OF INTEREST

At this season of the year, when all the blowing element in every little shop is brought to bear upon an unsuspecting public, to induce them to patronize their particular establishment, it is well that pur chasers should be guarded and quietly look around and examine for themselves. The

t subscriber would herewith respectfully inform everyone hroughout this section of the county and elsewhere, that he has now in store, the largest stock of

ever before held under one roof in this Province. This is positively no exaggeration. These goods were bought in the best and cheapest markets of the United States and Canada, and will be sold on the

Having bought the same under the most favorable circumstances, we have therefore the utmost confidence in solicting examination and comparison of Qualities Styles and Price, feeling sure that the wants of everybody can be supplied better aud cheaper at our Establishment than any other place

We desire informing our patrons and the trade generally that we have entirely discarded the "cheaper grade of Goods," and our stock will be found to be of the most thoroughly reliable character. We have carefully observed and noted the defects of last season and

have prepared for an Entire Change of Base.

We want to do business in the squarest possible manner and want to hold our trade.

We have the largest and best equipped BOOT & SHOE FACTORY, in Fredericton, and point with pride to the same. Although but recently established "PHELAN'S HAND MADE BOOTS" have already become known as the best made and cheapest in this Province, or

1st. Integrity of dealing, or one price. Of course to do this we must THE subscribers offer sale their Farm situate figure closely or we could not hold our trade, but we always were willing to sell cheap. This is the complaint other houses make against us. They say we have "ruined the business" "there's no more money in it," "selling at such prices cannot last," &c, &c, WILLIAM D. 2. Giving satisfaction or refunding the money. This suits us, because it is fair and honorable, and we are willing to take any pains to reach the highest mark of mercantile dealing. We prefer to have our goods back promptly and hand back the money to those who are not fully satisfied.

Every detail of the business has been studied out, and when the people examine the present working of our estsblishment-and the stock so Large, Rich and Varied, see the System, Prices and Improvements, we believe that our Fall Sales will treble our last season's immens

ARE READY FOR IT.

In conclusion we submit the following propositions:-

1st. Whether whole car loads of goods bought principally for CASH, are not likely to be bought at lower rates than a wheelbarrow load of goods bought on credit?

2nd. Whether people always want to pay double and treble price for Boots and Shoes because they have suffered patiently for years under high charges?

3rd. Whether goods sold for CASH DOWN cannot be sold a great deal cheaper than under the prevailing system of long credits, with incidental losses, interest and collectors' fees?

The test to all we have herein set forth shall be public opinion. Gauntlets, Hats, Fur Caps. We court its verdict, and will stand boldly by its decision. We are satisfied that clangor and clamor, misrepresentation and vituperation will never be mistaken for the true metal.

We now swing clear of all "Combinations," "Rings," or "Customs and burn the bridge behind us, and with our entire business reconstructed, we open for the

N. B.-Orders from the Country will receive promt attention. CORDIAL, LUCINA Or the EXILIR of LIFE. This justly celebrated Cordial is the only efficacious remedy for those sad derangements of the body and mind caused by early improper habits of youth or indulgence of the passions, the effects of which are prostration, dyspepsia, pain in the head and dimness or vision, weakness of the back and lower extremities, weakness of dejection, aversion to society, timidity and self-distrust. Young and middle-aged men may here learn why they are declining in health, why they are losing their youthful appearance and and vigor, why they are disinclined to business, they are losing their youthful appearance and and vigor, why they are disinclined to business, and incapacitated for matrimanial alliance.

The Lucina Cordial has restored thousands of persons to health and vigor who have ignorantly injured themselves in youth. Procure it, then; you can use it without exposure or hindrance to business, at home or abroad, and be restored:

Objection has been naturally made to the price of this Cordial, because the trash that has been thrown on the market, in opposition to it, is sold cheaper, but the fact is, it cannot be afforded for less, and ought to be much dearer, as many of the ingredients which compose it are among the costliest things in nature; whereas the others are made up of cheap drugs, worth but little in money and less in merit.

We assure our readers that the utmost reliance may be placed on the LUCINA CORDIAL in the cure of the maladies mentioned above, and also to those which follow; Loss of Muscular Energy, Physical Lassitude and General Prostration, Irritability and all Nervous Affectious, Indigestion, Sluggishess of the Liver, and every disease in any way connected with the procreative functions, in all of which it will effect almost instant relief, and if used as directed, is almost certain to produce a positive and permanent cure. Persons about to marry, if conscious of any weakness, should take the Cordial, as it infallibly restores health and vigor in a brief period.
