At a meeting of the town council on Monday evening, it was decided to charge the Home Comfort Range Co. a license of \$5 a day; the merry-go-round \$5 a week. The contract for building a sidewalk from the crossing on Main and Grover streets, to the top of the hill above town was let to Chas. Trafton.

A WEDDING in which many people in the county are interested took place at Richmond on Tuesday the 30th inst., when Miss Mary J. Dalling was married to Mr. H. N. Jameson, Rev. Mr. Miller officiating. There were from 75 to 80 guests present, and there were a number of pretty and useful gifts made to the bride.

BICYCLING CLUB.—As many of the members of the club as are desirous of attending the Lawn Party at the residence of J. J. Bedell, this evening, are requested to meet at Balmain Bros office at six o'clock when they will ride down to the party for supper. A good gathering is requested as this will be a pleasant affair.

Y. M. C. A.—There will be a meeting for the purpose of organizing the Y. M. C. A. on Monday 13th inst., at 8 p. m. in Graham's Opera House. All interested are requested to attend. Mayor Saunders will preside. The need of this organization in the town is manifest, and every good thinking citizen will be glad to see the organization completed. A gymnasium and reading room in connection with the Y. M. C. A. is one of the probabilities.

Carleton County Royal Scarlet Chapter has decided to celebrate the coming 12th July by religious service in the Reformed Baptist church of this town. Rev. J. B. Morgan, of Jacksonville, will preach an appropriate sermon for the occasion. All members of the Orange order, Royal True Blues and Prentice Boys, are cordially invited to be present. Meet at the Orange Hall at 10 o'clock a. m., in uniform. Service at 11 o'clock a. m. Committee: S. H. Clark, T. H. McKenna.

SATISFACTORY.—After his sermon on Sunday morning Archdeacon Neales made a brief reference to the meetings of the Synod and D. C. S. just closed. He said that the meetings were most satisfactory. For the first time in many years there was reported an increase in the contributions to home missions, while the reports from all the parishes were most satisfactory. Rev. C. E. Maimann, missionary at New Denmark, assisted at the morning service, and in the evening addressed the congregation on the work in his mission. He was listened to with much interest and attention.

LEWIS BREWER of Upper Woodstock, while driving some evenings ago was thrown from his wagon, and sustained several injuries, including a fracture, which confines him to the house.

HOULTON RACES.—In the races at Houlton on the 4th, Sagwa, owned and driven by Geo. Saunders, Woodstock, won the 2.27 class in three straight heats, best time 2.28. Sagwa lowered the track record and reduced his own record by 1/4 seconds. Milton C., who won the 27 class in Woodstock on the first came in second. In the 50 class Roy, owned by Wheelden, Bangor, won. In the 37 class Amberline won.

THE EXCURSION to Houlton on the 4th was patronized by 287 passengers from Woodstock and vicinity. The firemen and band were in uniform. They were met at the Houlton station and taken to the park where they formed in the procession. The procession was a most successful affair, taking an hour and a half to pass a given point. It dispersed on the square. After dinner three bands marched to the park where the races were witnessed. The excursionists returned at midnight.

MISSION in connection with St. Gertrude's church was opened on Sunday morning by Rev. Father O'Brien S. J. On Monday his fellow missionary, Rev. Father Devine, S. J. arrived. They are eloquent and forcible preachers and large congregations attend the services which will continue during the week. The services are as follows; 5 and 8 o'clock a. m. masses with instructions, 3 o'clock p. m. devotion and addresses; 7.30 p. m. devotion and sermon. Owing to the fame of visiting clergy, the attendance may be expected to increase every day.

MISSSES LUCY LEIGHTON and George Aughterton, left town at six o'clock a few days ago on their wheels rode to Centreville in two hours and a half. After dinner they went to Florenceville, then down to Hartland, across to Victoria Corner, out to Rosedale, Waterville, Jacksonville and home. They made 60 miles during the day. On their down trip they had a very high wind to contend with and considering this they made excellent time and a good day's run. They were met at Jacksonville by a body guard who accompanied them home.

T. S. DENT & SON, the celebrated Woodstock bakers, have just received and are putting in place in their bake shop, a dough mixer and kneader. It will mix two barrels of flour in fifteen minutes, a work that takes about an hour and a quarter by hand. The machine may be worked either by hand or power. In placing the machine in position the proprietors are making other extensive improvements in the shop. The machine is a first-class one and will improve the quality of the bread turned out of this establishment. The dough will be mixed cleanly, uniformly and efficiently, and the results will be good.

THE RESIDENCE of Mr. Levi Sherwood at Avondale was the scene of a very pleasant affair on the afternoon of the 24th ult., when his eldest daughter Alice was joined in marriage to Mr. Frank Shaw of Wakefield. Miss Nellie Fripp of Woodstock acted as bridesmaid while the groom was supported by Mr. Burrel Britton of Wakefield. Quite a number of the immediate friends and relatives of the contracting parties were present and shared both in the general good time and sumptuous tea which was spread at six o'clock. Many handsome and valuable gifts were received by the bride. Early in the evening the happy couple left amid copious showers of rice for their future home at Wakefield.

A HOT TIME.—The sewer committee struck a decided snag the other day. Owing to someone's blunder, Connell Bros. foundry was completely shut out from access. The whole street was staked off, and anyone who wanted a mowing machine had to look in vain for access to Connell's foundry. Now, when all this came to the knowledge of the proprietor of the foundry he was very wroth. He came up town with the bloodiest blood in his eye. By good chance he fell in on a meeting of the sewer committee and there and then he did lay it down to them. The sewer committee hardly knew whether they were alive or dead when he got through—the obnoxious obstruction, it is needless to say was removed.

THE DEDICATION of the Union church at Lansdowne took place on Sunday last. Dr. Chapman of the Methodist church Woodstock preached the dedication sermon at 10.30 a. m. At 2.30 Elder Denton of the Adventist Chapel preached. At 7.30 Rev. A. H. Hayward of the Baptist church Florenceville preached. Elder Hiram Raymond was present. The walls 18 feet high are wainscoted to a height of 3 feet with bird's eye maple and plastered above and the ceiling is sheathed in spruce. All the other finishing is in ash. The seats are of ash, oiled. All the wood work is from the factory of R. K. Jones, Woodstock. Alfred Tedford was the master carpenter and Merrill Taylor of Hartland was the painter.
