

“Chewing the Cud of Sweet and Bitter Fancy.”---Shakespeare.

How could one chew it without a Good Set of **TEETH**? Have you such a set? If not call at the **SIGN OF THE BIG TOOTH.**

Dr. Manzer, being pressed by a great rush of business, found it necessary to send to Boston for an assistant. He has secured the services of a celebrated Boston Specialist in the line of Artificial Teeth, and now he is in a position to devote professional attention to any number of patients who may call.

NOW IS YOUR TIME

To have your work done Cheaply.

If you need your Teeth Extracted and an Artificial Set made, I will extract either all the upper or all the lower teeth and make you

One Perfect Set of Artificial Teeth for \$12,

Of which **\$3** must be deposited on the performance of the first operation. Or, I will extract both your upper and your lower teeth, and make you

Two Perfect Sets of Artificial Teeth for \$20,

Of which **\$5** must be paid on the performance of the first operation. If your teeth have already been extracted I will make you an Artificial Set at

FROM \$10 TO \$12.

Remember, under this offer you must leave your order on or before the **4TH JUNE, 1896.** These prices are away down, and the work will be the best possible to get. You will never see such prices again.

ITDONT HURT

Or **GAS** used in extracting, as the patient may wish. Only the very best quality of materials used in all operations, and a guarantee for five years given on all work done.

Crown and Bridge Work a Specialty.

New Platina and Enamel Fillings.

Extractions will NOT be Painful.

Our instruments are the best, and our skill has been acquired after long and careful study and practice. See the magnificent interior of our offices.
