will of Geo. F. Baird was proved by J. A.  
Belyea, proctor. The estate consists of \$500

personal estate. To his widow the deceased  
gives \$10,000 in debentures, \$10,000 in stock  
of the Star line steamers, two mortgages on

#### Weary of Experimenting

With salves, suppositories and ointments and  
dreading a surgical operation, scores and hun-  
dreds have turned to Dr. A. W. Chase's Ointment  
and found in it an absolute cure for piles. The  
first application brings relief from the terrible it-  
ching, and it is very seldom that more than one box  
is required to effect a permanent cure.

CLEVELAND BICYCLES are the lightest  
weight. 25 per cent less than any others of  
equal strength. Easiest running, being fitted  
with the ball and roller bearing. Strongest  
frames, because they are cleaned by sand  
blast, and not the dangerous acid pickling  
method. Completely dust proof, because  
every bearing part is absolutely dust proof  
and equipped with the newskelton gear case  
chain requires lubricating but once a year.  
Prices from \$40.00 up. Dibblee & Son are  
agents for Carleton County. Write to them  
for catalogues.
