be they manufacturer or retail dealer. Possessing every conceivable advantage over any possible combination of our rivals in the trade, and not having the fear of creditors before our eyes, and having sold more BOOT & SHOES than all other dealers put together, and having likewise made all the money that we care to make this season, we have now decided for the benefit of the people of this city and the surrounding country to offer the entire balance our stock at prices never before printed on paper anywhere in the Province of New Brunswick. Look over the following list, and think of the price you would be asked to pay any of the goods therein enumerated, where we not Valuable Property in Saint here to protect your interests in the matter;

Men's Plain or Fancy Felt Overshoes, Buckle or Clasp, only.....90 cents. Misses Plain or Fancy Felt Overshoes, Buckle, only................60 '

These goods are all of the Quebec Company's make, and we know of none of a poorer quality, for we sold quite a quantity of them last winter, and we are constrained to admit that we had a most bitter experience. We have a few pairs left, and offer them at those extremely low prices to those only who desire to try that make, and who wish to take all the risks, and they are not a few.

Dealers who contemplate sceking in the spring, but not before, "Fresh fields and pastures new," are now selling the Men's Plain at \$1.10, and the Fancy at \$1.20; the Women's Plain at \$1.00, and the Fancy at \$1.10. We have a better article of

and will sell the same at such a price that no dealer hereabouts can expect to purchase them at the figure.

Dealers tear their hair, and want to know how or where we buy to enable us to sell at such low figures. But, we can assure them that we have never yet done business merely for the honor of doing so; and it is now we think, rather too late to take a fresh start.

Child's Strong Course Boots, heels 4 7, only..... Childs' Strong Coarse Boots, 6-10......55 Other dealers are selling them at 75 cents. Other dealers sell them at 90 cents to \$1.00 Women's Coarse Strong Boots, only......85 " Other dealers are now selling the same at \$1.00 to \$1.10, and sold them last year at \$1.25. Men's Strong Coarse Hand-Made Boots, our own make, only .\$3.00 " You are asked \$3.25 for an inferior Boot in other shops. We have also in stock quite a quantity of the celebrated English Kip Hand Made Boots, at.....\$3.50

This is by all odds the best Boot sold in this market, and has given universal satisfaction to all of our customers who have tried them.

Men's Indian Tanned Moccasins at your own price. An immense stock of our own make of Men's and Boy's Boots, all sizes, coarse and fine, at bottom prices. We have the sole and exclusive sale in this market of the Hand-Made and Oil-Tanned Larrigins and Shoe Packs in the Dominion, every pair of which is warranted to give entire satisfaction.
