The Council of R. T. of T., which was organized over a year ago, is still prospering, new members being added nearly every meeting. The S. C., Ed. Hendry is a hustler, and the members are alive to the interests of the council. Henry Harvey Stuart attended the District Council held at Florenceville, Tuesday 9th inst., as delegate, and returned pleased with his trip and reported temperance work flourishing.

The children of the Mission Band gave their usual Easter concert in the Methodist church last evening, the programme was varied, interesting and well rendered. All present were highly pleased and pronounced it a decided success. Great credit is due Miss Emma Speer, pres., and Miss Jennie Murry, sec. of the band, for their untiring efforts in connection with the work.

Rev. Mr. Todd, assisted by Rev. A. F. Baker, held special services in the Baptist church last week. Rev. Mr. Todd preached in the Baptist church Sunday morning, and Rev. Mr. Potter in the evening.

Mrs. Deakin has been ill for the last few days, I am also sorry to hear that George McFrederick is not able to be around.

Emma, the little daughter of Mr. and Mrs. Henry Dow, died last week after a lingering illness. The family have the sympathy of the community.

Mr. James Arscott of London, Ont., a former resident of this place paid us a flying visit last week.

Mr. S. Arscott, of the firm of S. Arscott & Co., left for London, Ont., Friday 12th inst.

Florenceville.

APRIL 15.—District Council R. T. of T. met in the hall here last Tuesday, but owing to the bad state of the weather was not very well attended. Next District Council will be held at Hartland in July.

Henry Danks and family left here last week to take up his residence in Fort Fairfield.

Dr. Ross will occupy the house vacated by Mr. Danks after May 1st.

The ice ran out of the river yesterday. It is said that it started same day of the month as last year.

A candy party was held in the hall, Good Friday evening, to raise money to purchase an organ. The attendance was not as good as would have been had the roads been good, but the amount raised was satisfactory.

Mrs. Johnston has returned from Sackville where she has spent the winter.

H. Hagerman, principal of York street school, Fredericton, is spending his Easter vacation with his parents here.

A number of the N. school students came up from Fredericton last week to be home on Easter.

Miss Mary Hartt, of Green River, is in town, the guest of Mrs. C. Henderson.

Mrs. W. B. West has gone to Caribou to visit her daughter, Mrs. J. T. Porter.

Mrs. J. R. Graham spent a few days of last week with friends in Andover.

The heavy rains of the past week have made the roads very bad, and as a consequence trade is dull. The water is rising rapidly and preparations are being made for driving.

Mrs. G. Caldwell of Fort Fairfield was in town a few days last week, the guest of her sister, Mrs. Jas. Watson.

Sugar Producing Vermont.

In 1850 the maple sugar production of Vermont was 6,339,357 pounds, and 5997 gallons of syrup. The production steadily increased, until in 1889 it amounted to 14,123,921 pounds and 218,252 valued at \$1,248,856. The improvement in quality has been most marked also for, though there is a great deal of adulterated maple sugar, the makers stoutly maintain that it is adulterated by dealers. The maple sugar bounty was especially designed to stimulate the production; but owing to various causes, many of the makers have not taken advantage of its provisions. There are nearly 15,000 sugar-makers in Vermont alone, and there are probably as many in the other States in which maple sugar is made. The industry therefore, is one of very respectable dimensions.—New England Grocer.

Judge Hale's Default.

The developments in the case of the late Judge Hale, of Foxcroft, Me., showing him to be a defaulter to the town have caused the liveliest sort of a sensation in that section and nothing else is talked about. The high standing of Judge Hale has caused him to be implicitly trusted and the developments of the past few days have been a great shock to the community. It is supposed that the defalcation covers a period of years and it was only when he saw discovery inevitable before him he took his own life rather than face an investigation. During all the years that he was treasurer Judge Hale had never shown the books of the loan account.

The selectmen are now engaged in examining the books. The notes already known to exist now amount to \$140,000. In March, 1894, an order was entered by the voters that the treasurer was not to have the entire control of the floating bonds, which were in the hands of the selectmen and treasurer jointly during the year. Twenty-two thousand dollars' worth of notes were floated without the knowledge of the selectmen. The people invested in this, trusting him implicitly, to evade taxation, although knowing it was illegal. At the last spring election the town voted to liquidate the entire debt in the present year. The debt was but \$1,725, and the defalcation would come out anyway, and this fact caused the suicide.

Today's Elections.

Elections will be held in four constituencies of Canada today. Herewith are given the constituencies and the candidates: Vercheres, F. J. Bissillon, Conservative, and C. A. Geoffrion, Liberal; Quebec West, Messrs. Thos. McGreevey and R. R. Dobell, both independent Conservatives; Haldimand, Dr. Montague, (secretary of state) and Mr. Jeffrey McCarthy, a McCarthyite; Antigonish, Mr. Chisholm, Conservative, and Mr. McIsaac, Liberal.

We are open to buy a large quantity of hides and calf skins for which the highest market prices will be paid. J. D. DICKINSON & SONS.

HURT IN A MILL.—Last Friday a serious accident occurred at Jacob Medman's mill, New Sweden, whereby John Berlin the foreman lost that part of the right foot from the instep down. In passing along the floor he stepped on a slab-saw newly put in, which he had forgotten was located there. A shingle twine was tied around the leg to prevent his bleeding to death, and he was started for Caribou; but after having gone a half-mile the sufferings of the wounded man were such that a dispatch was sent for the doctor, and Berlin was brought back to his home. It occurred at seven o'clock in the morning, and medical aid first reached him at one o'clock p. m. During this time his sufferings can not be described.—Rt. Fairfield Beacon.

Financial Returns.

The financial returns of the Dominion for March are gazetted. They show a fall-off in ordinary revenue of \$1,000,000 compared with March of last year. When the provincial subsidies and other liabilities accruing in June are met the deficit may reach \$6,000,000.

A despatch from Shanghai says that a proclamation, bearing the emperor's name, has been issued, describing the empire as finished and asserting that he is unable to govern any longer and that the officials he trusted are corrupt. It is added that the proclamation has caused great excitement and that there are signs of rebellion.

There is talk to the effect that the Stevens lumber mills now at Salmon River, N. B., may be moved to the Temiscouata country, but nothing definite in that direction has yet been decided on.—Ee.

That is what "man" bargain hunters do, it is distance that lends enchantment to the view of much so called "cheap" Hardware.

Ours, on the contrary, improves on close inspection, you can then see it has a basis of solid merit, who dare say that better Hardware can be bought.

As to Prices, we defy competition, admire opposition, and under no condition will we budge from our position.

Our remarkable mark downs in Hardware are making every patron's tongue talk for us, we are not saying one thing and doing another, but running our words in parallel tracks with our acts.
