How to Save Money.

D June 11, 1877.

A MAN who only worked for us four months, thinking he had learned the profession, carried off our samples, copied some old plans in Fredericton, and is now canvassing the people for an Atlas of York County, at \$3.00 per copy. After 15 years experience we can sell County
Atlases for \$3.75 and make new surveys,
The people are requested to examine the subscription book before subscribing, as the aforesaid man has a contract in his book as binding

St. Jhno, N. B., June 4, 1877.—1w.

THE above advertisement appeared in last weak. Farmer. As I am the "young man' man, I should like to refer the citizens of York to a few items, as follows:

2nd.—Although stating their ability to publish Maps at \$3.75, they do not announce their intention of mapping York.

3rd.—In reference to price, a correct Atlas, such as York County should make, never was and never can be made at that price. As a proof of this, Roe & Colby canvassed last fall for an Atlas of Arostook, Me,. a similar work to York County Atlas, for \$8.00, and are now delivering same at that price. They also made an Atlas of St. John for which they charged \$10.

To prove that Roe & Colby, have no intention of

TLAS OF YORK.—PRICE \$3.75.—BY ROE & COLBY.—An advertisement headed as above in as appeared in the Reporter. As we have no intention of publishing the Atlas at that crany o her price, I as one of the Firm, beg to state that toe advertisement appeared without my sanction or even knowledge. Under any circumstance an Atlas could not be made for less than \$8.00. Mr. Halipenny is at present looking up such an Atlas and we do not propose to interfere with him in any way. We have seen some of Mr. H's plans, and consider them very good.—GEO. N. COLBY, of Roe & Colby.

This standard article is compounded with the greatest care. Its effects are as wonderful and as satisfactory as ever.

It restores gray or faded hair to its vonthial color. It removes all eruptions, itching and dandruff. It gives the head a

cooling, soothing sensation of great comfort, and the scalp by its use becomes white and clean. By its tonic properties it restores the capillary glands to their normal vigor, preventing baldness, and mak-

ing the hair grow thick and strong. As a dressing, nothing has been found so effectual or desirable. A. A. Hayes, M.D., State Assayer of Massachusetts, says, "The constituents are pure, and carefully selected for excellent quality; and I consider it the BEST PREPARATION

for its intended purposes." Price, One Dollar.

Euckingham's Dye

FOR THE WHISKERS. This elegant preparation may be relied on to change the color of the beard from gray or any other undesirable shade, to brown or black, at discretion. It is easily applied, being in one preparation, and quickly and effectually produces a permanent color, which will neither rub nor wash off.
