tars of Fredericton and the Houlton team in the Park on Thursday was well attended. The score was 10 to 0 in favour of the Tartars. This may be accounted for by the fact Shat only three of the regular Houlton team could come over and the other six were younger men with very little practise. Hal Drysdale played with Houlton and Frank Dickinson pitched the last half for the Tar-

ance of our summer millinery. In order to Induce the people to buy at this late season, we not only have reduced the prices, but we offer all black sailors and a line of children's sailors at cost, balance sailors and trimmed hats at very low rates. Those who have not stready bought want to call at Miss L. E. Fitzgerald's and get a bargain worth talking about. We want to see another grand boom before the 12th inst.

Mrs. Beardsley, who although 96 years old, is remarkably bright and smart, was driven over from the old homestead at Richmond and enjoyed the day with her children and other relatives exceedingly. The daughters present were:—Mrs. Matilda Eules of Rich-mond, Mrs. B. J. Smith of Caribou, Mrs. Helen Hearst of Kansas, Mo., and Mrs. Ed. win Bradstreet. A COUPLE of enterprising burglars effected an entrance to the Peoples' Bank at Hartland last Thursday night and attempted to blow the safe. The poor fellows had hard luck. They were frightened away before they suc-ceeded in getting into the safe. Mr. Hurley. who lives across the street from the bank heard the noise and saw two men leave the bank and walk down the track. He gave warning to the acting manager, Mr. Cochran, who was boarding at the Commercial. In the building were found some tools that had been taken from the blacksmith shop of William Cass. The burglars seem to have left Hartland by a water route as John Dickinson's cance was missing the next morning. Though efforts are being made to capture the men it is regarded as rather a hopeless task.
