APRIL 10.-An Easter missionary service was held in the Methodist church at McKenzie Corner, under the auspices of the Richmond Auxiliary of the W. M. S. on Sunday evening, 14th. In spite of the uncertainty of the weather and the unfavorable condition of the roads the church, which had been decorated for the occasion, was well filled long before the hour of opening. Miss Effie Kirkpatrick, president of the society, took charge of the programme which was as follows: Singing, "Spring and Easter," scripture reading; prayer; Easter greeting by the children; singing, "The Angel's Mission," reading, "The White Rose," by Miss May Harrou; solo and chorus, "Evangel," by Mrs. C. W. Dickinson; responsive recitation, "The Easter Song," by Winnie Turner and Viola Benn; duet, "The Little Lights," by Ethel Dickinson and Beatrice Benn; exercise, "Many Infallible Proofs," by nine boys; singing, "Tell us the Story of Easter Fair;" recitation, "Easter," by Mrs. J. R. Kirkpatrick; exercise, "Historical Dialogue," by Winnie Turner and Robbie Flemming; singing, "Spices from the Lily Beds," reading, "The Tent," by Miss Mary Flemming; acoustic, "He Lives Once Dead," by fifteen children; singing, "The Risen Christ," by fifteen children; "The Great Famine Cry," by Miss Effie Kirkpatrick; trio, "Speed Away," by Messrs. W. Carson, J. Y. Flemming and B. D. Hoyt; exercise, "Missionary Pennies," by Beatrice Benn, Jay Kirkpatrick and Jimmie Nason; address, by Rev. F. Frizzle; singing, "Adieu;" benediction. The manner in which the children performed their part reflected great credit on those who had the programme in charge. "The Missionary Clock" was especially well rendered. The "Acoustic" by six boys and nine girls, pleased all; particularly the "seed song" rendered by Ethel Dickinson, Annie Pickel, Wilda Henderson, Maggie Nason. The singing, conducted by J. Y. Flemming, was appropriate to the occasion. The solo, "Evangel" and the trio, "Speed Away," deserve special mention. Miss Eva Keizer presided at the organ. The recitations and readings were interesting and delivered in good style. The concert was considered equal to, if not surpassing, those of former years. The collection which was taken at the close of the service amounted to over \$16.

APRIL 19.-A happy event occurred here on Wednesday last, when Miss Addie May Peterson and Harris G. Stackpole were united in marriage. Notwithstanding the state of the roads there were over seventy invited guests present. The marriage ceremony was performed by Rev. Joseph Cahill, assisted by Rev. Mr. Currie. The bride looked sweetly pretty in a costume of cream cashmere with bridal veil and flowers, and was attended by her sister, Miss Mary Peterson, who wore a pretty dress of pink nuns veiling. The groom was ably supported by Mr. Bert Nelson of Bridge-water. The following presents testify of the esteem in which the young couple are held:-China tea set, Mr and Mrs A. M. Bath.

APRIL 15.-Mr. E. W. Seely has resigned his position as traveller for J. M. Humphrey & Co., St. John, and intends entering into business with E. D. N. Phillips. The new firm will be styled Phillips, Seely & Co., it is their intention to enact a commodious building adjacent to the station, and stock it with a full line of goods usually carried in a first class store. Many friends will wish the firm success. The magnificent sum of one dollar has been tendered Leonard Drost by the C. P. R. as a reward for promptly flagging the early morning train one day recently, thereby preventing the train from running into a washout. Had the train not been stopped the probabilities are that a serious accident would have happened, resulting in a loss to the company of many hundred dollars. Messrs. Bohan Bros. are about to start their mill and will be prepared to furnish lumber in all dimensions. It is rumored that the C. P. R. agent has placed his resignation with the company, and intends locating in Hartland, filling the position lately held by Mr. Keith as book-keeper for J. T. G. Carr.

APRIL 22.-The main highway through our village is almost impassable, and greatly obstructed by large quantities of lumber and logs strewn along on either side of the road, and is also a menace to pedestrians. Many places teams cannot pass each other as timber is close to the centre of the road leaving only a passage way. Why does not the supervisor look after this matter. If there is one why does he allow parties to obstruct the highway in such a manner? It should be someone's place to enter a complaint against the owners of such timber, etc., and compel them to have some removed from the confines of the road. Burglars broke into C. E. Gallagher's store either Saturday night or Sunday night, admittance being gained through a window. A car standing close to the building greatly assisted the thieves to gain the window. As yet Mr. Gallagher cannot say how much was taken. In their haste the thieves dropped a pair of pants belonging to a boy's suit, the same being found this morning between the car and the building. Something else was left behind by the thieves, which may serve to bring the guilty parties to justice. J. Tracey is preparing to erect a large hotel. He has a good part of the lumber on the ground, and will commence operations as soon as possible. Many of our young men have gone away on the drive, leaving many sad hearts behind.

Andover.

APRIL 21.-A pretty wedding took place on Thursday afternoon in Trinity church, when David Wetmore Pickett and Miss Bertha Bedell, eldest daughter of Mr. J. W. Bedell, were made man and wife. The groom was supported by his brother, Mr. H. H. Pickett, of St. John, while Miss Emma Bedell, only sister of the bride, was bridesmaid. The church was prettily decorated with potted plants, while a large bell of flowers was suspended by an arch directly over the young couple. Rev. Sewell Neales, the rector of the parish officiated. At exactly 6 o'clock the bride, dressed in white, entered the church leaning on the arm of her father. The church was thronged to the doors with friends of the bride and groom who are very popular. After the ceremony the

guests drove to the home of the bride's father where a sumptuous supper was waiting. Many presents were received by the bride, including a handsome brass clock and two urns of the same from the choir of which the bride is a member. During the evening the 67th Batt. band of which battalion the groom is an officer, serenaded the young couple, playing in front of the house for some time. At 11 o'clock the bride and groom drove to the groom's home at Lower Andover where they will reside.

The annual Easter Monday meeting of the parishioners of Andover parish was held in Trinity church on Easter Monday when the following wardens and vestrymen were duly elected:-

Wardens-John W. Bedell and Wm. B. Hoyt. Vestrymen-A. E. Kupkey, F. N. Welling, Wetmore Pickett, Judson Manzer, Chas Watson, John H. Peet, Maurice Bedell, Robert Wallace, Jas. Scott, Frank Baird, Evans Baird and Stephen Scott. C. LeB. Miles, C. E., and F. Welling, M. D., were elected representatives in Synod and delegates to general committee of D. C. S., with A. E. Kupkey and C. E. Pickett as substitutes.

Bristol.

APRIL 22.-The snow has about all gone and the roads are fast drying up. A very dangerous place in the road about a mile below the village, was caused by a landslide a few days ago and should be attended to at once.

Mr. John Rogers has the contract for repairing the road leading past Dr. Atkinson's which was badly damaged during the late freshet.

Mr. James Bridges, of Gordonsville received a telegram on Saturday stating that his daughter Mrs. T. Estabrooks of Kearney, Michigan, was very ill and not expected to recover. Mr. Bridges started for Michigan on the morning express.

Rev. Dr. Exokos baptized one candidate on Saturday morning, under rather peculiar circumstances. The candidate being an invalid, a large box was filled with water in the house, and into this the immersion took place.

Walter Duffy has opened up his tailoring establishment in Edwin Phillip's building lately occupied by M. A. Tompkins as a shoe shop and Mr. Tompkins has moved into John Kelley's stand.

A ferry much needed here, now as persons wishing to cross have to drive down to Florenceville making the distance about six miles.

The Christian Endeavour society organized here a few weeks ago is increasing largely in membership and interest. The society meets in the hall on Tuesday evenings.

Mr. H. L. Boyer has opened a general store in the building formerly occupied by Mr. F. B. Thomas of Glassville.

Centreville.

APRIL 22.-The mud is drying up fast. People are beginning to move around again, and the farmers are preparing for the spring's work.

Our milliners, Mrs. C. M. Sherwood and Miss L. E. Fitzgerald, had their spring opening last week. The display was quite elaborate and would have been a credit to a much larger place. Mrs. Sherwood's health is not very good, but still with the help of her obliging assistant she manages to supply all her customers.

Mr. Campbell still continues very low. Onslow Miller is now travelling as a horse dentist. He will not be able to do much at that business here, as D. W. Perkins seems to be the popular horse doctor.

Bert Parkins has accepted a position in St. John in a large druggist establishment. He recently came from Newfoundland and worked for a short time with Baird in Woodstock.

Several of the Normal school students were home to spend Easter, greatly to the delight of their relations and friends.

A candy party will be held at Hawkins, Tuesday evening. This will be the first of the season.

Dr. Baker expects to build a large residence this summer.

The special services in the Baptist church still continue. There is to be baptism next Sunday morning.

At present there is no school in the higher grades. Mrs. Harold still continues to teach her department. It would seem as if the trustees were a little remiss in their duty.

A bad road is no matter when there is an attraction at the end of it. I noticed a young gentleman from Connell at church Sunday evening.

Rev. Mr. Blakeney preached in the Baptist church yesterday morning.

The wind is blowing a gale today.

Mr. McKenzie has moved to the Parent building. It is reported that C. M. Sherwood is going to have the place vacated by Mr. McKenzie fixed up and used for some purpose. Just what for the public is not quite decided as yet.

Perth Centre.

APRIL 22.-The weather for the last week has been very fine. It is clear today with heavy southern wind and looks like rain. The roads have been very muddy but it is very good wagoning in town now. Men are at work replanking the carriage bridge here across the St. John river. The freshet did a good deal of damage to the public roads and the railroads causing trains to be delayed. A bridge on the Tobique Valley Ry. at Quaker brook was washed out and a large landslide at Poikiok bluff and several small culverts on the road washed out. The C. P. R. has a large crew of men and a ballast train working on the T. V. R. making repairs and are still at work.

John Wortman who has been very ill is now able to be around.

John E. Stewart who met with an accident while at work in his plaster mill at Quaker Brook is improving, he will soon be able to resume work.

Mr. W. D. Appleby is still very low.

The lumbermen are all to work driving. They report driving very good. Some small parties are out in the Tobique river.

C. A. Hetherington is at work building his new photograph gallery.

Business has been very good considering the bad roads.

Richmond.

APRIL 21.-The ladies of St. John's church intend holding a parlor entertainment at W. H. McIntyre's, Richmond Corner, May 1st, admission, including refreshments, 15 cts.

Notwithstanding the bad roads the Easter concert in the Methodist church at McKenzie Corner was well attended, the church being packed with a well pleased audience.

John McLellan met with a serious accident Saturday evening at Chester Carpenter's barn raising, one of the rafters falling on his head cracking the skull. Dr. Hand was called.

By-Elections.

The by-elections held last Wednesday in Antigonish, N. S.; Quebec West, and Vercheres, P. Q. and Haldimand Ont., resulted in the election of C. F. McIsaac, lib, for Antigonish, 113 majority; Vercheres, Geoffrion, lib, 156 majority; Quebec West, Dobell, ind. con. 7 majority; Haldimand, Hon. W. H. Montigue, con. 673 majority. Antigonish is a gain to the liberals.

To Sharpen Mowing Machines.

A. G. Baker, Victoria Corner, has been appointed the sole agent for the County of Carleton for the Champion Grinder, the latest and most approved machine for sharpening mowing machines and guard plates. Mr. Baker will travel through the county, exhibiting this machine, and will show its practical working to farmers.
