LIBERAL CONVENTION.—A convention of the Liberals of this county will be held in the town hall, at Woodstock, on Monday next, 18th inst., commencing at 2 o'clock. p. m.

BOYS' BRIGADE.—The entertainment of the Boys' Brigade at Graham's Opera House on Tuesday evening of last week was largely attended and passed off very successfully.

I. O. O. F. CHAIR.—S. T. Baker has just finished a very fine chair for the Odd Fellows which is on exhibition in the store of Mrs. S. T. Baker Main St. The workmanship is excellent.

ACCIDENT.—Mr. Buzzell of the Exchange hotel, Houlton, met with a serious accident last Friday. He was leaning on his verandah, when it gave way and he fell to the ground, suffering painful injuries.

WHO KNOWS THE NAME.—Can any readers of THE DISPATCH recall the name of the famous Indian runner mentioned in Mr. Raymond's article, published on another page. If so the information will gladly be received.

SHAMROCK AND ROSE which is to be played in the Opera House on Tuesday evening 19th is not under the auspices of the A. O. H. as was stated in THE DISPATCH last week. In another place reference is made to this excellent drama.

Stephenson on or before Saturday 16th as the society expect to get only such seeds as are required by members. Any person can become a member by payment of one dollar to the secretary C. R. Carman.

THE PROHIBITION meeting which was to have taken place in the town hall on Monday evening, was unfortunately postponed, because it had not been sufficiently advertised. The adjourned meeting will be held in Graham's Opera House on Friday evening next. There will be some prominent speakers. Ladies are especially requested to attend.

BOARD OF TRADE.—There was not a heavy attendance at the meeting of the board of trade on Monday evening, and in view of the nearness of the annual meeting there was no pressing business. Mr. C. B. Churchill was duly elected a new member. The annual meeting will be held on the 10th day of April next, when officers will be elected and other important business will be done.

ALBERT STREET CHURCH.—A series of meetings is being held in the Albert street Baptist church by Rev. A. F. Baker assisted by Rev. Walter M. S. Lowell, of Kennebec, Me. The meetings have been very largely attended. Mr. Lowell is a very convincing preacher, and his singing adds materially to the enthusiasm of the meetings. The meetings will be conducted during the week. All are welcome.

TWO TIMES.—That one system of time would be convenient was amply shown on Monday last. The coroner in the Thompson case was notified that the hands needed from the Gibson train to testify, would be at the town hall at eleven o'clock. He notified the jurors, and at eleven local all the jurors were present. It then, transpired that standard time was meant and those who had gone by local time waited nearly an hour.

PROHIBITION MEETING.—Meetings in the interest of the Prohibition Party will be held—Thursday, 14th inst., at Riverbank and Debec; Friday, 15th inst., at Bath; Saturday, 16th, Pembroke, Lower Woodstock; Tuesday, 19th, Jacksonville; Wednesday, 20th, South Wakefield; Thursday, 21st, Summerfield; Friday, 22nd, Tracy Mills; Saturday, 23rd, Northampton. Some prominent speakers will address the above meetings.

ACCIDENT ON THE B. & A.—About 11 o'clock last Wednesday forenoon, in or near Crystal plantation, the north-bound B. & A. express ran into a load of logs that was crossing the track. Logs and driver (a man about 70 years old) were thrown high in the air. The whole front part of the engine was smashed off, and the fireman injured. The driver of the train is thought to have been injured internally.—Fort Fairfield Beacon.

THE MERCHANTS TO BLAME.—Complaints have been made of the boys loitering around the corners on Sundays, and the Marshall is under instructions to see that they "move on." This is all very well; but there would not be half as many boys loafing around, if the merchants did not leave boxes and packing cases on the sidewalks for them to sit on. The merchants are certainly violating a by-law of the town, whether the boys are or not.

FARM AND DAIRY.—The regular fortnightly meeting of the Farmer's and Dairymen's association was held in the Cedar Hill school house on Monday evening, S. Peabody presiding. A report was received from Jas. Peabody one of the delegates to the meeting of the Provincial Association in Fredericton. The other delegates will give reports at the meeting on the 25th inst. Delegates were elected to attend the organization meeting of the Carleton County Farmers and Dairymen's Association. They are C. L. S. Raymond and C. R. Carman.

DEATH OF MR. MATTHEWS.—A dispatch came to Woodstock on Monday morning announcing the death of Mr. Jesse Matthews, father of Walter Matthews, engineer on the C. P. R. freight between Woodstock and Presque Isle. The deceased died at Hartland, Maine. He was between sixty and seventy years of age. Many people in Woodstock will remember the deceased. He was an engineer and used to run on the steamers between this town and Fredericton, and at one time he was engaged as engineer in Moore's mill.

THE B. & A.—Mr. E. J. Clarke has a good word to say for the Bangor & Aroostook Railway management. He with a party of men and women had gone from Caribou on Wednesday last, on their way to Fort Fairfield. When they got to Fort Fairfield Junction they found the express to be 5 hours late on account of the accident at Crystal Crossing. The four hour stop at the Junction would have been about as pleasant as a stop for that time at McAdam. The officers took compassion on the party, and made up a special and sent them into the Fort flying.

A LOSS TO THE C. P. R.—H. W. Phillips, who has been station agent of the C. P. R. at Woodstock for many years, tendered the company his resignation, to take place on the 30th of this month. In accepting his resignation, Superintendent Stewart expressed on behalf of the company their regrets at his departure, and thanked Mr. Phillips for the faithful and loyal service he had given during the past eighteen years. He wished Mr. Phillips every success for his future. Mr. Phillips and family will move to Boston. It is rumored that Mr. C. D. Jordan will be promoted to the vacant position.

STRICKEN WITH PARALYSIS.—Edward Craig, of Woodstock, was stricken down with paralysis on Saturday afternoon. He had been working in the mill until about 2 o'clock p. m. when he left, because, as he complained, his fingers were numb, and he could not hold his pencil. He laid down on a couch in his house and soon after he fell on the floor from the result of a paralytic stroke. Mrs. T. G. Hoyt who was in the house ran to a neighbour for assistance and they placed him on the couch and sent at once for a physician. Mr. Craig is slightly better today and can speak so as to be understood. Last reports yesterday afternoon were that Mr. Craig is still improving.

STABBING AFFRAY.—A report reached town a day or two ago of a most brutal fight in N. Marquis' lumber camp on the Green River. It was to the effect that, Fred Marquis, the book-keeper at the camp, and Simon Cote, the cook, got into a dispute over some liquor. Shortly afterwards Cote withdrew to the cook room and went to bed. He had been in bed only a few minutes when Marquis entered the room and struck Cote twice on the head with a heavy club. Cote sprang quickly out of bed and seizing Marquis by the throat threw him to the floor. They struggled together for some time and in the course of the struggle Marquis bit Cote's ear and thumb off. He stabbed Cote several times in the body with a jack knife before they were separated. Both were under the influence of liquor at the time. Dr. Main left Edmundston for the camp, which is thirty-five miles distant, but as Cote was sinking very fast it was supposed that he would die before the doctor reached there. Nothing has yet been done towards having Marquis arrested. A more recent report respecting this blood thirsty affair is that the stabbing was not nearly as serious as at first reported.

DEATH OF ROBERT CONNORS.—Mr. Robert Connors, the great lumberman is dead. He had been ill for some time, and several months ago went to Hot Springs, Arkansas. The result was not satisfactory and Mr. Connors died on Saturday last. His remains will be forwarded to his home, Upper St. Francis, Madawaska. Deceased was a Nova Scotian by birth and was about sixty years of age. For many years he carried on lumbering operations on the headwaters of the St. John, cutting largely for himself and for W. H. Murray. At St. Francis he built a large saw mill and then established a regular village for his workmen. He built them fine houses, a church and school house and only recently erected a fine hotel. He was very much interested in the development of that section of the province and when the Temiscouata Railway was built gave them large terminal facilities at St. Francis. Besides his lumbering and milling business he carried on large stream driving operations and frequently was the contractor for the corporation drive. Mr. Connors was never married. Two brothers survive him, and it is believed will inherit his valuable properties. Mr. Connors some years ago made a will and appointed Mr. W. H. Murray his executor.

## Shamrock and Rose.

The Criterion Club of Calais, Me., will produce that ever popular romantic Irish drama, Shamrock and Rose, in Graham's Opera House, on Tuesday evening, March 19th. This club is very highly spoken of by the press in their native city. The following from the St. Croix Courier speaks for itself:

"The local talent which can present so artistic and pleasing an evening's entertainment as was given in the production of 'The Shamrock and Rose' at St. Croix hall on Monday evening last, deserves more than a passing notice."

The drama deals with life in Ireland in the last century. A captain in King George's army seeks to marry the daughter of an Irish squire and has a rival in John Desmond. What he cannot accomplish fairly he seeks to do by intrigue and in a quarrel Capt. Beck murders the squire and for some time fastens the crime on Desmond. Justice asserts herself in the end, the play giving numerous thrilling climaxes.

R. J. McGarrigle carried well the part of Capt. Beck, and Leo. D. Lamond as John Desmond, was an ideal hero. John Rigley was a dignified Squire Fitzgerald and, as portrayed by M. Parcell, it was difficult to realize that a professional was not acting the part. Barney O'Brady the light hearted Irish boy, always appearing at the right minute, was presented by Thos. Woods in an excellent manner and with a dash that carried the hearts of the audience. Lieut. Douglas was well represented by John L. Phelan. Miss Alice Hogan as Rose Fitzgerald made a beautiful heroine and was very graceful in her part. Miss Mae C. Woods as Nano Desmond shared equally the honors with Miss Hogan. The life of the piece was Miss Annie Fitzpatrick as Ileen O'Rourke, the winsome Irish girl. The part she essayed was quite difficult but was presented in an easy manner. Her songs were well sung and her dances received hearty encores from all parts of the hall.

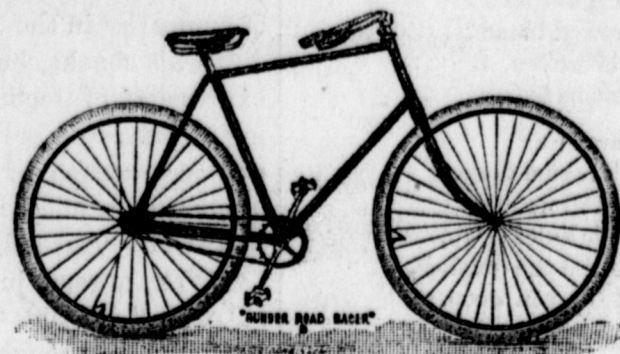

The costumes, brought from Boston, were new and the best ever seen in similar plays in St. Croix hall. Some special scenery was introduced and a detachment of men from the Calais Infantry company lent effect to the production. The specialties which included dances by the young boys Donovan and Quinton were good and everything connected with the play was of high order, no objectionable feature being introduced at any part.

In view of the reputation of this company, it is to be hoped that they will receive a bumper house, which they so richly deserve.

Reserved seats are now on sale at Graham's store.

## Will They Be Generous.

Undoubtedly the French are the most noble and gallant of nations. M. Dieulafoy, who explored the ruins of Susa, was largely assisted by his wife, and the French Academic des Inscriptions elected him to membership. The French government conferred the Legion of Honor upon Madame Dieulafoy, and, in addition, gave her the right to wear men's clothes in public. Could any greater distinction be conferred? Will women, when they are in power, prove so generous to men.—St. John Globe.

C. Donnelly prop. of the popular and well known Windsor Hotel, Alliston, Ont., was troubled for years with Itching Piles. He was persuaded by Jas. McGarvey, Alliston, livery man, to use Chase's Ointment, which he did, was cured, has had no return of them and highly recommends this Ointment as a sovereign cure for Piles.
