Mr. T. J. B. "ABDING.

Dram Sin, —, sing desirous that others may know something of the merity of your Constitutional Caranar Ramends, I wish to inform you what it has done for me. I am 3 years old; had been out of health for about five years, had employed three or four different doctors, and tried various medicines, without receiving any permanent benefit, but continued rather to grow worse, until last fall, when I had become so bad as to be unable to do an hour's work as a time. Had severe fooreness and pain under the shoulder blades and through the shoulders, with very lame back, and a feeling in my right lung as though there was a weight bearing it down, with continued dropping in the throat and down upon the lungs. Such was my condition when I commenced to take your Catarrh Remedy, one bottle of which eased my pains and gave me an improved appetite, and after taking four bottles I was restored to health, so as to be able to endure hard and continued labor, such as abounding and clearing land, at which I have been engaged the lassing, to the use of your Catarrh Remedy, Yours truly.
