When you buy the famous BEAVER Chewing Tobacco, be sure the word Beaver is on each plug.

If you want to enjoy the comforts of home buy a 10c. package of genuine TONKA Smoking Mixture.

THE MEMBERS of the Sunshine Club, St. John's church, Richmond, intend holding their annual tea in the Orange Hall, Wednesday, Sept. sixteenth. Tea 25cts.

SPECIAL attention is called to the job lot of dry goods which E.J. Clarke is now showing. Ladies should see his 25ct counter, where articles worth from 30 to 60cts are offered.

THE adjourned meeting of the Wicklow Wilmut and Kent Agricultural Society will be held at Centreville Saturday next 12th to make arrangements for their show this fall.

MRS. JAMES SMITH of Upper Woodstock met with a serious loss recently. She was attending camp meeting. A handsome and valuable gold watch chain, a wedding present from her husband, was stolen.

A FREDERICTON Base Ball club will take advantage of the Orangemen's excursion to-day, to come up here and play the Woodstock Amateur Athletic Nine in the Park. The game will be well worth watching.

MR. AND MRS. F. S. SLIPP, Brook Farm, Lower Woodstock, are being congratulated on a domestic event—a son. Mrs. Slipp was Miss Sadie Brundage, sister of Mrs. S.A. Belyea, this city, and was married in the summer of '95.—Gleaner (F'ton).

A MATCH game of base ball was played on Labor Day, at the park, between Woodstock and Benton nines. The result was a victory for the home team by a score of 22 to 11. S. Pickles was pitcher and H. McKinley catcher for Woodstock. For Benton, Hazlett caught and McNally pitched.

THE Brighton Engineers will commence their camp at East Florenceville on Monday morning the 14th of Sept. The men will assemble at East Florenceville on Monday morning and be sent out with their clothing. The left half of the company from Victoria county will join camp on arrival of Monday's train for Perth.

THE Gleaner is showing up the poor fire protection in Fredericton and remarks:—"We believe that ours is the most poorly protected city of its size and circumstances in Canada. Certainly many smaller towns are much in advance of us, notably Woodstock, with a population little more than half of ours."

CASES of interest are being tried in the police court every week. The room used by magistrate is altogether too small. On Thursday last, it was packed—and witnesses, spectators and prisoners were crowded like herrings. There should be some provision for holding a decent court. What are the police committee about?

SEWERS in several parts of the town caved in owing to the heavy rain on Sunday night. There was a general collapse from the lower corner to Connell's Foundry and after dark men had to go to work and fence off that part of the street, to prevent travellers getting caught. Another cave in occurred near Mr. B. B. Manzer's residence on Albert St.

ON THE evening of Aug. 31 a Loyal True Blue Lodge was organized at Palmer Settlement, by G. Organizer, David Hipwell, assisted by Mrs. David Hipwell and Mrs. Jarvis Watson, with 28 charter members, with Mrs. James McLeod as Worshipful Mistress, and starts out under favorable prospects and is called Watson L. T. B. lodge No. 94. named after sister Jarvis Watson.

NEEDS LOOKING INTO.—When it was found advisable to join Alonzo Murphy and Charlie Mitchell the alleged robbers, in the loving link of a leg chain, it was found necessary to use one of those affairs belonging to the Houlton police force. The public may also be told that the town of Woodstock provides neither revolvers nor badges for their police officers. What officers have these articles, have bought them with their own money. Woodstock has arrived at a stage when its marshal, at all events, should be provided with a uniform, and, certainly, weapons should be given the force, while neighboring towns should not be asked to supply the chains for prisoners.

ON THURSDAY last, at noon, Mr. Chas. Chase of Salem, Mass., and Miss Anna Phillips, daughter of Zopher Phillips were married at the residence of the latter, Upper Woodstock, Rev. C. T. Phillips officiating. There were about thirty-four guests present. The bride was dressed in cream bengaline, trimmed with white ribbon, and carried a beautiful bouquet of hot house roses. Her travelling dress was navy blue, trimmed with white. The groom's present to the bride was a handsome gold watch and chain. Among the most valuable presents was a handsome solid silver service from an aunt of the groom. The young couple left for Salem on the 4.30 train.

which it has been extensively sold it has done wonders in exterminating disease and improving the health of the community. All those pale, weak, nervous persons or those run down by disease or other causes should give it a trial, for if all is true that we learn concerning its virtue in eradicating disease and building up the system, no household should be without this preparation. It is for sale in Woodstock by all the leading druggists and dealers in the province.

ON WEDNESDAY of last week a large party of young folks from Woodstock and Richmond assembled on the beautiful grounds at Jackson Falls for the purpose of holding a picnic. The weather was all that could be desired and various kinds of amusements were freely indulged in, burdock decorating and shower baths being the order of the day. In the evening the party repaired to the residence of Mrs. Andrew Currie where dancing and games were enjoyed. Wilcox and Clarke furnished excellent music for the dancers and Hughy as a prompter could not be excelled. The party broke up at a late hour, everyone declaring it to be the most enjoyable picnic of the season. The success of the picnic was due (in a large measure) to Mrs. Currie and daughter who were untiring in their efforts to see that everyone had a good time.

A WEDDING which aroused much interest took place in Christ church at noon on Thursday last, when Mr. Remington Ward of Newport, and Miss Myrtle Bull daughter of Mr. Albert Bull of Lower Woodstock were married. The church was filled with relatives and friends of the bride. The bride was attired in cream silk trimmed with point lace. She wore a cream tulle veil with lilies of the valley carrying a large bouquet of pale pink carnations, and a silver clasped prayer book two hundred years old, the gift of the groom. The bride was given away by her brother, LeBaron R. Bull. The bridesmaids were Miss Bull and Miss Jennie Beatrice Bull, sisters of the bride. They were dressed in pale green and white striped silk, trimmed with lace and ribbon and wore green and white flowers in their hair. The ushers were Corydon Partelow Bull and Jarvis J. Bull, brother and cousin of the bride. The groom was supported by Mr. Thomas Bedell of Andover. His presents to the ushers were a silver scarf pin with wreath of pearls to Corydon Bull, a gold scarf pin in form of bird with large ruby head to Jarvis Bull, and a gold scarf pin with emeralds to Thomas Bedell. The presents were numerous and costly. In the absence of Ven. Archdeacon Neales, the Rev. Mr. Belliss, performed the marriage ceremony, which was followed by a reception at the home of the bride's parents where a dainty collation was served to the many guests. Mr. and Mrs. Ward left in the 4.30 train for their future home in Newport, R. I., followed by the best wishes of their many friends.

## AN IMPORTANT DISCOVERY IN MEDICINE.

A representative of "The Mail and Empire," hearing of the many cures that had been effected by a medicine called Ryckman's Kootenay Cure, called on Mr. S. S. Ryckman, member of Parliament for Hamilton, who is the proprietor and patentee of the now famous remedy, and on making enquiries, received the following statement from him:

"Some four or five years ago, while paying a visit to my silver mine, which is situated in the Rocky Mountains, I had a severe attack of rheumatism, from which I was a constant sufferer. One of my miners, who noticed my distress, told me that if I would take an Indian cure which he knew of, he would guarantee relief, as he had known it to cure, and never fail in any one case. He further stated that miners of the Cariboo District—situated in the mountains four hundred miles from any railway—had used it for the past forty years. After taking the medicine, conscientiously, for four weeks, I commenced to notice a marked improvement in my general health, and inside of six weeks' time I had not a twinge of rheumatism in any part of my body, nor have I had a symptom since—and this after trying seven celebrated mineral springs and nine medical men, at the expense of fifteen hundred dollars, with no benefit whatever. Recognizing what a great boon to the suffering public such a remedy would prove, I determined to consult an eminent chemist, and through his aid have added a valuable ingredient, heretofore, being entirely unknown, as it was discovered in Germany only a year ago.

"After perfecting the remedy, I have given it a fair test in two cities, viz., Hamilton and Ottawa. In these places eight hundred people have been cured or benefited. Since March last, ninety per cent. of those using Kootenay Cure for rheumatism, neuralgia, lame back and indigestion have been cured, and no cases of long-standing sores, salt rheum, eczema, or pimples on the face have been found, so far, that this remedy has not cured. Indeed, it is doubtful if a case of the above four afflictions can be produced that cannot be cured by Kootenay Cure. Never has a patent medicine been known to produce such an unanimous outburst of grateful recognition from the suffering public within the short space of six months. It recommends itself: and this shows it." All of the above is backed up by scores of testimonials, which Mr. Ryckman exhibited to your representative, remarking that all would be published in the newspapers, as he has permission to do so from the writers. See advertisement in this paper.

## The Genuine Wilkinson Steel Plow

Can be had only from us and our agents. Other makers attempt to imitate these Plows. If, however you examine the imitation you will find the steel mould board is but little more than half the thickness of Wilkinson's, and in many other ways the imitation has been cheapened. Our agents as below have the Plows made by Wilkinson:

Geo. H. West, Grand Falls; D. B. Hopkins, Aroostook Jct; J. F. Tweeddale, Perth; M. A. Smith, Bath; A. D. Clark, Florenceville; Shaw & Dibblee, Hartland; J. W. Ellsworth, Richmond; W. Riley Trafford, Southampton.

## SPORTS AT THE PARK.

(CONTINUED FROM FIRST PAGE.)

O'Haley and John A. soon followed suit. Then Tom began to draw away, John A. and Abbie going it hard for second. Tom came in ahead, time 2.34½, John A. Second, Abbie W. third, Bell Dean fourth. In this race the judges forbid Nickerson driving Bell Dean on the ground that he was not driving to win. John Gentle took his place. There was a slight dispute between the owners of Abbie W. and John A. as to jockeying, but the judge did not see fit to alter the order in which they came.

The trot was a most interesting exhibition. In the future judges want to enforce the time limit between heats. Twenty minutes are allowed, but the drivers appear to take their own time, and seem to think that the judges should wait on them, not they on the judges. The delay between heats is needless and provoking, and the sooner the rules are attended to the better for the favorite sport of this locality.

The bicycle races being something new were looked forward to and they proved quite exciting. The entries for the quarter mile were Chas. Clare, Woodstock, W. E. Sweet, L. B. French, Houlton, Geo. Balmain and G. H. Harrison were judges, Geo. Mitchell, Geo. Anderson and Wallace Gibson umpires, John A. Lindsay, starter, Dr. Sprague, timer, Chas. Appleby, scorer. When the pistol shot was fired, Clare, who was arrayed in a red suit started away, and held the lead easily, winning in 39½, Sweet 2nd, French 3rd. The second heat was also won easily by Clare, 39½, French second, Sweet third.

The half mile race did not go to Clare. A new man appeared on the scene, Wm. Glenn of Houlton. He, with Clare and Sweet made the start, French not racing. Glenn showed himself to have great speed, but Clare followed him well. The result was Glenn 1st, time 1.16; Clare 2nd., Sweet 3rd. In the second heat Sweet won in 1.23½, Glenn 2nd, Clare 3rd. Glenn won by points making five points, Sweet four, Clare three.

As a final to the proceeding, a running race was brought on. The horses were Molly E., H. Everett, Bay Nelly, Frank Gilman, Broncho, John Campbell. Gilman rode Bay Nelly bare back. It was great fun, and caused more amusement than the trotting. Broncho failed to show much force. Molly E. won, with Bay Nelly second. During the races the band played very acceptably. The excursionists left for home at half past nine.

Over 500 people attended the entertainment in the rink by the band. Dancing was carried on by a large number present and others promenaded and sat around. It is said they cleared \$50.00, which will go to a fund for the purchase of uniforms, which they need, badly, and deserve, entirely.
