it will enable us the more readily to give you the goods you call for and will further avoid all possible misunderstanding.

We do not try to bait an intelligent community with prices on a few GARDEN, cheap and shoddy articles as is customary, but give you prices on leading lines of Staple Goods, goods with which you are all more or less familar.

REMEMBER-Our entire stock is paid for. We most emphatically assert, that we do not owe a single dollar on the same.

We do business to suit ourselves and our customers. We can (should and as they are bought for cash, we are prepared to the last will and Textomers to the last will and the last will be the last will and the last will be we feel disposed), give our goods away and it would concern no one but ourselves. E We Defy Competition! 是

Each and every article above enumerated is the actual wholesale price, by the case lot, less the discount for CASH which is our profit. In view of the closeness of our margin-we cannot and we will not give credit.

But CASH CUSTO MERS

Who do not believe in paying two or three prices for goods-who want the worth of their money, and not help pay bills of delinquents, nor have their neighbors buy an article 25 to 40 per cent. less than themselves, or those who buy one thing cheap and pay double the value for the next purchase.

Customers who look at the value of goods and buy where they can buy the cheapest will always go to

Five Years' Sickness Cured by Four Bottles of Constitutional Gatarrh Remedy. Pain in Shoulders, Back and Lungs, an Droppings in Throat Disappear. ST. ARMAND, P. Q., Sept. 12, 1876.

MR.T. J. B HARDING

Dear Sir:—Being desirons that others may know
something of the merits of your Constitutional
CATARRH REMEDY, I wish to inform you what it has done for me. I am twenty-nive years old; had been out of health for about five years. I had employed three or four different doctors, and tried various medicines, without receiving any perma nent banefit, but continued rather to grow worse until last fall, when I had become so bad as to be until last fall, when I had become so bad as to be unable to do an hour's work at a time. Had severe careness and pain under the shoulder blades and through the shoulders, with very lame back, and a feeling in my right lung as though there was a weight bearing it down, with continual dropping in the threat and down upon the lungs. Such was my condition when I commenced to take your the tarth Remedy, one bottle of which eased my paine and gave me an improved appetite, and after taking four bottles I was restored to lealth so as to be able to endure hard and centinued labor, such as chopping and clearing land, at which I have been engaged the past season. My recovery I attribute solely, with God's blessing, to the use of your Catarrh Remedy.

Yours truly HENRY SNIDER.
