and for some time past the colonists have

been strenuously endeavoring to prevent the influx of Celestials. A measure passed by the Queensland Legislature a year ago for the regulation of the traffic in immigrants of this class was disallowed by the Imperial Government, but a similar one has quite recently been assented to. According to the anthor of a paper read a short time ago before trial occupations of the colony, and swarm to the gold fields, allured thither by the hope of becoming the prosessors of some of the precious metal, and then betaking themselves off to their native land. The whole white population of the Cook and Palmer districts s not more than 5,000, while within the last year and a half they have been swamped by a deluge of 30,000 Chinese.
