NEWS FROM THE COUNTY.

UNION CORNER.

A large concourse of people met to pay the last tribute of respect to our departed friend and brother Wilnot L. Green. A large procession followed to the Baptist church, of which he was clerk, where they listened to an able and impressive sermon by pastor C. Currie from Jer. iv.:20, after which he was borne to the cemetery near by, where he was buried, and the people returned home with sad hearts. Our brother who was an honest, upright, exemplary man will be greatly missed, not only in his family but in the church and community.

MEDUCTIC.

Mr. and Mrs. Grosvenor and Miss Eva French have returned from New Hampshire. Recently, Court Meductic, I. O. F., had a fraternal visit from the court at Hawkeshaw. Two new members were initiated and at the call of good of the order and welfare all the brethren were entertained to ice cream and hot coffee and cake and lemonade and other good things. After the good things were eaten an intellectual feast followed which only ceased with the approach of the Lord's day.

KIRKLAND.

Daniel Graham, sr., of Grahamsville was buried on the 27th ult. There was a very large funeral, his neighbors made four handsome wreaths of flowers and put on the casket. Rev. Mr. Cosman preached the funeral sermon. The meeting house was completely filled with people. About thirty teams followed the remains six miles where they were laid away in the cemetery at North Lake. The Orangemen had two flags floating in the breeze to show their last token of respect to their old brother in the lodge.

A number of people from North Richmond were fishing at Slater's bridge on Saturday 28th. Mr. McKay a young minister preached in the Presbyterian church on Sunday evening.

Preparations for the putting down of the water works is progressing steadily. A meeting of electors was held Saturday in the hall. We shall expect to see the work open up in earnest after this. Rev. James Whiteside of Woodstock occupied the pulpit of St James Presbyterian church. Sabbath June 5th.

Our sidewalk is in a bad state. From time to time a feeble effort is made to repair it. In some sections it is possible but in others there are holes, broken boards, and whole sections loose from the bed pieces. Mr. Ezekiel Sloat is moving slowly in the direction of repairs but the old is yielding but slowly to the new.

For several years the rate payers of Andover have been paying a tax to erect a pound in which to gather those ravenous cows which delight to make raids on the garden. The cows come the gardens go. But the pound, oh, where is it?

The venerable old school house the scene of our boy school days how many associations cluster around it. Our school has outgrown the building and for the last year and a half our scholars and staff of teachers have been more comfortably situated in a new building, and still the old building remains in tact. But this last week has seen a change, the enterprising Kelly firm purchased the building and moved it to make an addition to their buildings. We understand that the upper story is to be opened for a public hall, the lower flat to be used as a shop.

BATH.

The farmers are about done cropping, the grass looks fine.

James Phinmore of this place died last week. The Bath boys intend to try another match with the base ball club of Bristol.

Frederick Demerchant a respected resident of this place lies dangerously ill.

Dr. Jewett paid us a visit last week.

There is talk of building a new sidewalk here as the old one is a poor structure.

KNOWLESVILLE.

Were it not for the singing of the birds and the

apple blossoms and the appearance of the swallow we would say the fall of the year has returned again. The farmers are about through their seeding. The meadows promise a good yield of hay this season as the result of a good fall of rain recently.

L. A. Doucette is preparing to build two barns has most of the frames on the ground now, and intends to complete them before haying.

The concert given by the Hartland young people in the interest of the Methodist church was well appreciated by the F. B. church being filled in spite of the rain which began to come down in the early part of the afternoon. Had the evening been fine the home would have been filled even to standing room. The Gramophone, was one of the parts of the program that was appreciated. Quite a number came from Hartland in company with the troupe who came in a 4 horse team, and had a picnic in the school house. We would welcome the concert party at any other time and will promise them a full house at any time with the same talent. The amount of door money \$23.00 for connexional funds.

We have preaching by Rev. E. B. Grey Jos. Noble F. B; Mr. Calder Baptist and Mr. Ross Methodist. Our Sabbath school is taught by Miss Teafford from Windsor, whose services are highly appreciated by the District. We are sorry she is to leave us at the end of the present term.

Some Healthy Mistakes.

It is a mistake to work, said the 'Presbyterian Banner,' when you are not in a fit condition to do so; to take off heavy underclothing, because you have become overheated; to think that the more a person eats the healthier and stronger he will become; to believe that children can do as much work as grown people, and that the more they study the more they learn; to go to bed late at night, and rise at daybreak, and imagine that every hour taken from sleep is an hour gained; to imagine that if a little work or exercise

is good, violent or prolonged exercise is better; to conclude that the smallest room in the house is large enough to sleep in; to sleep exposed to a direct draught at any season; to imagine that whatever remedy causes one to feel immediately better, as alcoholic stimulants for example is good for the system without regard to the after effects; to eat as if you had only a minute in which to finish the meal, or to eat without an appetite, or to continue after it has been satisfied to gratify the taste; to give unnecessary time to a certain established routine of house-keeping, when it could be more profitably spent in rest or recreation.
