REASON.

We bought too heavy. The late winter weather and condition of the market leaves us by far too much surplus stock. Hence better to sacrifice part for cash than hold. We've built our business upon honest methods and in this we represent only what can and are prepared to do.

CONDITIONS.

Whatever you buy, if after you take it home, and for any reason you are dissatisfied with your purchase, or goods are not as represented, bring them back. We'll cheerfully refund your money.
