Courts Loyalist and La Tour of St. John are banner courts, having a membership of 125 and 107 respectively. H. C. R. Coleman in his report spoke of the wonderful progress of the order, and amongst other recommendations urged the necessity of limiting the representation from subordinate courts by making the basis fifty members instead of twenty-five as at present. The present membership of the entire order exceeds 38,000 and the cash surplus \$479,000.

An Official Foreman. The "Gleaner" office has within the last week added to its staff by the importation of a new "foreman," brought all the way from British Columbia. To this we have no objection if the individual would confine himself to the duties of his position, but when he undertakes and persists in endeavoring to help help from this office then, we think, it is about time to say halt! Surely the "Gleaner" does not rely upon the GLOBE staff for "help in time of need"—if we believed such to be the case we would be willing perhaps—if approached in a manly way—to render them some assistance. In the meantime we must inform the newly appointed foreman that the GLOBE hands are not to hire.

A GENUINE STRIKE. In which Master Workman Sweeney suffers. BUFFALO, Aug. 25. This forenoon Master Workman Sweeney was surrounded by a crowd of workmen at the corner of Swan and main streets, who demanded that he order a strike from New York to Chicago. Words ensued and a workman named Quinn struck Sweeney a violent blow knocking him down and causing blood to pour from Sweeney's nose. Quinn got his leader's head against a telegraph pole and punched and pounded him until pulled away.

The war against violators of the Scott Act is being vigorously and persistently pressed at Hampton. One illicit dealer has abandoned the business and shipped his stock to St. John. The Star Social Club moonlight excursion which is to come off on the 8th of September promises to be most successful. The committee and members of the club have already disposed of a large number of tickets, and the fifth annual excursion given by this club will be the event of the season. It is rumored around town that some of the residents at Fredrickton Junction were rather amused, Sunday before last, by receiving from the minister who was to preach for them, cards advertising the "Eureka House" Fredrickton, as a first-class house with all modern improvements, low rates, etc. "The better the day the better the deed."

At the regular meeting of the Knights of Pythias held this week it was decided to abandon all idea of holding the annual picnic owing to the lateness of the season. This will be a great disappointment to many who have been looking forward and counting upon going to this picnic, but if reports are true, it seems a few of the Knights are agitating an excursion to St. John to take the place of the picnic. This is a good idea and would no doubt draw a large crowd. In case the plan should materialize the St. John Knights will meet Fredrickton lodge on their arrival there and a grand parade will take place.

Rumor has it that one of our popular young merchants will take a trip to St. John, accompanied by a friend, about the seventh of next month, and will return, bringing with him one of St. John's fair young ladies as a partner for life.

There appears to be considerable rivalry existing at present between the Star Social and the F. O. M. W. Clubs, over the moonlight excursions, which has a tendency to wake the boys up; each club endeavoring to outstrip the other in the way of making their excursion the most successful. Which will succeed remains to be seen. The moon is full on the evening of the 8th.

Sons of England.

The banquet given by the Sons of England in the Church Hall on Monday evening was most successful. The hall was handsomely decorated with bunting, while the tables, laden with all the delicacies of the season, were very tastefully arranged, blooming flowers in great variety setting off the fine display, and reflecting great credit on the lady friends of the society who lent their assistance.

President C. W. Beckwith of Islington lodge presided, President Humble, of Rose of Stanley lodge occupying the seat on his right. Past President F. B. Edgecombe and Vice President H. A. Cropley occupied the seats of honor at the opposite end of the tables. On the left of the president were: Judge Fraser, Rev. Mr. Murray of Stanley, Rev. G. G. Roberts and Rev. Mr. Weddall.

When full justice had been done the edibles, President Beckwith called the assembly to order and proposed the health of the Queen, the Governor General and the bench and bar. The toast to the bench and bar was responded to by Judge Fraser, Messrs Geo. F. Gregory and Geo. W. Allen.

Mr. Robert Ashford then favored the meeting with a song which was very heartily applauded. His Worship Mayor Beckwith then proposed the toast to the Church and Clergy which was responded to by Capt. I. band played Rule Britannia. Mr. Merrill of Stanley then favored the meeting with a song entitled "As good as gold," receiving great applause and singing for an encore "Mr. York." Capt. Howe then proposed the toast to the Mayor and corporation which was ably responded to by His Worship Mayor Beckwith.

Mr. Cannon then sang "We are Comrades," after which His Worship proposed the toast to the Press which was responded to by Mr. H. H. Pitts of the Reporter, Capt. H. A. Cropley, formerly editor of the Capital, Mr. A. J. Machum of the FREDERICTON GLOBE, and A. P. Crockett of the Gleaner, Capt. Cropley then proposed the toast to the ladies, which was responded to by Mr. Humble, of Stanley, Mr. Cannon and Mr. Winslow.

The sister lodges having been proposed were ably responded to by President Neill of St. Andrew's Society, and County Master Pitts of the Orange lodge. Mr. Frank Haviland was next called upon for a song which was well rendered and heartily received. Mr. W. K. Allen then proposed the toast to the medical profession, Dr. G. C. Vanwart surgeon of the order, responding. The Sons of England having been proposed by Mr. Pitts was responded to by President Beckwith and Mr. Parker. Mr. Beckwith gave a very careful history of the order explaining its purpose and its work here and at Stanley.

Mr. D. Thomas recited "The Union Jack" which brought forth rounds of applause. It was appropriate and well delivered. Capt. Cropley in response to the calls for "Kathleen Mavourneen" sang "Cheer boys cheer" in a most enthusiastic style. A vote of thanks having been tendered the ladies who assisted, the meeting broke up with the singing of God Save the Queen.

DIED TO SAVE A BOY.

The Brave Deed of Freight Handler Christian Biggin.

John M. Cahman and Christian Biggin, employed in the Pennsylvania freight yard at Jersey City as freight handlers, were crossing the web of tracks in the yard Wednesday evening, accompanied by two of Cahman's children. Cahman and one of his boys were walking a few feet ahead of Biggin and Cahman's other boy. Suddenly and without warning a locomotive going at a rapid pace backed down upon the party. Biggin realized at once apparently that escape for Cahman's boy and himself was impossible, and uttering a warning shout to the elder Cahman, he seized the boy and threw him bodily with all his strength to one side. Almost simultaneously Biggin was struck by the engine and killed. His body was fearfully mangled.

VIENNA, Aug. 24.—A workman named Pacher met with a horrible fate at Wartberg a few days ago. The man had been engaged in repairing a furnace at the Nagel Iron Works and it is supposed had fallen asleep while inside a flame. Some fellow workmen not knowing that Pacher was inside, bricked up the flue, and soon afterwards a fire was started in the furnace. Two days elapsed, and the relatives of the missing man began to make enquiries. As he had last been seen at work in the furnace it was decided to make a search there. When the flue was opened the man's remains were found distorted and charred beyond recognition. Many of the furnace bricks had been dislodged from their places showing that the man had made desperate efforts to escape.

THE BAPTIST CONVENTION.

Closing Proceedings—Report of the Foreign Mission Band.

At the Baptist Convention at Bridge-town, N. S., on Tuesday evening the report of the treasurer of the Foreign Mission Board was read by Rev. W. J. Stewart and showed the receipts to be \$17,079.22, and the expenditure \$20,399.22, the accounts being overdrawn to the amount of upwards of \$3,000. Rev. Dr. Sawyer presented the report of the ministerial education board, and the receipts for which amounted to \$6.26, and the expenditure, \$684. The committee appointed to estimate the amount needed for denominational purposes for the ensuing year recommended that the amount of \$21,000 be the sum named, exclusive of the funds raised by the W. M. A. S. and the Centennial Memorial Fund. Report adopted.

On Wednesday morning Rev. Dr. Saunders read the reports of the ministerial aid and relief fund. The report stated that fifty persons have made provision in their wills for the payment of sums amounting to \$17,000 to these objects and the minister's annuity fund. Notice of amendment to the constitution in several important particulars was given by the board of management. A lengthy and animated discussion followed, and the reports were adopted. Rev. Dr. Morse read a telegram which was ordered to be sent to the Baptist pastor at Maskinonge, Quebec: "The Baptist Convention of the Maritime Provinces assembled at Bridge-town, N. S., and representing 40,000 Baptists send greeting; go forward in the name of the Lord; our prayer for you is in Eph. 3rd chap., v 14-31." A large number were baptized at Maskinonge on Thursday. The report of the committee on temperance was read by the chairman Rev. J. E. Gonthier. The declarations were strongly favorable to prohibition.

The report of the committee on nomination was read by R. W. H. Warren. The clause in it referring to the nomination of Governors of Acadia University by the Alumni of that institution was severely criticized by Rev. Mr. McNeil, of Chester, N. S. He expressed the opinion that the representatives of the Board of Governors of that institution should be more general and strongly urged that a gentleman in Lunenburg county, N. S., a personal friend of the speaker, should be appointed to the position. A breezy, but kind discussion ensued and the clause was referred back to the committee.

A year ago the convention passed a resolution to the effect that the gentlemen nominated by the Alumni Association of the college must be graduates of at least five years' standing. It was sought this year to have this resolution rescinded and a motion to that effect was introduced. It was very warmly debated and ultimately carried on a vote of 15 to 14. The transaction of some routine business brought the convention to a close.
