LUCINA CORDIAL Or the EXILIR of LIFE. This justly celebrated Cordial is the

of the body and mind caused by early improper habits of youth or indulgence of the passions, the effects of which are prostration, dyspepsia, pain in the head and dimness or vision, weakness of the back and lower extremities, weakness of memory and power for mental application; ejection, aversion to society, timidity and self-istrust. Young and middle-aged men may here learn why they are declining in health, why hey are losing their youthful appearance and and vigor, why they are disinclined to business, persons to health and vigor who have ignorantly nigred themselves in youth. Procure it, then ; you can use it without exposure or hindrance to business, at home or abroad, and be restored: Objection has been naturally made to the price of this Cordial, because the trash that has been thrown on the market, in opposition to it, is sold cheaper, but the fact is, it cannot be afforded

almost instant relief, and if used as directed, is almost certain to produce a positive and permanent cure. Persons about to marry, if conscious of any weakness, should take the Cordial, as it infallibly restores health and vigor in a brief period. Sold only at Dr. Hallock's office, 110 Court st. country, free from observation. Address all etters to the HALLOCK MEDICAL INSTITUTE 110 Court st., Roston, Mass Post Office Box 1212.
