John Barnett spent Sunday in the village the guest of Robert Reid.  
Capt. Perkins and wife spent Sunday in Gordonsville.

Fireworks at St. John Exhibition.  
The free exhibition of fireworks each evening will this year be grander than ever, and will have as special features illustration of Baden-Powell Armoured Train, with portraits of generals whose names and faces are more or less familiar to every one in their connection with the war in South Africa, its incidents and its history. Among them will be Lord Roberts, General Baden-Powell, General White, General Kitchener, General Buller, etc.

Railways in Japan.  
In 1872 Japan had 18 miles of railways. Ten years later, in 1882, the country possessed 170 miles, and today the Mikado's empire has 3,420 miles of railways, of which 768 miles are the property of the State, while 2,652 miles are private lines. The private lines are owned by 42 companies, of which the Nippon Railway Company is the most powerful. Its capital amounts to \$23,000,000. The total rolling stock on the State and private lines at the end of last year was as follows:—1,103 locomotives, 3,911 passenger and 14,088 freight cars.

"Mister," said an urchin to a gentleman who was driving a very poor horse the other day, "does yer want me to hold 'im?"  
"No; this horse won't run away."  
"I didn't mean to hold 'im fast so's he won't run away. I meant to hold him up so's he won't drop."

**What we make We Guarantee!**  
Britain's motto is:  
**What we have we'll hold!**  
It is likewise the sentiment of those who patronize our establishment.  
Many have endeavored to imitate Custom Tailoring, and have filled the market with their goods, but have met the fate of the Boers—  
A seeming success for a time, then a struggle, and finally are forced to recognize the Superiority of Custom-Made Clothing. It should not require much argument

to convince a man that a garment made from His Measure, taken by an Experienced Tailor, and fitted on in the course of making should fit better and be more stylish than one taken from a pile made 6 to 36 months ago!  
To say nothing of the Superior Workmanship and goods used. We are showing an Excellent Stock of The Newest Shades and Textures, which we make up in Our Usual Good Style. Radical changes in styles this summer!

**LIFE: CANADA'S LEADING CO.**  
For some years the North American Life, is shown by the Government records to have the largest percentage of net surplus to liabilities of any home company. This proud position is maintained in spite of the fiercest competition, but not until this year was it that the North American Life attained to another first position in the ranks of life insurance companies in this country, that is for new business.  
The preliminary Government Report, just received, places the North American Life, for new business taken in Canada, ahead of all competitors, British, American or Canadian. We give the figures of a few of the leading home companies:  
1.—North American Life, Gen'l Business, \$4,651,305.00  
2.—Ontario Mutual, " 3,965,505.00  
3.—Confederation Life, " 3,839,469.00  
4.—Canada Life, " 3,800,917.00  
5.—Sun Life, " 3,602,209.00
