CORDIAL, Or the EXILIR of LIFE. This justly celebrated Cordial is the only of the body and mind caused by early improper habits of youth or indulgence of the passions, the effects of which are prostration, dyspepsia, pain in the head and dimness or vision, weakness of the back and lower extremities, weakness of memory and power for mental application; dejection, aversion to society, timidity and self-distrust. Young and middle-aged men may here learn why they are declining in health, why they are losing their youthful appearance and and vigor, why they are disinclined to business, and incapacitated for matrimanial alliance. of the body and mind caused by early improper

objection has been naturally made to the price of this Cordial, because the trash that has been thrown on the market, in opposition to it, is sold cheaper, but the fact is, it cannot be afforded for less, and ought to be much dearer, as many of the ingredients which compose it are among the costlest things in nature; whereas the others are made up of cheap drugs, worth but little in money and less in merit.

We assure our readers that the utmost reliance may be placed on the LUCINA CORDIAL is the cure of the maladies mentioned above, and also to those which follow. Loss of Muscular Energy, Physical Lassitude and General Prostration, Irritability and all Nervous Affections,

disease in any way connected with the pro-creative functions, in all of which it will effect almost instant relief, and if used as directed, is almost certain to produce a positive and per-manent cure. Persons about to marry, if conscious of any weakness, should take the Cordial, as it infallibly restores health and vigor n a brief period. Sold only at Dr. Hallock's office, 110 Court st.,

MR. T. J. B. HARDING.

DEAR SIR,—Being desirous that others may know something of the merits of your Constitutional Catarbia Rem. Edy, iwish to inform you what it has done for me. I am 29 years old; had been out of health for about five years. I had employed three or four different doctors, and tried various medicines, without receiving any permanent benefit, but continued rather to grow worse, until last fall, when I had become so bad as to be unable to do an hour's work as a time. Had severe (soreness and pain under the shoulder blades and through the shoulders, with very lame back, and a feeling in my right lung as though there was a weight bearing it down, with continual dropping in the throat and down upon the lungs. Such was my condition when I commenced to take your Catarrh Remedy, one bottle of which cased my pains and gave me an improved appetite, and after taking four hottles I was restored to health, so as to be able to endure hard and continued labor, such as chopping and clearing land, at which I have been engaged the past season. My recovery I attribute solely, with God's blassing, to the use of your Catarrh Remedy. Yours truly, Price Si per bottle.
