

## LOCAL TOPICS.

JOHN McFARLANE is moving from Queen street to his new residence in Wellington ward.

PLATE GLASS is all the rage in town now. Everett's block is entirely filled with it. On Monday it was put in B. Lynch's store.

THE FIRE COMMITTEE of the town council is authorized to put a stove, and one electric light in No. 2 station house, lower corner.

A SEWER will be laid so as to carry the surface water from the upper part of Connell street, provided the right of way can be obtained.

THE DRIVE.—Fred Moore has 64 men and 6 pair of horses at Bristol looking after the corporation drive. The river is all clear above that point.

THE ASPHALT and tar which should have been put on the streets this season, but was not, has been safely stored in Graham's store house for the winter.

EDGAR LONG of Long Settlement raised two turkeys this summer weighing 13 pounds and one 14 pounds. They are at H. N. Atherton's stable in Woodstock.

ALL WOOD piles, wagons, vehicles of any kind, and other encumbrances are to be removed from the sidewalks of the town, under instruction of the street committee.

THE WOODSTOCK DEANERY met yesterday at East Florenceville. The preacher was Rev. E. W. Simonson of Temperancevale. Meetings will continue and conclude today.

A 10c. CIGAR FOR 5c.—The Famous Stonewall Jackson cigar Havana filled and strictly hand made has by far the largest sale of any cigar in the Dominion for sale by Garden Bros. Druggists.

FACTS WORTH KNOWING.—Stonewall Jackson cigar has been on the market for one quarter of a century with sales continually on the increase. Merit will tell. For sale by Garden Bros. Druggist.

L. T. BLUE LODGE.—The members of the Loyal True Blue Lodge, Woodstock, are notified that the lodge meets on the second and fourth Thursday in the month, instead of the third Thursday as formerly.

HOWARD B. PALMER, Spragues Mill, Me., raised 1500 bbls. of potatoes on 17 acres of land this year. This would be a good crop in any year and is phenomenal in this present year of a perfectly rotten potato crop generally.

CEDAR HILL ASSOCIATION P. of I. met at district school house and transacted such business as came up. The next meeting will be on Thursday Nov. 7th at 7.30 p. m. to arrange for a public meeting in the interest of the patrons.

A MEETING of the Amateur Athletic Association will be held on Friday evening in the Press office. The idea of this association is exceedingly popular, and a large attendance of those interested in its welfare is looked for at Friday's meeting.

WHERE IS HE?—Bert Taylor aged 14 years of Newburg, left home on Monday morning and has not been heard from since. He is supposed to have departed with the intention of seeking his fortune abroad. He had only 50 cents in his pocket.

ELDER J. FRANKLIN BROWNE of Findlay Ohio, will commence a series of meetings in the Advent Chapel on Thursday evening next and continue over next Sunday and onward as interest may demand. A cordial invitation is extended to all to attend these services.

AN U. S. CONSULAR agency has been established at Edmundston, and Levite Theriault has the appointment. The agency will be under the Woodstock consularship. The establishment of the new agency is due to the exertions of Grenville James the American consul here.

UNDER THE WHEEL.—A sad affair happened in town last week. W. P. Mahany's little son and the idol of his life was riding on the front of a load of potatoes when one of the barrels moved forward, throwing the child off and under the wheel killing him almost instantly.—Blaine Corr. to Ft. Fairfield Beacon.

PRESENCE OF MIND.—On Saturday evening accidentally a lamp was overturned into a box of ribbons, in Mrs. M. C. Perry's millinery rooms. What might have caused a most disastrous fire was averted by the presence of mind, of one of the young ladies, who promptly threw a rug over the box, and smothered the flames.—Ft. Fairfield Leader.

WORK HAS ceased for the present on the mining property of the Northern New Brunswick Mining Co. on the Tobique. It has been found necessary to close up owing to the winter. Those who have been working there say that the prospect is exceedingly good, and there is no doubt but that the precious ore can be got out in paying quantities.

THERE is a decidedly strong feeling in favor of starting the debating club this autumn. Opinion is divided as to whether it should be confined to a debating club pure and simple, or branch out into a mock parliament. It is proposed to form a provincial parliament, and also, some evenings to resolve into a mock town council. A good winter's work may be looked forward to.

GEO. W. ALLEN of Upper Hainesville lost his dwelling house and contents last Friday morning. He is a section man on the Woodstock branch of the C. P. R., and at five o'clock that morning he was up with a sick child and put on a fire in his hall stove. An hour afterwards he woke up to find his house on fire, and only escaped with his family. All he had was lost. No insurance.—Ft. Herald.

JONATHAN BRIDGES, son of James Bridges, Gordonsville and Miss Jane E. Estabrooks daughter of Samuel N. Estabrooks Rockland, were married at Rockland last Wednesday. The ceremony was performed by Rev. H. D. Warden of the Baptist Church. Mr. Bridges has been buying produce for D. L. Pitt at Woodstock for some time and has many friends here. He is a prominent orangeman.

THE BIBLE CLASS in connection with the Baptist Young People's Union of the Albert Street Church met in the Church on the last two Monday evenings. At the last meeting there were about 75 present. The lesson, which was taught by Rev. J. H. McDonald, was on "Adam: Sin and first gleams of deliverance." These lessons are becoming popular. Mr. McDonald's Sunday evening sermons will follow the line of the lessons.

C. M. SHERWOOD & BROTHER have taken the store on Main St. recently occupied by the late Wm. Stephenson, and have fitted it up in most modern style. Through a fine plate glass front one can see that they carry a large and clean stock of groceries that look unusually inviting. They intend to run a strictly cash business. They are opening a big stock of seasonable goods which they will sell at reasonable prices. Give them a call.

PARLOR CONCERT.—The Christian Endeavor of the F. C. B. church held a parlor concert at the residence of D. A. Grant on Monday evening. A very large number of people were present. The illness of Mrs. Grant, who is a grand hostess, somewhat marred the pleasure of the evening, but yet all hands had a good time. The programme of vocal and instrumental music and recitations was a treat. Refreshments were served.

ST. GERTRUDE'S temperance society starts out this season with a good membership and excellent prospects. STRAYED AWAY.—Chas. Tabor, a weak minded young man wandered from his home with Samuel Stephenson, on the Houlton road, on Monday week last. He was last seen on Smith's island. The impression is that he has fallen into the river and been drowned. Last Sunday a number of citizens organized a searching party, scoured the island and the woods below town, but no sign of the missing youth could be found. The report that his body had been found in Bedell's cove is not confirmed.

WEDDING RECEPTION.—Dr. Ernest Kirkpatrick, nephew of Dr. A. H. Henderson, was married on Wednesday last, at Woodstock, New Brunswick, Canada, to Miss Edith Porter, and paid Philadelphia a visit on their wedding trip Saturday. A reception was tendered them on Saturday evening by Dr. and Mrs. Henderson, at 1320 Vine street, where quite a large company assembled. There was some excellent singing and music during the evening by the Breakfast Association choir, and refreshments served. The doctor was a graduate of the class of '91, Pennsylvania Dental College, and was very popular among his fellow students. He is doing splendidly at Woodstock in his practice. He leaves the city today for his home.—Philadelphia Evening Star.

THE CIRCUIT COURT got through its business on Friday evening last. Mr. Justice Landry who presided, made an excellent impression on the legal luminaries, and others who had dealings at the court. The case of Tompkins vs. Boyer was settled out of court. Some slight interest was taken in the case of Shephard vs. House, an action for the alienation of a wife's affections. In this case Fisher & A. B. Connell were for the plaintiff and Hartley & Carvell for the defence. It occupied some time, and the jury deliberated three hours before reaching a verdict. When they did arrive at a decision it was to award the plaintiff the sum of \$1.00 and costs. In the two criminal cases, S. B. Appleby prosecuting, both the accused were found guilty. The judge sentenced Rideout, for assaulting a constable, to 15 days in gaol; McQuarrie, for stealing a watch, two months in gaol.

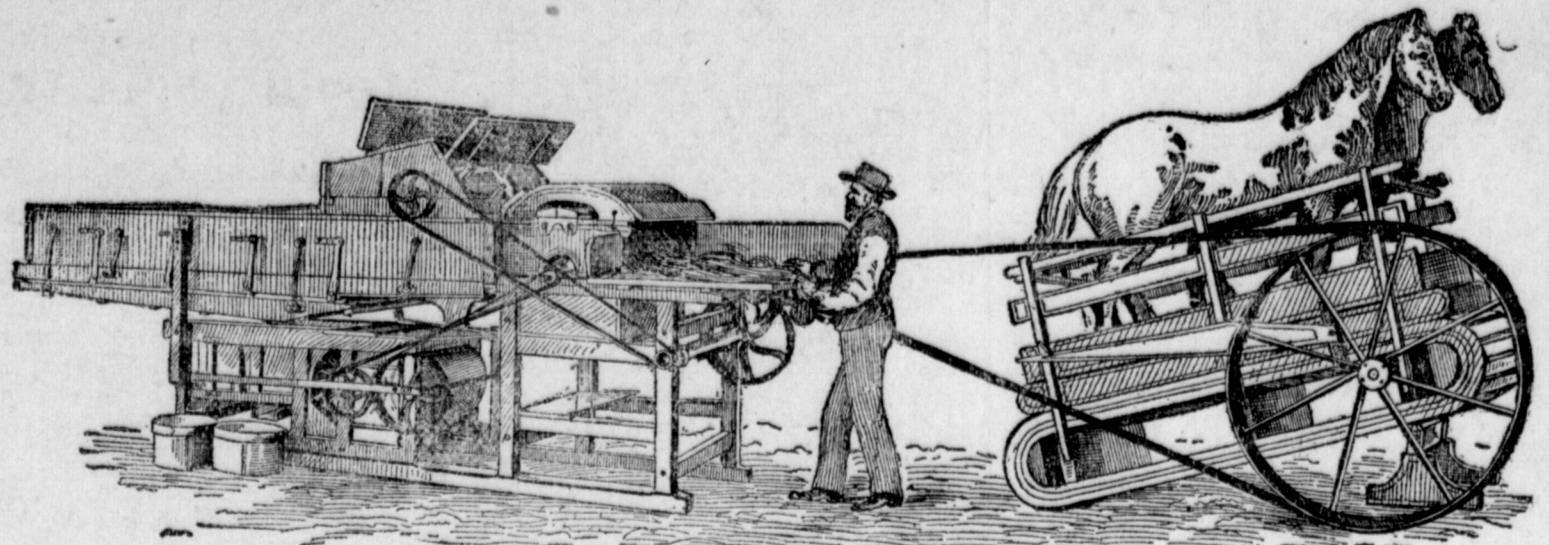

KIRKNESS NOTES.—Drills for this grand panorama of nations are now being organized and children and misses of different ages are desired. The children's carnival introducing the most artistic repertory of England's May day festivities, will be perhaps the crowning event of the whole affair and from fifty to seventy-five little tots are desired to figure in this beautiful and aesthetic concert. The nations represented will be, Greece, Italy, England, Scotland, Spain, America, France, Canada and Japan, and each will vie with the other in beauty and grandeur. Greece will present an exquisite array, and will close with classical living pictures such as "The Sacrifice of Iphigenia," "The Tribute to the Minotaur," "Orpheus and Eurydice," "Battle between the Gauls and Romans," "Offering to Cupid," "Abduction of Helen of Troy"—etc, thus proving educative, and one of the choicest forms of art. The amateur athletic association earnestly solicits the aid of Woodstock in this beautiful program. Call on Miss Hudson at Connell's hall. All training free.
