CANADIAN CONTINGENT.

Conditions Prescribed by the Authorities. OTTAWA, Oct. 14.—The following is a copy of the cablegram received from Hon. Joseph Chamberlain by Lord Seymour, who was administrator, in regard to the sending of a Canadian contingent to the Transvaal.

LONDON, Oct. 14, 1899.—"Secretary of state for war and commander-in-chief desire that you express the high appreciation of the signal exhibition of the patriotic spirit of the people of Canada shown by the offers to serve in South Africa, and to furnish the following information to assist the organization of forces into units suitable for military requirements.

Firstly, Units should consist of about 125 men.

Secondly, May be infantry, mounted infantry or cavalry; in view of numbers already available infantry most—cavalry least serviceable.

Thirdly, All should be armed with .303 rifles or carbines, which can be supplied by the imperial government if necessary.

Fourthly, All must provide their own equipment and mounted troops their own horses.

Fifthly, No more than one captain and three subalterns to each unit. The whole force may be commanded by an officer not higher than a major.

In considering the numbers which can be employed the secretary of state for war, guided by the nature of the offers desired, that each colony should be fairly represented; but a limit is necessary if the force is to be utilized by the available staff as an integral portion of the imperial forces. They would gladly accept units.

Conditions as follows:— Troops will be disembarked at a port of landing in South Africa, fully equipped at the cost of the colonial government or the volunteers. From the date of disembarkation the Imperial government will provide pay, (at Imperial rates) supplies and ammunition, and will defray the expenses back to Canada and pay wound pensions and compassionate allowances at Imperial rates Troops to embark not later than 31st October, proceeding direct to Capetown for orders.

Inform accordingly all who have offered to raise volunteers.

(Signed) CHAMBERLAIN. The dominion government has carried out these instructions, which are similar to those sent the other colonies, but at the same time has stated in an official announcement that Canada would have preferred sending a regiment under a Canadian officer. The government is now in communication with the home authorities to see if this cannot be remedied.

Colonel Foster, chief staff officer, issued the following militia orders from headquarters tonight:—

(1) His excellency the governor general in council, having been pleased to approve of the despatch of Canadian volunteers, formed into eight companies of infantry, for active service in South Africa, it is hereby notified that one thousand volunteers will be accepted and that their enrolment has been authorized at the places mentioned below, upon the following conditions, viz:—

(a)—Service under the army act for six months with liability of extension to one year

(b)—Rations, clothing and equipment to be provided free.

(c)—Pay at the rate laid down in military regulations for the permanent corps from the date of disembarkation in South Africa, from which date pay will be at British rates.

Standard—Height, 5 feet 6 inches; with 34 inches chest measurement.

Age—Not less than 22 or more than 40.

The following are the places of enrolment—Victoria, Vancouver, Winnipeg, London, Toronto, Ottawa, Kingston, Montreal, Quebec, St. John, N. B., Charlottetown and Halifax.

Men desirous of offering their services should make application in person or by letter at the office of the officer commanding the military district, or to a commanding officer of a corps of militia.

Commanding officers will at once forward to the district officer commanding the names thus received with their remarks.

The War. At the time of going to press there has not been any fighting in the Transvaal, but soon will be, as the opposing forces are coming together.

Election Card

To the Electors of the Parish of Wilnot:

GENTLEMEN:—Having been solicited by a large number of my friends to allow myself to be nominated as a candidate in the coming election, I have at last consented to do so, hoping my views relating to parish matters in general will be so in conformity with your own that you will not hesitate to give me a very generous support. I am not in favor of taxing the county from \$20,000 to \$25,000 to build a retreat for the criminal classes, which would only be an encouragement for those who violate the laws of our country.

I am in favor of a thorough investigation of all matters which may properly come before the council, and a prompt settlement of any claims due to or by the municipality. I am also in favor of filling the country and parish offices with persons competent to perform the duties of them and only by persons qualified, otherwise as by law required. My temperance sentiment is too well known to need any comment. If I am elected I shall do my utmost to lower your taxes as much as possible, knowing as I do that the low price of farm produce and the increase of taxes from year to year that the burden that is now carried by those that till the soil may not become so heavy that they may become totally disheartened.

I am yours truly  
E. L. WEST.
