assessment. \$467 is charged against County valuation was Douglas for interest, and of this \$100 In the City is for compound interest, and he did Now as the City makes the most expense

enough to assess this. Mr. Estabrooks-The last speaker has become tainted with repudiation ideas because of his connection with the Administration of Justice Committee and his intercourse, with the City Council. If the case of Douglas was a solitary case it would be a hardship, but other parishes are in the same position. If the parishes do not pay their interest they ought not to demur to the payment of interest upon it. Actual indebtedness means the amount due by the parishes after deducting all what should be to their credit. And this matter could be easily determined and apportioned. During the year the figures could be corrected, and when the next assessment was made there would be an ample opportunity to rectify the whole matter. they put things in the hands of Committees Mr. Colter would like the words "tainted

and "repudiated" explained. Mr. Estabrooks explained he was only

Mr. Colter went on to speak of the importance of making a fresh start and proceeding legally in the matter. He also said that in this was a challenge to the County, and he ordinary business transactions compound Mr. E., believed that the Aldermen was interest would not be allowed.

Mr. McBean said that Mr. Colter wo have to upset the Acts of the Board for past have only got 221 per cent from the City years if he got rid of the interest. He did not think the charging of interest was advis- satisfactory, and the law ought to provide for able if the Auditor's Report is not correct. it. He thought the County should only pay If that is so we had better get officers who will keep the Accounts correct. He believed the accounts were correct and that the Council have legal right to assess for the

Mr. Henry deprecated the waste of time | Sheriff, the Gaoler and the Constable all live spent in discussion. He would like to know in the City. The Council ought to look after the ground on which ratepayers might object its own interests, and look after the County to pay their assessment for indebtedness. Mr. Murphy thought that the increase in against the City's 221 per cent. We ought the Douglas assessment was because of the to claim our rights from the Legislature, and expense of running the parish line.

ment it was lost. The original resolution was carried by the in the matter, but in the meantime the following vote-12 to 9.

Ordered that sundry small amounts should Mr. McBean could sympathize with Mr. be assessed in Canterbury. Ordered that \$551 be assessed on Canter- in the way of a settlement. If he understood
