COLD WEATHER.—The thermometer was 10° below zero on Monday, morning and 5° below yesterday morning.

WANTED.—A large quantity of snow, to-wit, three inches, at once, in Carleton, Victoria and Madawaska counties.

A STREAM OF TRAFFIC.—It is said that 200 teams passed over the new bridge on the first Saturday it was open for traffic, the 1st inst.

ADVENT MEETING.—Special meetings will be held in the Advent church every evening this week. They will be conducted by Elder Denton.

FORESTERS.—At the meeting of Court Regina, I. O. F., tomorrow evening, will be held the election of officers, a full attendance is requested.

MARKET REPORT.—Hay, \$6; oats, 30c.; potatoes, 75c.; buckwheat meal, \$1; pork, 5½ to 5½c.; butter, 18c.; fresh eggs, which seem to be scarce, 20.

DONATION.—The members of the Jackson-town and Jacksonville Baptist church gave a donation party at the residence of John B. Morgan last evening.

REV. A. G. DOWNEY. of Victoria Corner, has been holding special meetings at Jackson-town. On Sunday he baptised six candidates, and two weeks ago he baptised three.

TROTTERING ON THE ICE.—The horsemen in town have been enjoying driving on the ice on the river the past few days. A temporary track has been made a little below the bridge and the pacers are at it every afternoon.

DANGEROUS.—People on the south side of the bridge are complaining very strongly of the condition of the sidewalk in front of Mr. John Gallagher's. It is not safe to walk on it, by reason of its slanting and icy condition.

HARTLAND CONCERT.—W. T. Kerr of the Hartland school, and his wife, have made preparations for a school concert in Burt's Hall, Hartland, on Friday evening of this week. A good programme well carried out may be expected.

A DONATION for the benefit of Rev. A. H. Hayward will be held at the residence of Mr. D. S. Jones Bristol on Thursday evening 20th inst. All interested friends are cordially invited to attend, and bring their baskets as supper will be provided.

GET OUT YOUR SKATES.—The process of ice making has been going on at the rink the last few days, and Messrs Holyoke Bros., the proprietors, expect to have a fine glare on Monday evening when the formal opening will take place. Skaters are looking forward to having a good time this season. The Woodstock Cornet band will furnish music the opening evening, and on each Monday, Thursday and Saturday evening following. No pains will be spared to make the ice rink the attraction this winter.

A BRAVE BOY.—While the school children were playing on the ice on the river in front of the school house at East Florenceville at noon on Monday a little five year old boy of James Melsac fell through the ice and would have been drowned had it not been for Master Roy Saunders who ran to his assistance and held him by the arm, kept his head above water and called for help for ten minutes, when Master Frank Lovely and Harry Hunter assisted in rescuing the little fellow. Great praise is due Master Roy for his courage in saving his school mate from drowning.

A DOUBLE WEDDING.—On Tuesday night of last week, the house of Luther Dow, was a scene of pleasure. Over one hundred guests were present to witness a double wedding and participate in the festivities of the occasion. John Flight of the B & A. Ry. was married to Miss Amanda Dow, and Clarence Dow of the C. P. Ry. to Miss Lottie Flight. Miss Sadie Johnston and Walter Atherton were bridesmaid and groomsmen for Miss Flight and Mr. Dow. Rev. A. F. Baker performed the ceremony. The customary courtesies of the boys about town was extended to the wedding party in the shape of a wild charivari.

TWO INDUCTIONS.—On Monday the 24th of December at the Oak Mountain Kirk, Richmond, Rev. Thomas Corbett will be inducted into the charge there. Rev. Joseph Barker of Debec will preside and deliver the address to the pastor. Rev. James Whiteside, Woodstock, will preach the sermon and the address to the people will be delivered by Rev. Daniel Fisk of Florenceville. On Wednesday the 9th of January Rev. Mr. Fitzpatrick will be inducted into the charge of the Kincardine Presbyterian church. Rev. Daniel Fisk will preside and address the pastor. Rev. James Pringle, of Pisarino, will address the people and Rev. James Whiteside will preach the sermon.

THE CASH STORE.—A gentleman who might be called the pioneer in the field of the cash store in Carleton county, gave me some idea of the saving under the cash system. "I save," he said, "about six hundred dollars a year in discounts, and as much more in interest, then I save about six hundred that I would otherwise lose in bad debts. Besides, I now need no book keeper and by this I save in the neighborhood of \$700 a year, making in all some \$2,500 I save, that I would not save if I ran a credit business, a large part of which I give to my customers." He also said he had been the means of reducing the prices at stores that were run on the old and popular system, and so had been the means of saving much money, even for those customers who did not buy of him. The number of cash stores in the county is on the increase. THE DISPATCH hears of one store, at least that will be changed from the credit to the cash system in January.

15 Years of Itching.

Wm. Golding, commercial traveller, 30 Esther-st, Toronto, says: For 15 years I suffered untold misery from Itching Piles, sometimes called pin worms. Many and many weeks have I had to lay off the road from this trouble. A Caution! A Warning!

If, on blowing the nose in the morning, lumps and flakes are discharged colored with blood, especially on one side, lose no time in applying a remedy. Catarrh of the very worst kind has become seated, the walls are sore and full of small ulcers, and if not soon cured will be hard to cure and eradicate. "A stitch in time saves nine." Use Chase's Catarrh Cure.

To the Electors of the Town of Woodstock.

In justice to myself and also to the electors and aspiring candidates for Municipal Honours. I beg to announce to you that I shall not offer for re-election for Mayor. Having served you four years as councillor and Mayor and feeling that I have at least tried to serve you faithfully, and as I contemplate some extended change in business that will take my time and attention to make such a success, I desire at present to withdraw from civic affairs. Thanking you one and all for the confidence and support you have always given me as a councillor, and Mayor, I now leave my four years labours in your hands for further consideration. Trusting that whoever takes my place will ever have the interests of the town and county at heart, and labour to that end,
I am respectfully yours,
U. R. HANSON.
