**Horse Races.**

The trotting was a feature which drew many spectators, for Carleton county dearly loves a horse race, and it shows good taste. There is nothing much prettier. It is true there were only two classes, but the horses were good ones and the races well contested. In fact, since H. E. Gallagher took over the park he has always had excellent exhibitions. In the 2.50 class there were six entries Dottie G. Geo. Hilman; Venus John Gentle; Ben P. G. F. Saunders; Topsy R. R. B. Burleigh; Xanthippe, W. N. Hand; Annie T. J. N. Miles.

A protest was entered against Annie T., and will be adjudicated upon by the National Association. She won the race in three straight heats, best time 2.33. Second place was taken by Ben P., 3rd Venus, 4th Topsy R., 5th Xanthippe. It was a close race, Venus and Topsy R. having second place each in a heat.

In the 2.30 class it was quite a struggle. Earl Dufferin, J. R. Murphy, won first heat in 2.33. Dandy Lumps, driven by John Gentle, owned by J. T. A. Dibblee, won the successive heats; best time 2.31. Earl Dufferin second money, John A., W. B. Belyea, third.

The judges were: Geo. McNally, D. Hemore, J. E. Burnham, (starter); Dr. Colter, T. H. Boyer, starters.

**Fire Works.**

In the evening crowds gathered on the banks of the river to see the fire works. The town looked really beautiful illuminated as it was. The wind had fallen and the weather was perfect. The fire works display was very creditable, some of the rockets being very fine. Shortly after dark two large boatfuls of red coats drifted down the river and opened fire with blank cartridges on the fort which had been erected on the head of the island. The fire was returned and then as the soldiers approached the fort caught fire and went up in a blaze. The fire works committee are indebted to the following for valuable assistance, Frank Glidden, Jud Vanwart, Bob Welsh, Eldon Fisher, Geo. Baker, Harry Ryder, John Hughes. William Dunbar also gave most timely assistance.

The strangers in town were delighted with the show. Mr. Gilman of the Aroostook Pioneer was in THE DISPATCH office today. He congratulated the town on the show, and said that if Woodstockers come to Houlton on the 5th of July they can "own the town." Many other of our Houlton friends similarly expressed themselves.

**Notes.**

The Mayor and Town Council were in the procession and looked well.

The chairman, secretary and managing committee of the celebration were also among those who took part.

Henderson's place on Queen street was well decorated. Among the private dwellings worthy of special mention were the grounds of A. B. Connell, Jas. Carr, G. L. Holyoke, Joshua Corkery, Patrick Gillen, H. V. Dalling, Archdeacon Neales, G. S. Saunderson. Woodstock knows how to have a big day all right.

The hotels were well patronized and gaily adorned. The Carlisle was resplendent with greenery, flags and bunting. The Aberdeen was beautiful with evergreen decorations, and a portrait of the Queen was prominent. The Victoria was a mass of evergreen and gay flags and looked very pretty. The Queen was well decorated. A pretty arch was made in front of the Vendome. Lee's restaurant was well fixed up, and John Macdougall showed his loyalty all right.

Col. Dibblee got the prize for the best decorated house.

S. Britton for the most original costume in the Polymorphian parade; Sandy McRae for the most delapidated rig.

**A Successful Opening.**

A creditable performance of John A. Stevens' celebrated comedy drama "Unknown" or "Saved from the sea" attracted a large and appreciative audience to the Norombeaga last evening. "Unknown" was presented by the Miles Ideal Stock Co. which is featuring the clever young heroic actor John E. Miles, who appeared to great advantage in the title role and who is a dramatist of exceptional ability. He is supported by a capable and conscientious company of pleasing artists and all combine in giving a most enjoyable performance. A feature of last evening's production which elicited enthusiastic applause was the realistic rain storm at the climax of the fourth act with the accompanying electrical effects.

Specialties were introduced between the acts to the keen delight of the audience who demonstrated their appreciation by hearty and repeated recalls. Messrs. Jimerson and Howson, in mandolin and guitar duets, were enthusiastically received as were the vaudeville favorites Jack Tucker and Eva Williams, the latter two having won many friends by their former appearance on the Bangor stage. This evening the pleasing comedy drama "The Blacksmith's Daughter" will be produced and will no doubt call forth a large attendance. The week's repertoire includes such well known attractions as Michael Strogoff, Rosedale, All a Mistake, Unknown, and The Blacksmith's Daughter, closing with the thrilling domestic drama "A Boy Hero or Life in New Mexico." Two matinees will be played, one on Wednesday and another on Saturday afternoon at which time a general admission of ten cents will be charged to all parts of the house. The prices for the evening performances are 10, 20 and 30 cents.

The Miles Ideal Stock Co. is composed of John E. Miles, of the late Alexander Salvini company, Jack Tucker and Eva Williams of Keith's circuit; Albert Tavernier, Frohman's "Heart's Ease" Co.; Walt T. **A Sore Subject Introduced.**

At the last meeting of the county council, when the subject of leasing land to the town for the erection of a building on the county grounds was under discussion, Coun. Bragdon said he was looking forward to the day when if this Court house should burn they would want the land in town for a new Court house. They had better keep any other building off. There was other land the town could get. Coun. G. Phillips took the same view as Mr. Harding. He thought the time was remote when a new Court House would be needed and when that time did come a more central place than Woodstock would be selected for the new building. Hartland, fast becoming the Hub would be the place. Before adjourning the council passed an address to be presented to the Queen.

**LAW for PROTECTION of SHEEP.**

From the Act of 1896.

8. Any person may kill (a) any dog which he sees pursuing, worrying or wounding any sheep or lamb, or (b) any dog giving tongue and terrifying any sheep or lamb on any farm, or (c) any dog which any person finds straying between sunset and sunrise on any farm whereon sheep are kept. Provided always, that no dog so straying, and which belong to or is kept or harbored by the occupant of any premises next adjoining that part of any highway or lane which abuts on said farm, nor any dog so straying either when securely muzzled or accompanied by or being within reasonable call or control of any person owning or possessing or having the charge or care of said dog, shall be so killed unless there is reasonable apprehension that such dog if not killed is likely to pursue, worry, wound or terrify sheep or lambs then on said farm.

9. The defendant in any action of damages for killing a dog under the circumstances in the preceding Section mentioned or under the authority of this Act may plead not guilty by statute and give the special matter in evidence.

10. On complaint made, in writing, on oath before a Justice of the Peace for any County, that any person residing in such County owns or has in his possession a dog which has, within six months previous thereto, worried and injured or destroyed any sheep, the Justice of the Peace may issue his summons, directed to such person, stating shortly the matter of the complaint, and requiring such person to appear before him at a certain time and place, therein stated to answer to such complaint and to be further dealt with according to law.

11. The proceedings on the complaint and summons shall be regulated by the Act, Chapter 62 of the Consolidated Statutes "Summary Convictions" and any Acts in amendment thereof, which shall apply to cases under this Act.

12. In case any person is convicted of owning or having in his possession a dog which has worried and injured or destroyed any sheep, the Justice of the Peace may make an order for the killing of such dog (describing the same according to the tenor of the description given in the complaint and in the evidence) within three days, and in default thereof may, in his discretion, impose a fine upon such person not exceeding twenty dollars, with costs, and all penalties imposed under this Section shall be applied to the use of the Municipality in which the conviction is had.

13. No conviction under this Act shall be a bar to any action by the owner or possessor, as aforesaid, of any sheep for the recovery of damages for the injury done to such sheep in respect to which such conviction is had.

14.—(1) The owner of any sheep or lamb killed or injured by any dog shall, whether the Council of the Municipality shall or shall not have passed the by-law authorized by Section two of this Act, be entitled to recover the damage occasioned thereby from the owner or keeper of such dog, by an action for damages, or by summary proceedings before a Justice of the Peace, on information and complaint before such Justice, who is hereby authorized to hear and determine such complaint and proceed thereon in the manner provided by the said Chapter 62, and any Acts in amendment thereof, in respect to proceedings therein mentioned, and such aggrieved party shall be entitled so to recover in such action or proceedings whether the owner or keeper of such dog knew or did not know that it was vicious or accustomed to worry sheep;

(2) If it shall appear before the Court or Judge at the trial of any such action for damages, or before such Justice at the hearing of the said information or complaint before him, that the damage or some part of the damage sustained by such aggrieved person was the joint act of some other dog or dogs, and of the dog or dogs owned or possessed by the person charged in such information or complaint, the Court, Judge or Justice shall have power to decide and apportion the damages sustained by the complainant among and against the respective owners or keepers of the said dogs, as far as such owners or keepers are known, in such shares and proportions as such Court, Judge or Justice shall think fit, and award the same by the judgment of the said Court or Judge, or in the conviction of such Justice on behalf of such aggrieved party.

(3) When, in the opinion of the Court, Judge, or Justice the damages were occasioned in part by dogs, the owner or owners of which are unknown, or the owner or owners of which have not been summoned to appear before the Court, Judge or Justice, the Court, Judge or Justice may decide and adjudge as to the proportion of the damages which, having regard to the evidence adduced of the strength, ferocity and character of the various dogs shown to have been engaged in committing such damage, was probably done by the dogs, the owner or owners of which have been summoned to appear before the Court, Judge or Justice, and shall determine in respect thereof, and apportion the damage which the Court, Judge or Justice decides to have been probably done by the dogs whose owners have been summoned, amongst the various owners who have been summoned as aforesaid.

(4) The same proceedings may be thereupon had against any person deemed by the Judge or Justice to be, the owner or keeper of the dog or dogs which by the evidence shall appear to have contributed to the damage sustained by the person aggrieved, as if the information or complaint had been laid in the first instance against such person.

(5) The Court, Judge or Justice shall not decide and apportion the damage against any person other than the person in the information and complaint first charged, nor award the same in the judgment without such person having been summoned to appear before the Court, Judge or Justice and having had an opportunity of calling witnesses.

15. The owner or keeper of any dog or dogs to whom notice is given of any injury done by his dog or dogs to any sheep or lamb, or of his dog or dogs having chased or worried any sheep or lamb shall, within forty-eight hours after such notice cause such

dog or dogs to be killed, and for every neglect so to do he shall forfeit a sum of two dollars and fifty cents for each such dog, and a further sum of one dollar and twenty-five cents for each such dog for every forty-eight hours thereafter, until the same is killed, if it is proved to the satisfaction of the Justice of the Peace before whom proceedings are taken for the recovery of such penalties, that such dog or dogs has or have worried or otherwise injured such sheep or lamb, but no such penalty shall be enforced in case it appears to the satisfaction of the Justice of the Peace that it was not in the power of the owner or keeper to kill such dog or dogs. The penalties provided by this Section may be imposed and collected whether the penalty provided by Section 12 of this Act has or has not been imposed or collected.

16. In case the owner of any sheep or lamb so killed or injured proceeds against the owner or keeper of the dog that committed the injury, before a Justice of the Peace as provided by this Act, and is unable on the conviction of the offender to levy the amount ordered to be paid for want of sufficient distress to levy the same, then the Council of the Municipality in which the offender resided at the time of the said injury shall order their Treasurer, or other official having custody of the corporate funds to pay to the aggrieved party the amount ordered to be paid by the Justice under the conviction, including the costs of the proceedings before the Justice, if the special fund is sufficient for the purpose, or if not then *pro tanto*.

17. The owner of any sheep or lamb killed or injured by any dog, the owner or keeper of which is not known, may, within three months apply to the Council of the Municipality in which such sheep or lamb was so injured, or any Committee thereof appointed for such purpose, for compensation for the injury, and if the Council or Committee (any member of which shall be competent to administer an oath or oaths) on examining the parties in the premises, is satisfied that the aggrieved party has made diligent search and inquiry to ascertain the owner of such dog, and that such owner or keeper cannot be found, they shall award to the aggrieved party for compensation a sum not exceeding two thirds of the amount of the damage sustained by him.

18. After the owner of such sheep or lamb has received from the Municipality any money under either of the preceding Sections, his claim shall thenceforth belong to such Municipality, and they may enforce the same against the offending party by any means or form of proceeding that the aggrieved party was entitled to take for that purpose and in the name of the aggrieved party or otherwise; but in case the Municipality recovers from the offender more than they had paid to the aggrieved party, besides their costs, they shall pay over the excess to the aggrieved party for his own use.

19. The owner of any sheep or lamb killed or injured while running at large on any highway or enclosed land, shall have no claim under the Act to obtain compensation out of the said fund from any Municipality.

20. Every Justice of the Peace shall be entitled to charge such fees in cases of prosecution or orders under this Act as is lawful for him to charge in other cases within his jurisdiction, and he shall make the returns usual in cases of conviction and also his return in each case to the Secretary, Clerk, or other like official of the Municipality, whose duty it shall be to enter the same in a book to be kept for that purpose.
