I suffered from Catarrh for years, and have found Dr. Chase's Catarrh Cure the best that I have used, and gladly recommend it to sufferers.

Gored to Death.

James McShane, farmer, of Board Road, parish of Saint Davids, Charlotte County was gored to death by an infuriated bull last Friday. The farmer had gone into the field to tether the animal. As he did not return at the usual time Mrs. McShane went to the pasture and was horrified to see the bull tossing her husband's body in the air. She at once sought assistance. Two men with pitchforks failed to drive the mad beast from his victim and it was only when four rifle shots had been poured into him that he desisted and dropped dead. The farmer's clothing was scattered over half an acre. He was sixty years old and leaves a widow and three children.

Bitter Disappointments

And Family Grief That Can Be Avoided.

Paine's Celery Compound Brings Joy Health and Happiness.

You are willing to confess, poor sufferer, that you have been bitterly disappointed with past efforts, and that in your estimation your future seems dark and gloomy.

You and your friends alone are to blame if disease is tightening its chain around you, making you a sure captive for the dark and dreaded grave.

Why keep a wife or husband in feverish anxiety, daily bending over you with tearful eyes and almost broken heart? Why cause your children to be hushed, and their childish sports and games to be disregarded and cast aside? They certainly cannot enjoy life when they see a father or mother in the agonies of suffering and deep in mental despair.

You can change the scene by changing and bettering your physical condition. In other words, you can be cured and made well again by the use of Paine's Celery Compound.

Your efforts, up to the present, to throw off the encircling and deadly bonds of disease have been vain and futile. Your doctor's well meaning work has not been productive of cheering results, and you are wasting money on medicines that can never meet your case.

Being assured of new health and life by the use of Paine's Celery Compound, you are sinning against heaven and false to your family and friends if you refuse to make trial of the great agency that has saved thousands in the past.

Paine's Celery Compound is the grandest disease banisher that medical science ever devised, and has the indorsement of our best doctors, lawyers, public men, merchants and others. Its curing powers are wonderful, prompt and sure, and it keeps every man and woman permanently cured.

Precepts And Warnings For Those Who Would Dye Well.

Let thy faith be fixed in the wonderful transforming powers of Diamond Dyes; the results they give will cheer thine heart.

Never allow any interested or wily dealer to recommend for thy use some inferior or imitation make of dye. If you will hearken to his words, he will rejoice at thy simplicity of character and will delight himself over thy wrath and bitter disappointment.

If thou wouldst avoid handling poisonous ingredients, use only the Diamond Dyes for thy home dyeing work; they are the only harmless and pure dyes.

When times are hard and money scarce, thine heart often craves for new and stylish colors and garments. By the use of the magic Diamond Dyes thy wishes can be fully realized, because Diamond Dyes recreate old dresses and make them to look like new.

If thou wouldst have a smiling face, a happy heart and an easy mind, do thy coloring at all seasons of the year with the Diamond Dyes; they never cause worry or grief to those who make use of them.

Go to John McKenzie, the Painter.

WOODSTOCK, Aug. 21st, '97.

Gentlemen,—For the past sixteen years it has been my custom to let the owners of Sleighs and Pungs know the time to have them looked after. As time is an ever precious commodity, the customer seldom gives the poor painter enough time to produce the job, with the satisfaction he ought to have on account of hurrying the work through in a short time. My idea in writing this letter to my customers and the public in general is to remind them that this is the time to look them over, and should they want painting, you would do well to have them attended to I don't want all the trade but I want a part of it. I am fitted up with a large stock of colors and varnishes, the best that can be bought for money, and by fair dealing and honest work I am safe in saying you can do as well with me both in workmanship and price as anyone in the business.

Hoping you will give this your attention, I am, yours very truly,

JOHN MCKENZIE,

Loane's Factory, Connell Street.

P. S.—Parties living in town wanting their Pungs Painted can have the same hauled to my shop free of charge by notifying me.

J. MCK.
