I OFTEN WONDER

If a fellow thinks he can't be well dressed without a very expensive suit of clothes on. Don't you know that it does not require so much cash as good taste to dress a man. Take a piece of cloth selected with a proper regard to a man's complexion and form, give it to a tailor of judgment, and you will have just what you need to set you off. I have the Largest Stock of Cloths in town, and I am the tailor of judgment. Come to me and I will apply the principles of art and good taste toward decorating your person.
