Christian Endeavour Convention.
 The second annual convention of the Carleton Co. Union of Y. P. S. C. E. held in the Presbyterian church at McKenzie Corner on Tuesday and Wednesday of last week, was a decided success. The attendance of delegates was much larger than at the previous meeting held in Woodstock in January and the interest manifested decidedly greater. The first session on Tuesday evening, was opened by a half hour's devotional exercises and song service led by the President, Rev. Thos. Corbett. The church was filled by a large and appreciative audience. The committee had taken a new departure in having the hymns used printed on a sheet with the programme. These were freely distributed through the audience and added greatly to the interest, as shown by the hearty congregational singing.—Then followed a warm address of welcome on behalf of the churches by Rev. T. Miller, after which a very happy word of greeting from the Y. P. S. C. E. was presented in the form of a resolution, read by one of their members, Mrs. Hoyt. These were replied to by Messrs. G. L. Holyoke and T. A. Lindsay.
 Rev. C. T. Phillips then gave a very excellent address on "Why the church should welcome the C. E. movement." A few earnest words from the president on "What C. E. stands for" closed a very helpful and inspiring service.
 The sunrise prayer meeting on Wednesday morning was well attended, and heartily enjoyed by all present.
 The morning and afternoon sessions were

attended by large numbers. Considerable discussion was indulged in on points of practical interest to C. E. Workers, and some very excellent papers were read, and earnest addresses were given. That by Rev. Mr. Slackford on "How we may reach and help our associate members," deserving special mention.

The evening session was opened by a song service followed by a season of devotional exercises, in which many took part.
 Five minute talks on "Some of the benefits of C. E.":—
 (1.) To the young in our churches.
 (2.) To the older members.
 (3.) To the pastor, were given by Mr. A. Myles, Mr. G. L. Holyoke and Rev. Thos. Miller.
 Rev. D. Fiske gave a very thoughtful and suggestive address on "The C. E. pledge the backbone of the society." Rev. James Whiteside delivered an excellent address on "How to study the Bible."
 The choir furnished good music and Mrs. G. W. Dickinson sang a solo "Building" very sweetly. Then followed an impressive consecration service led by Rev. T. Corbett.
 During the evening session the church was packed to its utmost capacity, and the deepest interest was manifested throughout the entire service. We all came away feeling that a most helpful convention had been held and it was good for us to have been there. Rev. James Whiteside extended an invitation to hold the next meeting in St. Paul's church, Woodstock, which was gladly accepted.
 The officers elected for the ensuing year were:—
 President—Rev. T. Corbett.
 1st Vice Pres.—A. Myles.
 2nd Vice Pres.—Rev. Mr. Sellars.
 3rd Vice Pres.—Rev. Mr. Slackford.
 Sec'y.—Mr. G. L. Holyoke.
 Cor. Sec'y.—Miss Emma Henderson.
 Treasurer—Mr. T. A. Lindsay. —Com.

ONE HONEST MAN.
 Dear Editor.—Please inform your readers, that if written to confidentially, I will mail, in a sealed letter, particulars of a genuine, honest, home cure, by which I was permanently restored to health and manly vigor, after years of suffering from nervous debility, sexual weakness, night losses and weak shrunken parts. I was robbed and swindled by the quacks until I nearly lost faith in mankind, but thank heaven I am now well, vigorous and strong, and wish to make this certain means of cure known to all sufferers. I have nothing to sell and want no money, but being a firm believer in the universal brotherhood of man, I am desirous of helping the unfortunate to regain their health and happiness. I promise you perfect secrecy. Address with stamp, W. M. T. MCFORD, Agents' Supplies, P. O. Box 59, St. Henri, Que.

A Letter From Dawson City.
 Frank E. Shaw of Toronto received the following letter from his brother, now in the Klondyke. This is the first Carleton Co. boy heard from. Mr. Frank Shea forwards THE DISPATCH this letter:

DAWSON CITY, N. W. T.
 Aug. 11th, 97.
 "Well I am still here, and strictly "in it," I believe. I have not prospected my claim yet but I have been hearing some fine reports from three claims above mine. They struck bedrock with \$5 00 to the pan. Two men can take out 600 pans a day. The earth pays at four feet, and it goes down 19 feet. I have plenty of chances to sell, but I'm not going to, and I'm hoping to come out of this country loaded down with the "yellow".
 A nugget was brought in yesterday worth \$594.25 with not a particle of quartz in it. I suggest it the finest ever taken out on this coast. I tell you she was a daisy! oh yes, this is a peach of a country, and there will be some hungry people here this winter. I am rustling everything I can, and guess by a tight squeak I can pull through for a year, anyway till June, when there will be some more supplies come in. I have 400 lbs flour, plenty of bacon, beans, sugar, coffee, rice, clothing, and all other necessities. Say, I'm in luck! both stores quit selling flour two hours after I bought mine. I have all my supplies in my tent where I am writing this.
 Nearly all Juneau and adjoining towns have left here, and are bringing just enough grub for the trip. Our company lost one boat ten days ago, now we only have two, which means two more loads of supplies with good luck. If I was not sure of my grub stake I would make preparations to get out of here. I wish I had Charles in here now, for I want some one to depend upon. I can get plenty of partners, and have a good stand in with all the best men. They are all right to use sometimes, but I'm going to take good care they don't use me; see?
 I have not been able to find any trace of Eddie Shea. He either did not come into this country, or was drowned on the way in.
 I am going to prospect my claim about the 15th, and see fast what it is worth. There is one thing sure, that if she don't happen to turn out O. K. I can clean up \$3,000 by this time next year working for wages.
 There has been a big stampede from here to-day to Moose Hide Creek, five miles below here.
 I have been troubled terribly with rheumatism, otherwise I feel fine, Good bye.

Where Specialists Failed Dr. Chase Cured Catarh.

James Spence, Glachan, Ont., writes:—"I had been a sufferer from Catarh for 15 years. It became chronic and I had given up hopes of ever being cured when advised by a friend to try Dr. Chase's Catarh Cure. I at once started and am pleased to state three boxes effected a complete cure, and I heartily recommend it to anyone suffering from Catarh."

Fire at Pioneer.
 A destructive fire occurred at Pioneer some three miles from Lakeville, on Saturday afternoon. A defective flue in the ell of John Porter's house was the cause of the fire. It spread rapidly and destroyed Porter's home. His furniture was all saved. The fire spread to two barns and a shed owned by Wm. Jamieson. They, with their contents including two horses were destroyed. The flue caught in a barn owned by Andrew Jamieson, but it was put out. There was no insurance on any of the buildings burned.

In a Woman's Care

almost any article of wearing apparel will last longer than if looked after by a man. Some women neglect their footwear. Shoes of fine appearance, rather than good quality, attract them. But in buying Shoes here it is impossible to make a mistake. The appearance and style is all that the most fastidious could desire, and the quality keeps pace with both. Our prices are regarded as wonderfully low by wise buyers.
