MR.T. J. B HARDING Dear Sir:—Being desirons that others may know something of the merits of your CONSTITUTIONAL CATARIH REMILY. I wish to inform you what i. has done for me. I am twenty size years old; had been out of health for about five years. I had employed three er feur different doctors, and trice various medicines, without receiving any permanent bauefit, but continued rather to grow worse until last fall, when I had become so bad as to be unable to do an hour's work at a time. Had severe soreness and pain under the shoulder blades and through the shoulders, with very lame back, and a feeling in my right lung as though there was a weight bearing it down, with continual dropping in the threat all down, with continual dropping in the threat and down upon the lungs. Such was my condition when I commenced to take your ©a tar h Remedy, one bottle of which cased my pains and gave me an in proved appetite, and after taking four bottles I was restored to lead his one to be able to endure hard and continued labor, such as chopping and clearing land, at which I have been engaged the past season. My recovery I attribute solely, with God's blessing, to the use of your Catarrh Rennedy.

Yours truly HENRY SNIDER.
