WHERE TO BUY.

A FEW REMARKS ABOUT OUR LEADING MERCHANTS.

And What They Have to Offer to Our Readers.

The Greatest Variety—The Lowest Prices. The best satisfaction given at the Establishments mentioned below.

The holiday season has come once more and the good old custom of indicating our friendship and esteem by a present, is one of the greatest enjoyments of the season. It is a custom that affords a great amount of pleasure to those who give as well as to those who receive; and as many of our country readers will have a limited amount of time while in the city, we propose giving them a few hints that may be a great help, and will assist them in getting to the right places to buy their Christmas goods. Starting at the upper or west end of the city we first drop into the large and well stocked grocery store of

Mr. J. W. Tabor, on the corner of King and Westmorland streets.

Here you will find one of the finest lines of groceries in the city; a fact that is fully demonstrated by the large number of persons who deal here. In this establishment you can get everything required in the shape of Xmas groceries, at the lowest prices. Mr. Tabor also carries a fine line of fruit including grapes, oranges, dates, currants and raisins. Also a large stock of Christmas confectionery at prices that will suit you. Don't fail to give him a call while in the city. Leaving Mr. Tabor's we next call at

Mr. J. G. McNally's

variety store. This is one of the largest establishments in the city, and just the place you can get what you want for Xmas. On the main floor of the store a grand display of fancy goods and glassware, delights the eye of the visitor. Here, also, a magnificent line of hanging lamps, table and study lamps, and lamps of every description is shown; large show cases are filled with silver plated goods; an elegant parlor shown in one of the large plate windows is admired by all passers. The price of this suit is only \$35.00, which is wonderfully low. On the second floor a beautiful show of furniture of excellent design and finish is made, including sideboards, chiffoniers, lounges, easy chairs, bedroom sets, etc. On the upper flat is the upholstery department, and reserve stock room. Mr. McNally's stock this year is larger and better assorted than ever before. His goods are all marked in plain figures and all who visit there will be treated handsomely.

We next call at

B. Blackmer's Jewelry Store. Where an elegant line of jewelry, silver ware, watches, clocks, etc., is shown. The stock is selected with great care and the goods are of the best quality. His stock of gold watches for ladies and gents is larger than ever before and will be sold at the lowest prices.

Passing on down we come to

Davis, Staples & Co's. Drug Store. on the corner of Queen and York streets. This is the largest and handsomest establishment of the kind in the city.—The firm carry everything to be found in a first-class drug store, and at this season have an elegant line of toilet and manicure sets, dressing cases etc. in plush and leather. Also a beautiful line of celluloid photo frames and whisk holders. They also carry a complete line of meerschaum and briar pipes, cigar cases, cigarette cases, tobacco pouches, etc., to numerous to mention.

The large dry goods store of

Tennant, Davis, & Co.

opposite the Normal School is the next place to call at. Our city, is noted for its fine stores, and especially is this true of the dry goods houses, and among them this firm takes the lead. The arrangements in the interior of this mammoth establishment cannot be surpassed in the province. The stock embraces every variety of staple and fancy dry goods; the firm being in a position to quote rates that defy competition and supply every demand of their customers.

If any of our readers are in need of a pair of shoes drop in to

A. Lottimer's Shoe Store.

Mr. Lottimer's stock of boots, shoes, rubbers, slippers, moccasins, etc., is the largest in the city. The store is situated on Queen street, directly opposite the Normal School, and has lately been refitted and is second to none in appearance. His windows are tastefully dressed with the finest of footwear, and his stock, which comprises the best goods in the market is sold at prices that cannot be beaten.

Next door below is the establishment of **Mr. John Haslin,** another one of Fredericton's well stocked and equipped dry good stores. Here you can get black, gray and navy astrachan cloths suitable for winter costumes. Ladies furs in storm collars, muffs and boas. Ladies astrachan fur coats; also men and boys wear in underclothing, cloths, collars, cuffs, neck scarfs, mufflers, gloves and hose. Don't forget to call before making your purchases.

The Stone Boot is rapidly coming to the front and establishing for itself the reputation of supplying the best stock at the lowest prices. Mr. Kelly the proprietor is an enterprising and pushing young gentleman, and has fitted up his store in the most modern style. He buys for cash, and can give his customers the benefit of cash discount. His goods are new and his prices low. Call at the nearest little shoe store in city and you will be more than pleased with your bargain. See advertisement on another page.

The leading plumbing establishment in Fredericton is that of

Kitchen & Shea's, opposite post office. Although the youngest firm of the kind in the city, they are the leading one. Besides doing an immense plumbing business and giving employment to a large number of men, they also carry a complete line of tin ware, stoves, etc., all of which they sell at the lowest prices.

Going further down the street we come to a very pretty drug store. We drop in and

C. Fred Chestnut,

who will be pleased to give us his prices on toilet waters, of which he makes a specialty. His stock comprises French, English, German, American and Domestic toilet waters in cut glass, decorated and plain containers, specially designed for the holiday trade. A beautiful line of ladies' toilet cases, shaving sets, hand mirrors, fine toilet brushes, toilet articles, cigar cases, tobacco pouches, pipes, etc., also in stock, Mr. Chestnut carries a complete line of drugs and medicines.

There is another neat little drug store further down on the corner of Queen and Regent streets. Mr. Geo. H. Davis is the proprietor, and a very popular man. His stock is well assorted and kept with the greatest care. The display of holiday goods shows remarkably good taste, as does everything about the premises. Mr. Davis has a beautiful line of dressing cases, manicure sets, shaving sets and toilet articles of every description. Don't fail to give him a call.

Having now called on our leading merchants and satisfied yourselves that the Xmas goods on exhibition in their places of business were just what we represented them, we will now take you up town again to

John Harvey's Photo Studio where you can get photographic work of all kinds superior to anything in the city and equal to anything in Canada. Mr. Harvey occupies a suite of rooms at 164 Queen street, handsomely furnished and decorated with a beautiful display of artistic photographs. He has established a reputation for highly artistic work, and has a steadily increasing trade. When in town don't fail to go to Harvey's.

Ladies American Solid Gold Watches only \$23.50 at Blackmer's.

Ladies 14 k filled Watches guaranteed for 11 years only \$20. Don't forget about Blackmer's big stock for Xmas presents. Blackmer's is the place for Gents Caruncle Rings.

Color of the Eye a Test of Strength.

It is said that the health of the brunette type of eye is, as a rule, superior to that of a blonde type. Black eyes usually indicate good powers of physical endurance. Dark blue eyes are most common in persons of delicate, refined or effeminate nature, and generally show weak health. Light blue, and, much more, gray eyes are most common in the hardy and active. With regard to disease of the eye, brown or dark colored are weaker or more susceptible of injury from various causes, than gray or blue eyes. Light blue eyes are generally the most powerful and next to those are gray. The lighter the pupil the greater and longer continued is the degree of tension the eye can sustain. The majority of first class shots are men whose eyes are either blue or gray in color.

Prices were never so low for Honest Goods, come and learn it Pays to trade with R. Blackmer.

An unequalled assortment and variety to suit all tastes in Watches, Clocks, Jewelry Silverware, Novelties etc., at Blackmer's.

An Attractive Store. An attractive store is that of Nelson Campbell, situated directly opposite the City Hall. Mr. Campbell commenced business at this stand in May, 1886, carrying at that time a line of gents furnishings, along with his present line of boots, shoes and hats. Finding, however, as his business increased, that he was unable even in the spacious store he occupied to keep the variety he wished to have, he decided to do away with gents' furnishings and devote himself entirely to hats, caps and footwear. Studying carefully the wants and requirements of his patrons and customers he has made an enviable reputation for his store for honest goods and fair dealing.

Those who have never made purchases from him should do so, as they are sure to be satisfied with the result.

What York County wants to know is, that the best place in Fredericton to buy Holiday Goods is at Blackmer's. The report that Gilmore's Band was about to disband seems to have arisen from the fact that it is about to be re-organized. The usual number of musicians is about sixty-five; at present there are one hundred, and when the band goes travelling there will be about fifty.

Nobody disappointed up to date who has purchased from R. Blackmer's stock.
