as well have been afloat in egg-shells. The first I knew after knowing nothing, was lying in burning sand on my face; and when I cleared my eyes I saw I'd been washed ashore. Two men lay alongside o' me. I turned the first over; it was the cook, Peter he was stone-dead. I looked at the next; it was the Cappen. Yes, it was poor, old Cappen Jersey, and he wasn't dead, for he groaned when I touched irretrievable, and, unless we mistake the

girl again, Blaize." "Tell that to the marines!" says I.! niggers or not, I never knew men I was afraid of. We'll get home yet, Cappen." "You may,' says he. 'I must stay here; my leg is broken.'

Cappen in the shadiest place I could find, and buried the cook, with a bit of a prayer, and sat down to think. I

in a flask, and that was all. Just then the Cappen called to me. invaders. "You've been kind to me," he said. "Bid me good-by, and say you for- and should escape defeat along the Danube, with the Cunard, Inman and White Star

never desart, Cappen. I'll find grub strength and will not be slow to use it; and of some kind for us both, and we'll even if Russia possesses the power to annilive to tell this yet ashore in hilate her enemy, which we doubt, she would America.' Says he, taking hold of my hand,

"God bless you, Blaize; but I can't more for a father."

stopped, and I gave him a sup from behind this all the fact that any attempt to the flask and went away. I don't mean to tell lies. This yarn is true. If you want wondors, and iron kettles floating ashore, and stories to last a year and complete

carpenter shop at hand, look for 'em in other yarns-sich as travels. I couldn't tell you much about how we lived-sometimes burning, someeasy stages, hoping to come to some place where we should see human

weak as a child, and the poor Cappen

And the Cappen said to me over and over again, "Go, Blaize"an old, dying man.'

And I had answered, "No one shall ever say Dick Blaize desarted his water could I find. And at last I sat down in despair.

"The Lord must help us now," said I. "And p'raps out here, where half the folks is unconvarted, He's lost sight of us.

There again I was wrong; for what in the 'versal world should I hear but was as follows: some one whistling "Yankee Doodle," and the next minute I saw under the bushes a face-in partick'lar a nosethat couldn't hail from anywhere but old Connecticut, where I was born and brought up; and then faces black and white and valler-a hull ship's completment of explorers, as they turned out to be. I heard a hurrah. "Cappen." says I, "the Lord has heard us." And staying a conflagration. then I kneeled over and took a rest. Didn't know much for a bit, only that close to mine over and over again; and that whatever yarn the boss explorer puts in his book, he'll tell no lie if he says he nussed me like my mother might, God bless him! So

Well, to cut a long story short, messmates, we came ashore at Marblehead at last, and I was well and hearty, but the poor Cappen laid low. I had have forgotten to give us their names in conthought we'd bury him at sea, but it didn't come to that, and they took him home on a litter to die there; but letters. before he went he held out his hand to

"God bless you!" he said. "No son could be kinder than you have been; and I went away wiping my eve. I'd got to love him out there on the Gold Coast.

Well, I was uneasy, and I walked the deck of my room the best part of his highly amusing entertainments here on the night, and at day-break some one the evening of the 24th of January next. says, "Aby, Mr Blaize!" and I opened the door. A boy was there. Says the auspices of the Methodist Church at the force while making reconnoisance carried the dently drawing to a close. For several weeks force while making reconnoisance carried the force while making reconnoisance carried

I knew it must come; but my heart sank like the lead in deap water. I set sail for the house leaving the lad column an entertainment in the City Hall on quite out of sight, and got there in a Monday 26th inst. Those who witnessed his few minutes. The nigger took me in performances when he was here during the and there was Cappen in bed and Chap- summer will be pleased to know that he is His Holiness. Few statesmen or prime inhabitants. Typhoid fever is spreading in lain alongside, and Eva crying as if again about to visit Fredericton. Full parher blessed heart would break. And ticulars will be found in our advertising

Cappen says to me : "Blaize, time is short for me, I must speak fast. You love my girl

Then the Cappen took her little hand and put it in mine and says to

THE WAR.

On the 16th inst, a Council of War was held at Constantinople over which the Sultan in Northern Pennsylvania to protect lives presided. The strongest expressions were and a number of the vigilants. The tramps loss of prestige and that further to continue were captaired, three of them being severely the struggle would be disastrous to both The Council does not put much faith in Russian professions and is determined on preparing for a long struggle, but the good offices of England are to be sought to secure peace. This action of the Porte is very significant and it is not improbable that it is prompted by either Austria or England, or both. Andrassy, the Austrian Minister, says that Servia will not declare war, and if this be so the calculations of the Russians who hoped by diverting the attention of Suleiman Pasha to the West to prevent his marching to the Under the rule or the Khedive the boun- relief of Plevna will be frustrated. The daries of Egypt have been greatly extended, drain of the struggle upon the resources of and his interests have come in conflict with Russia is so great that the whole of the army prevails that Russia would be glad to make peace, and possibly now that Kars has been taken she may declare her honor satisfied. This important fortress fell into the hands of the Russians on the 18th inst. The assault began on the previous evening under the direction of Louis Melekoff in the presence of the Grand Duke Michael. After a stubborn fight in which the Russians lost 2,700 men the city was taken with three hundred cannon and a large quantity of ammunition Seventeen thousand men are to be sent t assist at the seige of Plevna. They are to be the inmates. They did not suspect foul play taken from the army at Kars, where it is thought they are no longer needed. The
