TO PREVENT CALVES FROM SUCKING .-- If you or any of your readers have been pestered with the contrary wilfulness and persistence of a badly-weaned calf, as I have been for to know that a common snaffle bit will cure the beast most effectually. A colored man George Daniels, who has charge of my stock. claims that he "is de fust chap who invented dat machine," and it has certainly answered the purpose with a two year old heifer, who has given George a "site of trouble' for the past year. He tied a strong twine string to the bit, and thus fastened it on her head as a bridle would be put on any animal. It does dot interfere unterially with the feeding of the beast, and I have no doubt HEMPS, NEW DRESS GOODS, will be an easy and thorough remedy for the trouble, either with calves or cows disposed to milk themselves .- Cor. ed with the greatest care. Its effects are as wonderful and as satisfactory as ever.

It restores gray or faded hair to its youthful color. It removes all eruptions, itching and dandruff. It gives the head a cooling, soothing sensation of great comfort, and the scalp by its use becomes white and clean.

By its tonic properties it restores the capillary glands to their normal vigor, preventing baldness, and making the hair grow thick and strong. As a dressing, nothing has been found so effectual or desirable. A. A. Five Years' Sickness Cured by Four Bottles of Constitutional
Catarrh Remedy. Pain in Shoulders, Back and Lungs,
and Droppings in Throat Disappear.

Mr. T. J. B. HARDING.
DEAR SIR.—Being desirous that others may know something of the merits of your Constitutional Catarrh Remember, I wish to inform you what it has done for me. I am my years old; had been out of health for about five years. I had employed three or four different doctors, and tried various medicines, without receiving any permanent benefit, but continued rather to grow worse, until last fall, when I had become so bad as to be unable to do an hour's work at a time. Had severe soreness and pain under the shoulder blades and through the shoulders, with very lame back, and a feeling in my right lung as though there was a weight bearing it down, with continual dropping in the throat and down upon the lungs. Such was my condition when I commenced to take your Catarrh Remedy, one bottle of which eased my pains and gave me an improved appetite, and after taking four bottles I was restored to health, so as to be able to endure hard and continued labor, such as chopping and clearing land, at which I have been engaged the past season. My recovery I attribute solely, with God's blessing, to the use of your Catarrh Remedy. Yours truly, Price Si per bottle.

GENTLEMEN, In reply to your enquiry about your Mowing Machines in this place, we would say that last year when we received your Mowers we gave them a fair trial with others, before we offered them for sale. We, and others who where present, were convinced that your Mower would do as good work and was not so liable to get out of order as other Machines that are run-ning here. We have had some experience in repairing Mowers for the last five years; we have always found that the Wood Mower runs with the least expense; there are not so many bolts and nuts to get out of order. Your machine has None but the best material used and a perfect got the best boxing-ALL BRASS; the journals are well fitted and run very smooth; the strains are met with straight lines, and these are features worth y of notice in machinery. In fact we think you have the plainest, simplest, and most sub-stantial Mower running. They are not only the best but the lowest in price of any of the same Wanted. quality.
