catarrh Remedy, one bottle of which eased my pains and gave me an improved appetite, and after taking four bottles I was restored to health, so as to be able to endure hard and continued labor, such as chopping and clearing land, at which I have been engaged the past season. My recovery I attribute solely, with God's blessing, to the use of your Catarrh Remedy. Yours truly. Price 31 per bottle. ASE TOR LITTLEFIELD'S CONSTITUTIONAL CATARRE

in their operation, they are still the most thorough and searching eathartic medicine that can be employed: cleansing the stomach and bowels, and even the blood. In small doses of one pill a day, they stimulate the digestive organs and

promote vigorous health. AYER'S PILLS have been known for more than a quarter of a century, and have obtained a world-wide reputation for their virtues. They correct diseased action in the several assimilative organs of the body, and are so composed that obstructions within their range can rarely withstand or evade them. Not only do they cure the every-day complaints of every-body, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are, at the same time, the safest and best physic for children. By their aperient action they gripe much less than the common purgatives, and never give pain when the bowels are not inflamed. They reach the vital fountains of the blood, and strengthen the system by freeing

from the elements of weakness. Adapted to all ages and conditions in all climates, containing neither calomel nor any deleterious drug, these Pills may be taken with safety by anybody. Their sugar-coating preserves them ever fresh, and makes them pleasant to take; while being purely vegetable, no harm can arise from their use in any quantity. PREPARED BY
