THE FOUNTAIN has been closed down for the winter and the square looks almost desolate on account thereof. However it will gush next summer at the old stand so the town still has something to live for.

ICE RINK.—The rink will be opened next week for ice skating, and it is likely that many persons in Woodstock will go in for this new diversion. Satisfactory arrangements have been made with the band.

A GREAT CONVENTION.—There will be a convention in the R. T. of T. Hall King St. Woodstock on January 3rd at 2 o'clock, to consider the advisability of placing a prohibition candidate in the field in Carleton county at the coming elections.

FIRST TRIP.—Mr. H. N. Atherton, mail carrier, made the through trip with a sleigh for the first time this season, from Woodstock to Long Settlement and back last Wednesday, the 28th inst., in a sleigh, and came to the end of his journey in time.

BOARD OF TRADE.—The regular monthly meeting of the Woodstock Board of Trade will be held on Monday evening next, in the town council chamber. It is particularly requested that every member of the board will make a special effort to be present.

CONSERVATORY OF MUSIC.—Several persons in town have received invitations to attend a grand concert at the Victoria, (B. C.) Conservatory of Music, of which Miss Minnie Sharp is principal. The distinguished visitors of the occasion were Lord and Lady Aberdeen.

MOCK PARLIAMENT.—The regular session will be held as usual on Friday evening next. According to the arrangement whereby the government takes two sessions a month for government business, the bill to amend the Franchise Act, which it is understood implies woman suffrage, will be debated on the second reading.

THE Madawaska County opened on Wednesday last. The only case entered for trial was that of Thibaudeau Bros. & Co. vs. Gilbert Guerrette, which resulted in a verdict for the defendant. The action was brought to recover the amount of an account on a promissory note. J. N. W. Winslow and A. B. Connell, of Woodstock, represented the plaintiffs, and Fred. La Forest defended Mr. Guerrette.

CROSSING ON THE BRIDGE.—Crossing with teams on the new bridge began on Friday last. The first team to pass over carried Messrs. Fred Moore, Sam'l Watts, Wm. F. Dibblee and W. T. Drysdale. Since then teams have been passing at a great number, and the effect must tend to increase the business of the town. There are yet some odds and ends to be done which will delay the completion of the work for a few days.

To Go SOUTH.—It is stated that Robert Connors, the lumberman of St. Francis, together with Mr. W. H. Murray, has left via St. John for an extended tour to a Southern climate. Mr. Connors's health has been failing lately. Mr. Connors was arrested the other day on the charge of resisting two Quebec policemen last May (as before reported in the papers) and gave bonds to appear for trial in March next.

CARLETON DISTRICT LODGE I. O. G. T., will hold its annual session for the election of officers and the transaction of other important business, with Life Line Lodge, Bloomfield, on Tuesday, the 18th inst., commencing at 2 p. m. T. of T.

C. P. R. CONCESSIONS.—Mr. H. A. Connell, in the interest of the Tobique Valley Gypsum Mining and Manufacturing Co., has been having a fight with the C. P. R. on freight rates on the Tobique Valley Railroad. Recently Mr. Connell went to Ottawa and laid his case before the authorities there. It is now said that Mr. Connell, who has gone to St. John, will be accorded concessions by the company, which will allow him to carry on his work at Tobique.

NEW ZEALAND MUTTON.—Mr. Geo. Connell has received a letter from Mr. A. T. Campbell of New Zealand, who in the course of his letter says: When we inquired in England what quantity of mutton they would take, they laughed at the idea that the exports of little New Zealand could affect their market. Two years ago we put more frozen mutton in the London market than all the countries of the rest of the world put together. Now their shops are blocked with our meat.

AT THE TOWN COUNCIL meeting on Monday night the police magistrate's report was handed to the audit committee. The town treasurer's report shows a credit balance at the bank of \$130. On motion of Coun. Dickinson it was voted to purchase 1000 ft.

of wire for lighting Connell St. On motion of Coun. Connor the clerk was instructed to ask the town marshal for the \$75 he has in his hands received from the festive Cook & Whitby fakir. The collections on account of water rates stands \$1000 better than at this time last year. This does not look like hard times.

THE CANADIAN ALMANAC.—THE DISPATCH is in receipt of a copy of the Canadian Almanac for 1895, from Copp, Clark & Co., of Toronto. It is a very complete book, and full through its 300 odd pages of interesting facts. The publishers have been fortunate in securing an article from Dr. J. G. Bourinot on Canadian Parliamentary Procedure. The doctor, who is a world-wide authority on such matters, describes in plain language the work of a session, and tells how our laws are made. Statistics of all the British Colonies and possessions throughout the world are given with a map of the world, showing British Territory shaded. A study of the list shows to what a great and powerful Empire we belong. The statistical and directory portion of the almanac will be found complete, accurate, and up to date. The Canadian Almanac may be obtained from all book-sellers, or from the publishers. Price, in paper covers, 20 cents; in cloth covers, 30 cents.

25 Cents vs. Kidney Trouble.

For 2 years I was dosed, pilled and plastered for weak-back, scalding urine and constipation, without benefit. One box of Chase's Kidney-Liver Pills relieved, 3 boxes cured. R. J. Smith, Toronto.

Mrs. T. McIntosh, Presque Isle; Mrs. Emery, Miss Gibson, of Woodstock, were the first ladies to cross the new bridge.

In an examination of mail clerks recently, Mr. John Watt made 98 out of a possible 100. The examination was impromptu.

Miss Jessie Peabody, who has been visiting Rev. Canon and Mrs. DeVeber, in St. John, for the past few weeks, came home Saturday.

J. Humphrey, the representative of Fairey, Crochford & Co., the big London lumber merchants, is at the Royal, St. John. His visit is with a view to the development of his firm's business with New Brunswick.

15 Years of Itching.

Wm. Golding, commercial traveller, 30 Esther-st, Toronto, says: For 15 years I suffered untold misery from Itching Piles, sometimes called pin worms. Many and many weeks have I had to lay off the road from this trouble. I tried eight other pile ointments and so called remedies with no permanent relief to the intense itching and stinging, which irritated by scratching would bleed and ulcerate. One half a box of Chase's Ointment cured me completely.

Death and Funeral of Henry Parker.

Woodstock was deeply affected by the news received here on Friday last that Henry Parker of Woodstock, had met his death in the C. P. R. yard at Fredericton. He was running the shunting engine and was backing it up, to couple on a car. The man who should have done the coupling had not put in an appearance, and Mr. Parker after giving his locomotive a start toward the car, closed the valve, got out, and ran toward the car to wait for the locomotive when he would perform the coupling. In the act of doing this he was caught just at his stomach, between the locomotive and the car and badly crushed. Blood spouted from his nose and ears. He only lived a few hours. On Saturday his body was brought to his home at Woodstock for interment. The funeral which took place on Sunday at 2 o'clock was largely attended. Revs. J. Blakeney and A. F. Baker conducted the service at the house. On the casket were laid a wreath from the K. of P. and one from the B. of L. F. as well as the deceased's helmet and sword of the K. of P. order. Before the procession left the house the band played "Nearer my God to thee". The procession formed the band leading followed by the Knights of Pythias the Brotherhood of Locomotive Firemen and the Orange Order. Then came the hearse. The pall bearers were Dr. Keirstead, George Britton, John Arnold and Adolphus Darrah who wore the orange regalia. After the mourners coaches came a long line on foot and driving. The whole line moved slowly to the music of The Dead March in Saul. At the grave the K. of P. burial service was conducted by W. B. Nicholson, the B. of L. F. by James Johnston and the L. O. L. service by M. Brewer.

A Caution! A Warning!

If, on blowing the nose in the morning, lumps and flakes are discharged colored with blood, especially on one side, lose no time in applying a remedy. Catarrh of the very worst kind has become seated, the walls are sore and full of small ulcers, and if not soon cured will be hard to cure and eradicate. "A stitch in time saves nine." Use Chase's Catarrh Cure.
