WILL HE GO OR STAY?—The Chinaman who has recently opened a laundry in town was cited to appear before the police magistrate on Monday and show why he should not pay the license which the town council demanded. The case was adjourned until Wednesday in order to allow the town council to deal with the matter.

SUMMONED TO OTTAWA.—John E. Stewart, of Andover, formerly president of Tob. Val. R. Co., has been summoned to appear before committee at Ottawa the first week in July, re investigation Tobique Valley, in reference to certain contractors who obtained money under false pretenses, making the government believe the road was finished when it was not.

GOOD HORSES.—Mr. Thomas Giberson, one of our wealthy farmers, called at the custom house with a fine span of young horses. They were beauties, standing 16½ hands high, sorrel with white stripes in faces. They would make a splendid coach team, but Mr. Giberson does not think they are too good for farm work. They were raised in Carleton Co., N. B.—*Ft. Fairfield Leader.*

AN ENTERTAINMENT consisting of two plays entitled "Ici on Parle Français," and "A Game of Cards" by amateur talent; besides a May pole dance and instrumental and vocal selections, will be given by the young people of St. Luke's Church Woodstock, in Graham's Opera House, on July 10th. CATHOLIC PICNIC.—On Wednesday, 3rd of July, the Catholics of Williamstown will hold a picnic on the grounds near the church. This is a beautiful spot for a gathering, only a mile from Lakeville, and a very large crowd is expected to be present. A brass band will furnish music, and all the usual amusements will be available. The proceeds will be used on the St. Bonaventure church.

HARTLAND WATERWORKS.—Mr. D. Munro superintendent of waterworks has been in Hartland looking after the system which it is proposed to put in that village. He explained to THE DISPATCH that the supply is to be taken from a spring, and will be carried 1300 feet through a 2-inch iron pipe to a reservoir with a capacity of 200,000 gallons. The source from which the water is derived is about 200 feet above the level of the village. From the reservoir the water will be carried 4800 wrought iron pipe which will strike the village at its upper end near W. E. Thistle's

drug store. It will be carried 1300 feet down the road, as far as Mrs. Sedgfield Shaw's house. There will be eight hydrants in all, and the reservoir will give about forty-five pounds pressure sufficient to throw water over the highest building in Hartland.

METHODIST NEWS.—At the meeting of the Methodist Conference in Marysville last week, the stationing committee submitted a report, subject to the approval of conference. The Woodstock district has the following ministers with their charges: Woodstock, C. Chapman, D. D.; Canterbury, H. Harrison, A. B.; Jacksonville, T. L. Williams; Hartland, W. E. S.; Richmond, Frank Frizzle; Florenceville, W. I. Kirby; Andover and Arthurville, W. R. Pepper; Upper Kent, A. E. LePage.

DEATH OF D. H. TAPLEY.—The sad news of the death of Holly Tapley, son of David Tapley, track master of the C. P. R., was made known in Woodstock on Sunday morning. He had been sick with consumption for some time and it was known that he could not live, but his death was none the less a severe shock to his father and mother. The funeral took place on Monday at 3 o'clock. The pall bearers were Stanley C. Neales, Frank Hull, Norman Loane and Irvine Dibblee. Rev. Archdeacon Neales conducted the funeral services. The funeral was largely attended.

THE LUMBER BUSINESS.—The plan to amalgamate the Maine and New Brunswick lumbermen into a joint stock company for the management of a commission house in New York to handle the output will not be consummated this year. It is thought the idea will be worked out this winter and that all details will be completed by next spring. It is believed the formation of a joint stock company controlled by the manufacturers will put an end to ruinous competition, high commissions, and a system of inspection, or culling, which in many cases is declared to be simple robbery.—*St. John Globe.*

TRAIN CHANGES.—The new train service which went into effect on Monday, will be found in another column. It will be seen that two trains leave daily for St. John, St. Stephen and St. Andrews, two returning daily from the same places. A business man can now go to St. John and back in one day, having a short stay in the metropolis. Before this, one could not go down to Canterbury and back in the same day. There is no all night train under the new arrangement. The noon express arrives at one o'clock, local. The up river service is satisfactory. Altogether the change is acceptable.

RECTOR OF AUBURN ME.—Rev. Hudson Sawyer, who has many friends through the county, succeeds the late Canon Washburn as rector of the church of the Heavenly Rest in Auburn, and preached his first sermon there on Sunday last. Mr. Sawyer was formerly rector of the church of the Good Shepherd, (which he built) in this town. About three years ago his health gave way and he went to Kansas. His health has greatly improved but the climate of Kansas has disagreed with his wife. About three weeks before Mr. Washburn's death, Mr. Sawyer wrote a letter to Bishop Neely asking if there was not a chance for him to return to Maine. At that time there was no vacancy in the diocese, but on Mr. Washburn's death the bishop appointed Mr. Sawyer.—*Houlton Times.*
