## ACT RESPECTING BONUS.

An Act to authorize the Town of Woodstock, to take a vote of the property-holding ratepayers of said Town, on question whether such ratepayers approve the borrowing on Debentures, a sum not exceeding Fifty thousand dollars, and giving same by way of Bonus to any Company erecting a Pulp or Paper Mill.

Passed 28th April, 1899.

Be it enacted by the Lieutenant-Governor and Legislative Assembly, as follows:—

1. The Town Council of the Town of Woodstock is hereby authorized and empowered, at any time after the passing of this Act, prior to the first day of December next, upon giving notice as hereinafter provided for, to submit to a vote of the property-holding ratepayers of the said Town of Woodstock, the question as to whether or not the said ratepayers approve the borrowing on Debentures, at a rate of interest not to exceed four per centum per annum, any sum of money, not exceeding fifty thousand dollars, and giving the same by way of bonus to any Company, organizing and operating in said Town of Woodstock, a Pulp or Paper Mill, or both, which question shall be determined by a majority property vote of the said ratepayers voting at such time, who are assessed in the assessment list last filed, which said vote shall be registered by each of said ratepayers or agents, as hereinafter referred to, voting either for or against such question on the amount of real estate and personal property on which he or the estate represented by him shall have been assessed in the assessment list last filed as aforesaid: and the officer holding such election, shall keep a record of the amounts of property so voted upon both for and against the said question. In the event of a majority of the property thus voted upon being recorded in favor of the said question then for the purpose of raising money for the purposes of so investing the same as aforesaid, the said Town of Woodstock is hereby empowered to issue, from time to time, certificates of indebtedness to be denominated on the face thereof "Woodstock Pulp Debentures," with coupons attached for interest, to be signed by the Mayor and countersigned by the Town Clerk, under the seal of the said Town, in such form, and in such amount, not exceeding the sum of fifty thousand dollars in the whole, payable at such place, in such sums, at such times, not exceeding twenty years from the issue thereof, and bearing such rate of interest (not exceeding four per centum per annum) payable semi-annually, as the said Town Council shall determine.

2. The said Town of Woodstock shall yearly and every year, after the issue of the first debenture hereunder, assess and levy upon the said Town, a sum sufficient to pay the interest upon the said debentures by them so issued, and a further sum not less than four per cent, and not exceeding eight per cent, of the whole amount so issued hereunder, towards discharging the principal of said debentures, such assessment to be levied and collected in like manner as any other Town Assessment.

3. All moneys assessed and collected for the purpose of a Sinking Fund under section 2 of this Act, shall until the same are required to pay off the principal of the said debentures from time to time, be deposited and kept at interest in some Savings Bank or Chartered Bank in the County of Carleton, and shall not be used for any purpose other than to pay off the principal of said debentures.

4. The Town Council of said Town shall cause to be published by posters, and in the newspapers published in said Town, for at least thirty days previous to the taking of such vote, a notice of the time and place for taking the same, and shall make such arrangements, as to said Town Council may seem expedient for the proper taking of such vote.

5. The property and estate of deceased persons, or held by trustees, may be voted upon by the Agent of such estates, upon such Agent making an affidavit, sworn to before a Justice of Peace for the County of Carleton, or before a Commissioner for taking affidavits to be read in the Supreme Court, that he is the duly authorized Agent of such estates, and upon such affidavits being produced and filed with the presiding officers taking the said vote under this Act, the vote of such Agent shall be received, and the property of such estate so represented by such Agent, shall be recorded as having been voted upon, either for or against the said question, as may be declared by the said Agent. The provisions of this Section shall apply to the estate of the persons who have died since the last assessment, and whose names appear on the last assessment list of the said town, upon the said Agent making an affidavit of the decease of such persons for whom he claims the right to vote, and that he is the Agent of the estate of such deceased persons; which affidavit shall be sworn to and filed, as provided for in this Section. The officer presiding at and taking such vote, shall be sworn before a Justice of the Peace to the faithful performance of the duties of his office, previous to the taking of such vote.

6. Provided always that before the said bonus or any part thereof shall be paid to the said Company or individual, the said Company or individual shall have erected and completed all necessary buildings and machinery for the successful prosecution of the said industry and the same shall actually be in operation, and the bonus then to be paid shall not exceed in amount ten per centum of the money actually invested in said buildings, plant, machinery and the lands, actually used in connection therewith, situate in said Town. And in case differences shall arise as to the amount of money actually invested, as a condition precedent to receiving the said bonus, between the said Town and the said Company or individual, then the said Town shall appoint one arbitrator, and the said Company or individual shall appoint another, to whom shall be referred the said question in dispute, and in case the two cannot agree, then they shall appoint a third arbitrator, whose award or that of any two of them, made in writing, shall be binding and conclusive on both of the said parties.

7. The bonus paid shall be and is hereby declared to be a first lien or mortgage upon

the said lands, buildings and premises, and the machinery used in connection therewith, situate in said Town, and shall so continue to be for period of twenty years from the date of such payment, when if said business shall actually be in operation, the lien hereby created shall cease to exist, and the said property shall be entirely relieved of said mortgage or lien.

8. The said Company shall also insure and keep insured the buildings and machinery so to be erected with some good Fire Insurance Company or Companies, to the satisfaction of the said town council, to the amount of said bonus, and shall assign and keep assigned said Policy and Policies to the said Town, and shall keep the said Policy or Policies in force as aforesaid, for a period of twenty years.

9. Provided always, that should the said Company or individual cease to provide for such insurance as aforesaid or discontinue the operation of said business for a longer period than one year, then the said Town Council may, on giving one month's previous notice in writing to the said Company or individual or by publishing the same for one month in any newspaper published in the said Town of Woodstock, absolutely sell and dispose of the said lands, machinery and premises or so much thereof, as shall be necessary to realize the amount of the said bonus, and retain the money so received therefor, to the use of the said Town to be applied towards the redemption of the debentures hereinbefore mentioned, and to convey to the respective purchaser or purchasers thereof, an absolute title to the respective portions which they may purchase; and in case the property so sold should produce an amount that would be necessary to pay the amount of said bonus, together with all cost and expenses incurred in connection with such sale, such excess shall be paid over to the said Company or individual.

11. In case any debentures are issued by the Town Council purporting to be issued under authority of this Act, it shall be conclusively presumed in favor of the holder of every debenture, that the Town Council had had authority to issue such debenture.

## YOUTH FOR OLD AGE.

Seventy-Six Years Old, but Felt Like a Young Man.

Commissioner Worden, of Wickham, N. B., Cured of Kidney Disease by Dodd's Kidney Pills—He Suffered for a Quarter of a Century.

WICKHAM, QUEEN'S CO., N. B. May 29.—Every resident of this district knows Mr. G. J. Worden, Commissioner of the Wickham Civil Courts. He is a gentleman seventy-six years old, universally looked up to and respected as an upright worthy citizen, and an honorable, God-fearing man.

Mr. Worden's friends are congratulating him on his remarkable robust health and sturdy appearance. Behind this is a wonderful story, that should be read by everyone. Mr. Worden tells it himself.

"For over twenty-five years I was afflicted with Kidney Disease," says Mr. Worden, "suffered terribly with pains in the back and loins, and urination caused me the most horrible agony. I submitted to several surgical operations. Could get no rest at night, and had to lie on one side in the bed continually. I could not sit an hour at a time. In short, my condition was such as I can't describe. I was treated by several doctors, but they failed to relieve me. I had fully given up hope of ever getting better.

"One day I read of Dodd's Kidney Pills and the description of Kidney Disease symptoms was so exactly like my own sufferings, that I resolved to try the Pills. One box helped me so much that I got six more. When I had nearly finished the seventh box, I quit taking them, as it seemed I was a new and young man, made from an old one. That is how I felt. Every sign of my trouble had disappeared completely. I was, and now am, strong, hale and hearty.

"I was a great sufferer from Itching Piles, and to my great surprise they also were cured. Dodd's Kidney Pills have, by the blessing of God, cured me and made a new man of me.

"I solemnly declare the foregoing to be true, to the best of my recollection."

Dodd's Kidney Pills are sold by all druggists, at fifty cents a box, six boxes for \$2.50, or they will be sent on receipt of price, by The Dodds Medicine Co., Limited, Toronto, Ont.

### In the Future.

Great General—We must not forget to see that the preparations are complete for the official investigation that will follow this battle. Are the men who have been detailed to act as witnesses posted at the proper stations, with blank affidavits?

Aide—They are, general.

Great General—Are the cyclometers on the gun carriages in perfect order?

Aide—They are.

Great General—Are the self-registering time dials properly set?

Aide—They are in perfect readiness, general.

Great General—Is the man with the kinetoscope all ready?

Aide—He is, general.

Great General—Then give orders for the brigade to advance.

### Pleasures Penalty.

When the doctor gives one up, most people lose heart, but it was not this way with the young society woman in a western Ontario city who had contracted kidney trouble through lack of care in "wrapping up" after an evening's round of pleasure. She heard of South American Kidney Cure and pinned her faith to it to cure her and in an incredibly short time felt her health returning. Her suffering abated, and three months from the day her physician hinted her case was hopeless she presented herself to him a cured woman.

# Mr. G. O. ARCHIBALD'S CASE.

Didn't Walk for 5 Months.  
Doctors said Locomotor Ataxia.

Milburn's Heart and Nerve Pills Cure a Disease hitherto regarded as Incurable.

The case of Mr. G. O. Archibald, of Hopewell Cape, N.B., (a cut of whom appears below), is one of the severest and most intractable that has ever been

reported from the eastern provinces, and his cure by Milburn's Heart and Nerve Pills the more remarkable from the fact that he was given up as incurable by worthy and respected physicians.

The disease, Locomotor Ataxia, with which Mr. Archibald was afflicted is considered the most obstinate and incurable disease of the nervous system known. When once it starts it gradually but surely progresses, paralyzing the lower extremities and rendering its victim helpless and hopeless, enduring the indescribable agony of seeing himself die by inches.

That Milburn's Heart and Nerve Pills can cure thoroughly and completely a disease of such severity ought to encourage those whose disorders are not so serious to try this remedy.

The following is Mr. Archibald's letter:

"Well, the widow sued the editor for libel. Get anything?" "One thousand pounds. Aut she didn't have it long." "Why?" "The editor married her."

"Terrible tragedy at the museum to-day. Hear about it?" "No. What happened?" "Countryman came into town with his twin boys, and the cannibals got loose and ate philopena with them."

Jinks: "Got a case in court, eh?" Winks: "Yes, and I'll win, too." Both law and justice on your side, I suppose? "Um! I don't know as to that, but I've got the highest priced lawyers."

Grigson: "It was great fun sitting there and passing remarks upon the people as they came in." Sarton: "Ah,—but, talking of fun, you should have heard the remarks of some of the people after you went out."

**COOK'S ANODYNE LINIMENT.**

MESSRS. T. MILBURN & CO.—"I can assure you that my case was a very severe one, and had it not been for the use of Milburn's Heart and Nerve Pills I do not believe I would be alive to-day. I do not know, exactly, what was the cause of the disease, but it gradually affected my legs, until I was unable to walk hardly any for five months.

"I was under the care of Dr. Morse, of Melrose, who said I had Locomotor Ataxia, and gave me up as incurable.

"Dr. Solomon, a well-known physician of Boston, told me that nothing could be done for me. Every one who came to visit me thought I never could get better.

"I saw Milburn's Heart and Nerve Pills advertised and thought I would try them anyway, as they gave more promise of helping me than anything I knew of.

"If you had seen me when I started taking those wonderful pills—not able to get out of my room, and saw me now, working hard every day, you wouldn't know me.

"I am agent for P. O. Vickay, of Augusta, Maine, and have sold 300 subscribers in 80 days and won a fifty dollar prize.

"Nothing else in the world saved me but those pills, and I do not think they have an equal anywhere.

"The seven boxes I took have restored me the full use of my legs and given me strength and energy and better health than I have enjoyed in a long time."

G. O. ARCHIBALD.

Hopewell Cape, N. B.

In addition to the statement by Mr. Archibald, we have the endorsement of two well-known merchants of Hopewell Cape, N. B., viz.: Messrs. J. E. Dickson and F. J. Brewster, who certify to the genuineness and accuracy of the facts as given above.

Milburn's Heart and Nerve Pills are 50c. a box, or 3 for \$1.25, at all druggists, or sent by mail. T. Milburn & Co., Toronto, Ont.
