A. J. MACIUM, Publisher and Proprietor. FREDERICTON, N. B., NOV. 26, 1892.

HON. A. G. BLAIR ELECTED.

The Hon. Attorney General Blair has been elected by the people of Queens county by a sweeping majority over J. DeV. Neales, who was induced through the efforts of Mr. Pitts and his supporters to oppose Mr. Blair, the victory being an overwhelming one for the Attorney General, every parish in the county giving him a majority.

Table showing returns for Blair, Neales, Ferris, and Woods across various parishes like Brunswick, Cambridge, Canning, etc.

It will be seen from the above figures that Mr. Blair's majority was 892 against a majority of 286 for Mr. Ferris, a month ago. The votes polled numbered 2,274 against 2,222 at the general election, so that the result was not due to any decline in the interest felt by the public.

The day has gone by when the religious cry should be used in this province, and the men who attempt to array creed against creed, merely for personal gain, are men only in name.

LABOUR STRIKES.

Within the last two decades labour strikes have been unusually common. Capital and labour from time to time have come into serious conflict, both sides alternately carrying the day, while the immense losses to business and the immediate community have been incalculable, and the blow falls the heavier upon those the least able to resist it.

The working of the conservative party in St. John will be watched with much interest by outsiders, and unless something very unforeseen should turn up, it looks as if Toryism in the metropolitan constituency has received a blow from which it will take many years to recover.
