MR. T. J. B. HARDING.

DEAR SIR.—Being desirous that others may know some thing of the merits of your Constitutional. Catarra Rame and thing of the merits of your Constitutional. Catarra Rame and years old; had been out of health for about five years. I had employed three or four different doctors, and tries warious medicines, without receiving any permanent beneft, but continued rather to grow worse, until last fall, when I had become so bad as to be unable to do an hour's work at a time. Had severe tsoreness and pain under the shoulders blades and through the shoulders, with very lame back, and a feeling in my right lung as though there was a weight bearing it down, with continual dropping in the throat and down upon the lungs. Such was my condition when I commenced to take your Catarrh Remedy, one bottle of which eased my pains and gave me an improved appetite, and after taking four bottles I was restored to health, so as to be able to endure hard and continued labor, such as chopping and clearing land, at which I have been engaged the past season. My recovery I attribute solely, with God's blessing, to the use of your Catarrh Remedy. Yours truly, Price \$1 per bottle.
