LOCAL TOPICS.

THERE is good skating on "the gully," back of the cemetery.

THERE will be a meeting of Government members (Mock Parliament) at the office of Wm. Dibblee Esq. on Thursday evening 15th inst., at 8 o'clock.

MISS ANNIE H. ROSS of Woodstock in the class of '96 at the University of New Brunswick has been elected treasurer of the Ladies Society of that institution.

THANKSGIVING SUPPER.—The ladies of the Free Christian Baptist church intend holding a Thanksgiving supper on the evening of November 22nd. It is to be hoped that the public will turn out in force.

BOYS BRIGADE.—All people interested in the formation of a Boys Brigade are requested to meet in the W. C. T. U. hall tomorrow evening at 7.30 o'clock, when the first steps in organization will be taken.

A GRAND BENEFIT BALL will be tendered S. S. Street by the members of Woodstock Lodge, No. 523, B. of R. T., in Graham's Opera House, Wednesday evening, Nov. 28. Music will be furnished by Robinson's Orchestra of Houlton.

EXCHANGE OF DUTY.—Rev. Scovill Neales rector of Andover, exchanged duty last Sunday with Rev. Canon Neales. In the morning he conducted service in the Parish church and in the evening preached before a large congregation in St. Lukes.

HIS FIRST VISIT TO ST. JOHN.—There are probably very few grown persons in and around Woodstock who have not in their life time visited the city of St. John. Last week Mr. Charles Baker, who lives on the Connell road, and is almost eighty years of age, started with his wife on his first visit to the great metropolis.

CRYSTAL WEDDING.—Mr. Geo. T. Baird, M. P. P. for Victoria county, and Mrs. Baird celebrated their crystal wedding at their home in Perth on Monday evening. They have been fifteen years married. A large number of invited guests were present, and many handsome presents were given. Vocal and instrumental music was afforded during the evening.

"MAIL CARRIER" writes to THE DISPATCH, stating that somebody has been making a complaint about the letter boxes not being emptied. He says that it would be well if some of the complainants would put stamps on their letters. He claims that the boxes are always emptied according to the instructions in the regulations, and wants to know what anyone has to say to the contrary.

SNEAK THIEVES.—Sneak thieves are getting in their work just now, and it would be well for shop keepers to keep an eye on the goods they have outside as attractions to passersby. The other evening some of these gentlemen stole a thermometer which was hanging out in front of a store on Main street, and also broke into a shed in rear of the store and stole several small articles.

VACANCIES FILLED.—The vacancies in the C. P. R. staff at McAdam Junction occurring from the displacement of Messrs. Haggarty and Simons as a result of the disgraceful racket they got into, have been filled by the appointment of W. G. Spaulding, formerly mechanical superintendent of the C. P. R. works at Brownville, to Mr. Haggarty's place, and of J. Callahan to Mr. Simons' place.

MOORE'S MILL.—An eight inch steel shaft in Moore's saw mill was broken last week, so that it was necessarily closed down. The mill will not be reopened this fall. The shingle mill is still running, happy in the knowledge that the American market at least as far as shingles are concerned is improving. The gentlemen who operate this mill will get out about as much lumber this year as they did last.

UNDER THE VAGRANCY ACT.—Thomas Henderson of Richmond, laid information before Police Magistrate Dibblee against three young men for interfering with him in conduct of his business. The hearing took place on Monday, one young man appeared and settled with Mr. Henderson by paying the costs and part of the expenses. In the case of the other two Mr. Dibblee imposed a fine of ten dollars and costs.

THE VOTERS' LIST.—Mr. A. B. Connell Q. C. revising barrister, has been engaged lately in the preliminary revision of the voters' list. 979 new names have been added and 1016 removed,—a loss of 37. The total number on the list at the last election was 6280, a fair percentage of voters for a population which was stated at the last census (1891) to be 22,529. The final revision will hardly be completed before well on in the month of January.

THE TOWN HAS PAID THE BILL.—The town council has paid \$64.50, the bill presented by the parish of Wilmot, against the town for the keeping, care and medical attendance of Chas. Colter, a resident of the town of Woodstock who was taken ill in Wilmot. This bill had been disputed by some members of the council, but when the parish of Wilmot finally put their case in the hands of a lawyer, the Woodstock council decided that discretion was the better part of valour and ponied up.

ICE SKATING.—There are very few people in town who will regret that roller skating is to be banished, and the rink is to be devoted to ice skating. Roller skating is for countries where they cannot have ice, and is a mighty poor substitute for the real thing. Arrangements are now being made to flood the floor of the rink, and as soon as weather permits, the grand sport and exercise of genuine skating will begin. The parties who have the matter in charge will arrange for three band nights in the week, and during the season several carnivals will be held. Skating will probably be fashionable this winter.

HARTLAND'S TELEPHONE.—The New Brunswick Telephone Company have very properly become convinced that Hartland deserves some consideration at their hands, and are giving her a telephone service. The poles for the line have been put up from the village down to a point near Newburg Junction. It is expected that the line will be open for business in about three weeks. Fred. Keary, of Fredericton, did have the work in charge, but he was called to St. John, and H. V. Dalling now oversees it. Hartland is coming.

PRESENTED WITH A FLAG.—The boys of the band have just received a present from a Woodstock man, now living in Boston, Mr. Geo. J. Raymond. It is a handsome Union Jack, which is to be placed on the top of the new band stand erected this autumn in the county grounds. Mr. Raymond's kind gift is most heartily appreciated by the band. He has taken a practical way of expressing his interest in Woodstock matters. Mr. Raymond is a son of Mr. Mallory Raymond, who will be well remembered by the older residents of town and county.

THE NEW BRIDGE as far as the ninth span, inclusive is finished except for a little paint and fringe of that sort. The tenth and eleventh spans are ready to receive their flooring, and the false work for the twelfth. The last, which is a short girder span, is in place. Since some day last week planks have been strung over the further spans, and it has been possible to walk clear across, quite a number of people came from Grafton over to church by the bridge on Sunday. It has got to be somewhat a thoroughfare already. A Grafton man was seen going home by the bridge yesterday morning carrying some wooden mouldings on his shoulder.

TOWN COUNCIL REFORMS.—At a meeting of the town council on Thursday evening last the committee appointed at Monday's meeting to report on the assessment and representation of the town, reported in favor of the council having the assessment act of the town of Woodstock, so amended that property shall hold for the taxes, so that taxes can be collected from non-residents, that the council have the act for representation to this board so amended that this board shall consist of six members and they to be balloted for by all the ratepayers of the town. The act when so amended to be left to a vote of the ratepayers for ratification. That this council have the several acts of the house of assembly in reference to the town of Woodstock consolidated.

THE TEMPERANCE MEETING under the auspices of the W. C. T. U., in their hall on Monday evening, called out a very satisfactory house. The meeting was opened with prayer by Rev. B. Colpitts. Mrs. R. K. Jones, President of the union, made a carefully addressed, which all the good temperance people enjoyed, after which she introduced Rev. Dr. Chapman. After a solo by Miss Alterton, John B. Morgan B. A. spoke to the audience. A reading by Mr. R. B. Jones followed and then a duet by Miss Alterton and Mrs. R. B. Jones. After a reading by Mrs. C. D. Jordan, Rev. Dr. Chapman dismissed the meeting with a benediction Mrs. R. B. Jones officiated as organist. The collection was a good one, a number of ladies from other unions were present among them being Mrs. G. R. Burt of Hartland.

This is from Portland Me. Charles E. Cushing went to Moosehead lake last Thursday. Today his father, Hon. C. A. Cushing, received a letter from him stating that an ex-convict named Rodgers had stolen from his room in the hotel at Greenville his hunting outfit and \$75. Cushing with landlord and guests captured the man who afterwards drew a revolver, and keeping the crowd at bay fled to the woods taking with him the stolen property. The convict, at last accounts, was still at large.

Church Behavior.

To the Editor of The Dispatch:

SIR,—Do parents know of the conduct of their sons who go to church in this town? If they do not, it is time they did, and they should see that their boys sit in the same seats with them, so that we may have no more such conduct as was last Sunday evening in the Methodist church, when four young men who belong to prominent families in town, behaved themselves in a manner that would be a disgrace to the backwoods let alone a civilized community. If these young men do not conduct themselves better in the future their names will be made public. If they do not want to listen to the discourse let them stay away, and not annoy those who go to church to hear.
