Mr. Gill of Northampton, has shown the DISPATCH a wrinkle on bob sleds, which if generally adopted will do away with much of the badness of winter roads. It is a contrivance to prevent the front end of the sled from scooping the loose snow up in hillocks and making the thank-you-nams with which country roads are filled.

THE NEW PROBATE ACT passed by the Local House provides that the fees hitherto paid to the Judge and Registrar of Probate shall be paid by stamps. The Probate fees shall be paid as heretofore in cash. THE PROHIBITION CONVENTION.—Friday at Florenceville was important. Louis E. Young, Woodstock, accepted the nomination which had been offered him in the Convention at Centreville on the previous week. He resigned his position as president of the Convention, and J. K. Flemming was elected in his stead. Arrangement was made for a number of public meetings to be held this week. The meeting in the Baptist Church in the evening after the Convention, was well attended. Addresses were made by L. E. Young, J. K. Flemming and James Sloan.

MRS. J. W. NOBLE, of Boston, formerly Miss Maria Sharp, died at her home in Boston on Friday, the 1st of March. Her husband brought her remains to Woodstock on Monday the 4th, and they were interred in the cemetery at Grafton beside those of her father and sister. Some of the dealers in Faneuil Hall market, where Mr. Noble occupies a position, laid a very beautiful wreath of flowers on the casket. Mrs. Noble had many sincere friends in this place who will be grieved to learn of her death.

THE CINDERELLA BALL in Graham's Opera House on Tuesday evening last was a pleasant blow out. Everybody seemed desirous of putting in the last hours before lent to good advantage, and everything went merrily. The orchestra failed to materialize, but the absence was hardly noticed. The ladies kindly took turns at the piano, and they played as well as they danced, which is saying a good deal, considering how well the Woodstock ladies do dance. The thirteen dances on the programme were duly performed and a couple of extras indulged in. The hall was cleared out before twelve, and everyone was at home, or should have been.

LECTURE ON JAPAN.—On Friday evening last, the most interesting lecture delivered in Woodstock for a long time, was given in the Parish Hall by the Rev. J. Cooper Robinson of Japan. Mr. Robinson has had six years experience in the "Land of the rising sun" as missionary and is pretty well up in the manners and customs of the people. The lecture was illustrated by lime light views which were very interesting and suggestive. After the address a touching appeal was made by Mr. Robinson for more missionaries, as there are only eleven Christian workers to 40,000 people in Japan. There was a very large attendance and everyone present was deeply impressed with the lecture.

SOCIAL.—A very successful social was held on Saturday night by Court Peguig I.O.F., at Jacksonville Corner. Speeches were made by Bros. Harding, Jas. Good and Andrews on the good of the order, and J. A. Lindsay of Woodstock spoke of the work done by the I. O. F. during 1894. Increase of members, 14,947. There had been paid during the year: Death claims, \$419,548; sick benefits, \$68,830; funeral benefits, \$6,200. After paying all claims there had been added to the reserve this year the sum of \$326,368, making the reserve January, 1895, \$1,200,000. During the evening oysters were served in Capt. Harding's best style, and three gentlemen were said to have eaten six stews or more. The meeting closed by singing the National Anthem, after a very pleasant time.

AMONG THE CHECKER PLAYERS.—For many years Woodstock has possessed the very best checker players to be found in the Province. Nearly 20 years ago Simon McLeod, now of Northumberland Co. was acknowledged to be champion of the town, and some of those players who met him then, in friendly contest, play the good old game yet. Wellington ward is a hot-bed for checker players, possessing as it does over 20 gentlemen who know how to play the game as it should be played. A series of games for the championship of town will commence this week, Mered Brewer and William McLement being the contestants. John P. Maloney has left the order at H. V. Dalling's Jewellery store, for a very handsome silver medal. On one side will be inscribed: "Presented by Woodstock checker players for championship of town, 1895;" on the reverse side, a checker board, with the names of the winners. The player, to own the medal, must win it three times, or have it in his possession three months after a victory with out a challenger putting in an appearance. Messrs. Brewer and McLement will play five evenings, 3 games each evening.
