A Peel Burglary.

J. K. Fleming's store in the station house at Peel was burglarized on Wednesday night. The safe was broken into and the contents, amounting to twenty-five dollars, taken. A suit of clothes, ladies' wrap and other goods were also purloined. The post office kept in the same building was robbed of all the stamps, and the letters were all opened. The burglary was evidently deliberately planned, and was well executed. The only clue to the miscreants is a pair of shoes which were left in exchange for a new pair.

Deputy Sheriff Foster is after the burglars but so far no definite clue has been reached.

Too Much of An Ad.

WINNIPEG, MAN., JULY 28.—The Free Press recently gave Thos. James, a city butcher, a free advertisement, alleging that the sausages sold by him were manufactured from the carcasses of deceased cats. Now Mr. James brings suit for libel. The evidence is likely to be interesting, though not likely to make sausages popular as a diet.

Heed the Warning.

The common and ever present warning of kidney trouble, back ache and weakness in back, are quickly relieved by Dr. Chase's Pills. The original and only 25 cents Kidney-Liver Pills. When all other remedies fail, they cure.

Speaking of Secretary Gresham's death, Chancey M. Depew says of overwork: "I have learned from observation that three things surely happen to a man who works steadily without relaxation. In the first place, he becomes nervous, irritable, and hard to get along with. In the second place, the grade of his work falls off, and he is liable to err in his judgement. In the third place, he dies suddenly. It is an incontrovertible law of Nature."

This is Concentration.

One pill a dose, one box 25 cents. One pill relieves constipation. One box cures an ordinary case. One pill taken weekly neutralizes formation of uric acid in the blood and prevents Bright's Kidney disease and Diabetes. True only of Dr. Chase's Kidney-Liver Pills.

McGarvey, Alliston, livery man, to use Chase's Ointment, which he did, was cured, has had no return of them and highly recommends this Ointment as a sovereign cure for Piles.
