THOS. TEMPLA:

President.

Pre We do this in order to make a DR. HALLOCK'S CORDIAL LUCINA This justly celebrated Cordial is the only efficacious remedy for those sad derangements of the body and mind caused by early improper habits of youth or indulgence of the passions, the effects of which are prostration, dyspepsia, pain in the used and dimness or vision, weakness of the back and lower extremities, weakness of the back and lower for mental application; dejection, aversion to society, timidify and self-distrust. Young and middle-aged men may have learn why they are declining in health, why have are losing their youthful appearance and had vigor, why they are disinclined to business, and incapacitated for matrimanial alliance.

The Lucina Cordial has restored thousands of persons to health and vigor who have ignorantly injured themselves in Youth. Propure it, then you can use it without exposure or hindrance to business, at home or abroad, and be restored:

Objection has been naturally made to the price of this Cordial, because the trash that has been thrown on the market, in opposition to it, is sold cheaper, but the fact is, it cannot be afforded for less, and ought to be much dearer, as many of the ingredients which compose it are among the costlest things in nature; whereas the others are made up of cheap drugs, worth but little in money and less in merit.

We assure our readers that the utmost reliance may be placed on the LUCINA CORDIAL in the curse of the maladies mentioned above, and also to those which follow,: Loss of Muscular Energy, Physical Lassitude and General Prostration, Irritability and all Nervous Affections, indigestion, Sluggisness of the Liver, and every disease in any way connected with the procreative functions, in all of which it will effect almost lestant relief, and if used as directed, is almost certain to produce a positive and permanent cure. Persons about to marry, if conscious of any weakness, should take the couplity, free from observation. Address all etters to the HALLOCK MEDICAL INISTITUTE 110 Court st., Boston, Mass Post Office Box 1212.
