EXTENSIVE AND VALUABLE REAL ESTATE MODEL FARM, Stock, &c., FOR SALE!

For Sale by Public Auction, on THURSDAY, 26th JUNE next, at 2 o'clock, afternoon, on the Farm premises, in the VILLAGE OF BATHURST, County Gloucester, New Brunswick:

THE MODEL FARM, situated in said village, within a mile of the Bathurst Station, containing about 500 acres, the greater part of which has been cleared and under splendid cultivation for many years. The soil varies from a light to a sandy loam, is exceedingly fertile, and has within its bounds considerable deposit of ancient rotted beaver dams, invaluable for top dressing.

This farm is reputed to be far superior to anything else in the Province, and equalled only by few in Canada. It is thoroughly drained, fenced, and watered—water being also carried at high pressure to the farm buildings and dairy. THE MACHINERY IMPLEMENTS AND HARNESS are very considerable, and most complete and of approved patterns.

THE STOCK

presently consists of 26 cows, 16 year calves, 10 spring calves, 23 cattle (several prize breed,) 32 sheep, 12 horses, 1 colt, 17 pigs, 1 prize bred bull.

As an example of what the place is capable of raising, the following is from the crop book: 850 bush. wheat, 1600 bush. oats, 100 bush. barley, 1400 bbls. potatoes, 3600 bbls. turnips and 350 tons hay, besides sundries.

THE DWELLING HOUSE, DAIRY AND BARNS are large, planed in the most approved manner, and in first rate order.

The farm is cropped for the season, is being carried on in the usual way, and therefore ready to be stepped into at an hour's notice, and affords a rare opportunity of acquiring a fine property and a going concern.

The farm and farm appliances will be sold either with or without the stock of cattle and remainder of last year's crop, &c.

ALSO,

THE DEACON FARM

adjoining the above, and cropped in the same manner for the season.

Immediately after which will also be sold, at the store lately occupied by Messrs. Ferguson, Rankin & Co., Bathurst, the STORES, WHARVES AND PREMISES lately occupied by the said firm. Also, the

Double Gang Steam Saw Mill,

with the large and extensive Booms, Wharves, and premises appertaining to them, also lately occupied by the said firm. Those are the largest and most complete premises in the northern section of the Province, and, being situate in one of the best lumber centres, offer the greatest facilities for carrying on an extensive and successful mercantile and lumber business not exceeded in the Province.

Also the commodious and desirable

Residential Property, Outbuildings, and Premises,

beautifully situated in its own ornamental grounds including Flower and Kitchen Gardens and Grazing Land of about 3 acres in extent. These premises are admirably adopted for an Hotel where a successful business would rapidly be attained. For cards to view the House and grounds on morning of sale apply to the undersigned.

Also—THE DWELLING HOUSES and Outhouses and Gardens attached, situate in the said village, and occupied by John Ferguson, Jr., and Alexander R. Ferguson, Esqrs.

SPECIAL NOTICE.

Fredericton Rural Cemetery.

IN consequence of an erroneous impression that burial lots can be procured only by those connected with a certain denomination, the committee hereby inform the public that all classes and sects can purchase lots on equal terms according to location.

This Cemetery is pleasantly situated about one mile from the city on the Woodstock Post road.

Improvements are continually being made and the committee trust in time to have it second to none in the Province.

They are introduced and exhibited by their Trainer,

MR. CARL ANTONY,

Late equery to his Majesty King William, the Appollo and Chesterfield of the Arena. MR. BARNUM also takes pride in announcing as additional attractions to his

The Tattooed Greek Nobleman, whose skin is decorated with 700 different quaint and curious figures, produced by no less than
