Victoria Corner Wedding.

A wedding service occurred in the Victoria F. B. church at four p. m. Wednesday Sept. 28th, when Mr. J. Frank Albright of Victoria, and Miss Emma R. Baker, daughter of Hezekiah Baker, also of Victoria, were united in the "Holy Bonds," Rev. A. G. Downey officiating. The bride, who was given away by her father, was attired in white lawn and silk and supported by two maids, Miss Oliver and Miss Shaw each carrying baskets of beautiful flowers. The ushers were Mr. Harry Albright brother to the groom and Mr. Oliver. The friends of the popular young couple had erected a beautiful green arch and wedding bell on the platform under which they stood during the ceremony. The organ, also covered with twigs and flowers, formed a background. Those who did this work deserve a word of commendation both for their thoughtful kindness in making this arrangement and for the skill and taste displayed. Miss Ella Boyer presided at the organ in her usual happy manner. The church was filled with spectators. The Plebiscite Vote.

MONTREAL, Oct. 1.—The standing of provinces by majorities at noon was Ontario, for, 16,162; Quebec, against, 36,353; Nova Scotia, for, 18,404; New Brunswick, for, 16,735; Prince Edward Island, for, 6,559; Manitoba, for, 3,154; North West Territories, for, 2,024; British Columbia, for 777.

Total for, 53,815; total against, 36,353; total majority for, 17,462.

MONTREAL, Oct. 1.—As returns from Ontario come in the majority in favor of prohibition grows, that province having nearly doubled her majority since yesterday, being now about 16,126, and as there are many constituencies still incomplete the probability is the majority will be considerably augmented.

Returns from British Columbia also show an increased majority, now being placed at 777. Manitoba however, seems to have fallen off considerably, the majority for, being 3,154.

Later returns from the territories also show a reduced majority, being placed now at 2,024, while in the province of Quebec delayed returns pile up the majority against prohibition which is now calculated at 36,353 with several unimportant districts to be completed.

In an interview last evening Principal Grant, of Kingston, said there seemed to be a decided apathy throughout the country regarding prohibition, and he did not think the majority given would warrant the government in introducing a prohibitory bill.

The Ottawa Citizen, which is supposed to represent Mr. Foster's views, says: "But after all is said and done, Canada is not ripe for a national enactment of prohibition and never will be ripe as long as Quebec is Quebec."

In Madawaska the total vote for prohibition was 75; against, 441, with St. Leonards to hear from. In St. Jacques there was one vote for prohibition, and in St. Basil there was not one, while there were 161 against.
